S Ben Porath

The Soho Don:

The Soho Don Michael Connor, 2003 Smartly dressed and well spoken Billy Howard dominated the London crime scene for 30 years a reign punctuated only by short stays in prison The protection business drew him into a lucrative world of nightclubs and gambling on the back of the black market trade that had flourished during the World War II Unlike many of the notorious figures that have emerged from this era he was in many ways a loner preferring to control his own operations and eschewing the leadership of a gang His power and influence were so great that even now almost two decades after his death close friends and casual acquaintances are still wary of speaking out The Soho Don is an account of Howard s violent life and it exposes the links between the vicious gangland bosses the police and the celebrity hothouses of Mayfair clubs high class prostitution and international gambling It portrays his slide from power and finally his death in 1984 **London**

Donald Judd Writings Donald Judd, 2016-11-22 With hundreds of pages of new and previously unpublished essays notes and letters Donald Judd Writings is the most comprehensive collection of the artist s writings assembled to date This timely publication includes Judd s best known essays as well as little known texts previously published in limited editions Moreover this new collection also includes unpublished college essays and hundreds of never before seen notes a critical but unknown part of Judd s writing practice Judd s earliest published writing consisting largely of art reviews for hire defined the terms of art criticism in the 1960s but his essays as an undergraduate at Columbia University in New York published here for the first time contain the seeds of his later writing and allow readers to trace the development of his critical style The writings that followed Judd s early reviews are no less significant art historically but have been relegated to smaller publications and have remained largely unavailable until now The largest addition of newly available material is Judd s unpublished notes transcribed from his handwritten accounts of and reactions to subjects ranging from the politics of his time to the literary texts he admired most In these intimate reflections we see Judd s thinking at his least mediated a mind continuing to grapple with questions of its moment thinking them through changing positions and demonstrating the intensity of thought that continues to make Judd such a formidable presence in contemporary visual art Edited by the artist s son Judd Foundation curator and co president Flavin Judd and Judd Foundation archivist Caitlin Murray this volume finally provides readers with the full extent of Donald Judd s influence on contemporary art art history and art criticism

London's Working-Class Youth and the Making of Post-Victorian Britain, 1958-1971 Felix Fuhg, 2021-05-20 This book examines the emergence of modern working class youth culture through the perspective of an urban history of post war Britain with a particular focus on the influence of young people and their culture on Britain's self image as a country emerging from the constraints of its post Victorian imperial past Each section of the book Society City Pop and Space considers in detail the ways in which working class youth culture corresponded with a fast changing metropolitan and urban society in the years following the decline of the British Empire Was teenage culture rooted in the urban experience and the transformation of working class neighbourhoods Did youth subcultures emerge simply as a reaction to Britain's changing racial demographic To what extent did leisure venues and institutions function as laboratories for a developing British pop culture which ultimately helped Britain re-establish its prominence on the world stage These questions and more are answered in this book Identifying as Christian in an Alien Public Arena Maureen Miner, Mark Stephens, 2021-01-01

Although Christianity is the world's largest religion there is confusion over what it means to be Christian within contemporary society For individuals it is difficult to find form or receive a Christian identity let alone maintain one within a secular world Within organizations such as the church and professions there is often a disconnection between public and private identities and the reality of being Christian in our culture For society there is the problem of disparate portrayals of Christianity the marginalized status of Christianity with an associated lack of influence of Christians on our society and the ongoing shaping of Christian identity by the public arena itself Associated questions are should Christians try to engage in and even shape the public arena and if so how This volume examines the problem of confused and misunderstood Christian identity in a post Christian age It suggests ways of shaping Christian identity for the benefit of individuals and for the common good The importance of well formed Christian identities is illustrated by research and analysis of selected professions so that the public life of Christians can be more fulfilling and effective This book will be valuable for all those who are interested in religious identity within a secular society People of faith and religious organizations will benefit from a penetrating analysis of what it means to be Christian today Similarly those whose work involves the church counseling education and the performing arts will find specific applications that address concerns about faith in the workplace **How to Become a Famous Artist and Still Paint Pictures** W. Joe Innis, 2000-10 A successful international artist offers a no holds barred approach to making it in the arts and selling your work This profound funny book full of hard truths and smart advice is must reading for artists Read it and you just might transform your life and jolt your art career awake Are you ready for some high voltage inspiration Then come listen to the master's voice Eric Maisel *A Life in the Arts* The best bunch of advice I've ever seen for someone who is serious about this crazy addiction called art Barnaby Conrad artist and best selling author **Donald Sultan** Donald Sultan, Blum Helman Gallery, 1985 **Donald Judd Interviews** Donald Judd, 2019-11-12

