The New Rolling Stone Album Guide Nathan Brackett,Christian David Hoard,2004 Publisher Description **Lyrics** Sting,2009-07-16 From the first Police album *Outlandos D'Amour* through *Sacred Love* here are the collected lyrics written by Sting along with his commentary Publishing my lyrics separately from their musical accompaniment is something that I've studiously avoided until now The two lyrics and music have always been mutually dependent in much the same way as a

mannequin and a set of clothes are dependent on each other separate them and what remains is a naked dummy and a pile of cloth Nevertheless the exercise has been an interesting one seeing perhaps for the first time how successfully the lyrics survive on their own and inviting the question as to whether song lyrics are in fact poetry or something else entirely And while I ve never seriously described myself as a poet the book in your hands devoid as it is of any musical notation looks suspiciously like a book of poems So it seems I am entering with some trepidation the unadorned realm of the poet I have set out my compositions in the sequence they were written and provided a little background when I thought it might be illuminating My wares have neither been sorted nor dressed in clothes that do not belong to them indeed they have been shorn of the very garments that gave them their shape in the first place No doubt some of them will perish in the cold cruelty of this new environment and yet others may prove more resilient and become perhaps more beautiful in their naked state I can t predict the outcome but I have taken this risk knowingly and while no one in their right mind should ever attempt to set The Waste Land to music in the hopeful words of T S Eliot These fragments I have shored against my ruins Sting from the Introduction

Poison Chris Wooding,2014-05-01 Perfect for fans of Neil Gaiman and Tim Burton this is no ordinary fairy tale When Poison s baby sister is stolen by phaeries Poison sets off on an incredible and dangerous journey to get her sister back from the Phaerie Lord But as Poison travels to the Realm of Phaerie she discovers that her story and her destiny is not in her control and that she will need all her wits about her to survive A fantasy where the power of story maybe the only thing that will save you and where imagination knows no bounds

Seasons of Moon and Flame Danielle Dulsky,2020-03-10 Prepare to Be Mentored by the Sacred Hags The yearning to slow down and simplify return to the earth and maybe evenrewild what has been tamed in ourselves persists even though that dream may seem ever more remote in contemporary life Danielle Dulsky shows that even in our high tech and high pressure lives it is possible to manifest your own year of the wild and to tap into often forgotten holy wisdom Seasons of Moon and Flame guides you to live cyclically while working with the archetype of the Sacred Hag or wild grandmother who appears in various guises Wonderfully inclusive with adaptations for families spiritual groups and other traditions this book is a potentially life changing guide to living mystically magically and in empowering harmony with the worlds of spirit and nature
