The Sorrow Of War:

The Sorrow of War Bao Ninh, 2012-02-29 Kien's job is to search the Jungle of Screaming Souls for corpses. He knows the area well; this was where in the dry season of 1969 his battalion was obliterated by American napalm and helicopter gunfire. Kien was one of only ten survivors. This book is his attempt to understand the eleven years of his life he gave to a senseless war. Based on true experiences of Bao Ninh and banned by the communist party, this novel is revered as the *All Quiet on the Western Front* for our era.

The Sorrow of War Bao Ninh, 2018-08-14 The daring and controversial novel that took the world by storm, a story of politics, selfhood, survival, and war. Heart-wrenching, fragmented, raw. Former North Vietnamese soldier Bao Ninh's *The Sorrow of War* provides a strikingly honest look at how the Vietnam War forever changed his life, his country, and the people who live there. Kien, a lone survivor from the Glorious 27th Youth Brigade of the Vietcong, revisits the haunting sites of battles and relives a parade of horrors as he grapples with his ghosts, his alcoholism, and attempts to arrange his life in writing. Originally published against government wishes in Vietnam because of its nonheroic, non-ideological tone, Ninh's now classic work has won worldwide acclaim and become an international bestseller.

The Sorrow of War Bao Ninh, 1993 *Sorrow of War* Bao Ninh, 1996-04-01 In a novel of the Vietnam War told from the North Vietnamese point of view, Kien narrates his memories of his youth, the war, and his attempts to cope with the horrors of war and his own survival.

Soldier Talk Paul Vincent Budra, Michael Zeitlin, 2004 *Soldier Talk* is a collection of essays about the Vietnam combat veteran and his representation of his experience. The Vietnam War created a vast archive of recorded accounts of the war, permitting an unprecedented opportunity to confront its brutal secrets. This book is about how to read and how to hear the historical, psychological, and narrative truths of soldiers' talk. The ten chapters explore the phenomenon of soldier talk, the oral narrative form of so much of the Vietnam War literature, the collection of veteran interviews published under the title *Nam Vietnam War poetry*, the strange tale of Bobby Garwood, the private who disappeared 10 days before he was to return home and surfaced 13 years later in Hanoi, Vietnam, oral history, and revolutionary socialism, the historiography of the Vietnam War, queering Vietnam, the African American experience of Vietnam, and women and the war. Along the way, the authors touch on most of the best-known and most important writing to come out of the war.

The Sorrow of War Bao Ninh, 1997-01 *Memories of a Lost War* Subarno Chattarji, 2001 In this unique and significant addition to Vietnam studies, *Memories of a Lost War* analyzes the poems written by American veterans, protest poets, and Vietnamese within political, aesthetic, and cultural contexts. Drawing on a wealth of material often published in small presses and journals, the book highlights the horrors of war and the continuing traumas of veterans in post-Vietnam America. In its inclusion of Vietnamese perspectives, the book marks a departure from earlier works that have largely concentrated on Vietnam as a war rather than a country.

The West in Asia and Asia in the West Elisabetta Marino, Tanfer Emin Tunc, 2015-01-24 This collection of new essays examines the transnational turn in cultural studies between Asia and the West. Drawing on literature, history, culture,

Ideologies of Forgetting Gina Marie Weaver,2012-02-01 Rape has long been a part of war and recent conflicts in Bosnia Rwanda and Darfur demonstrate that it may be becoming an even more integral strategy of modern warfare In contrast to the media attention to sexual violence against women in these recent conflicts however the incidence and consequences of rape in the Vietnam War have been largely overlooked Using testimony oral accounts literature and film *Ideologies of Forgetting* focuses on the rape and sexual abuse of Vietnamese women by U S soldiers during the Vietnam war and argues that the erasure and elision of these practices of sexual violence in the U S popular imagination perpetuates the violent masculinity central to contemporary U S military culture Gina Marie Weaver claims that recognition of this violence is important not just for an accurate historical record but also to truly understand the Vietnam veteran's trauma which often stems from his aggression rather than his victimization

Cambridge Companion to War Writing Catherine Mary McLoughlin,2009-07-16 This Companion covers British and American war writing from Beowulf to Don DeLillo **Shadows of War** Carolyn Nordstrom,2004-05-17 In this provocative and compelling examination of the deep politics of war Carolyn Nordstrom takes us from the immediacy of war zone survival through the offices of power brokers to vast extra legal networks that fuel war and international profiteering She captures the human face of the front lines revealing both the visible and the hidden realities of war in the twenty first century *Shadows of War* is grounded in ethnographic research carried out at the epicenters of political violence on several continents Its pages are populated not only with the perpetrators and victims of war but also with the scoundrels silent heroes and average families who live their lives in the midst of explosive violence War reconfigures our most basic notions of humanity Nordstrom demonstrates This book of crucial importance at the present moment shows that war is enmeshed in struggles over the very foundations of the sovereign state the crafting of economic empires both legal and illegal and innovative searches for peace Nordstrom describes the multi trillion dollar international financial networks that support warfare She traces the entangled routes by which illegal drugs precious gems weapons basic food supplies and pharmaceuticals are moved by an international cast of businesspeople profiteers and black market operators *Shadows of War* demonstrates how the experiences of both the architects of war and of ordinary people are deleted from media accounts and replaced with stories about soldiers weapons and territory For the first time this book retrieves from the shadows the faces of those whose stories seldom reach the light of international recognition **America's Wars in Asia** , Even though the cultural approach

concerns itself with the local and the particular rather than with the abstract and universal it is inherently comparative Moreover it also relocates each war in the historical and cultural experiences of Asian countries themselves rather than seeing the war as merely a conflict between the United States and Asian nations **The Cambridge Companion to War Writing** Kate McLoughlin,2009-07-16 War writing is an ancient genre that continues to be of vital importance Times of crisis push literature to its limits requiring writers to exploit their expressive resources to the maximum in response to extreme events This Companion focuses on British and American war writing from Beowulf and Shakespeare to bloggers on the War

on Terror Thirteen period based chapters are complemented by five thematic chapters and two chapters charting influences This uniquely wide range facilitates both local and comparative study Each chapter is written by an expert in the field and includes suggestions for further reading A chronology illustrates how key texts relate to major conflicts The Companion also explores the latest theoretical thinking on war representation to give access to this developing area and to suggest new directions for research In addition to students of literature the volume will interest those working in war studies history and cultural studies