Donald Judd Interviews presents sixty interviews with the artist over the course of four decades and is the first compilation of its kind. It is the companion volume to the critically acclaimed and bestselling *Donald Judd Writings*. This collection of interviews engages a diverse range of topics from philosophy and politics to Judd's insightful critiques of his own work and the work of others such as Mark di Suvero, Edward Hopper, Yayoi Kusama, Barnett Newman, and Jackson Pollock. The opening discussion of the volume between Judd, Dan Flavin, and Frank Stella provides the foundation for many of the succeeding conversations focusing on the nature and material conditions of the new art developing in the 1960s. The publication also gathers a substantial body of unpublished material across a range of mediums including extensive interviews with art historians Lucy R. Lippard and Barbara Rose. Judd's contributions in interviews, panels, and extemporaneous conversations are marked by his forthright manner and rigorous thinking, whether in dialogue with art critics, art historians, or his contemporaries. In one of the last interviews, he observed: "Generally expensive art is in expensive chic circumstances; it's a falsification. The society is basically not interested in art. And most people who are artists do that because they like the work they like to do; that makes art. Art has an integrity of its own and a purpose of its own, and it's not to serve the society. That's been tried now in the Soviet Union and lots of places, and it doesn't work. The only role I can think of in a very general way for the artist is that they tend to shake up the society a little bit just by their existence, in which case it helps undermine the general political stagnation and perhaps by providing a little freedom supports science, which requires freedom. If the artist isn't free, you won't have any art." *Donald Judd Interviews* is co-published by Judd Foundation and David Zwirner Books. The interviews expand upon the artist's thinking present in *Donald Judd Writings*. Judd Foundation, David Zwirner Books, 2016.

Don John Jean Ingelow, 1882 *Don John, a Story ...* Jean Ingelow, 1882 **Dysplasia** Brad Lewis, 2000-10-13. Based on actual medical practice and experience, Brad Lewis *DYSPLASIA* takes the reader behind the secret closed doors of the elite medical world, revealing shocking truths about what really goes on in the lives of prominent physicians. Along the way, he offers surprising insights into the human heart, all through the painful lives of celebrity doctors. The world of *DYSPLASIA* is filled with intrigue, darkness, and mystery, the underside of upper echelon M.D.s. *DYSPLASIA* is about Dr. Donald Gardner, a renowned OB-GYN specialist, and his famous senior partner, Dr. Henry Call Me Hank Chessman. The novel opens with a mob converging on Dr. Gardner's hospital. The press, police, hospital administrators, and Harlem clergy are in a feeding frenzy. The story that follows explains the events that led to that moment, a tale replete with Fifth Avenue addresses, exotic vacation homes, renowned medical practices, beautiful wives, and high-powered men determined to stay that way. *DYSPLASIA* is a novel grounded in reality. It is a work of fiction missing from the literature of our modern era. The darkly realistic detail and medical panorama make *DYSPLASIA* a powerful and compulsively readable novel. **The New Monthly Magazine and Universal Register**, 1821 The New Monthly Magazine and Literary Journal, 1821 New Monthly Magazine and Humorist, 1821
