

A romantic couple is shown in a close embrace, nearly kissing, in a snowy forest at night. The man is on the left, looking towards the woman on the right. The woman has long dark hair and is wearing a dark top. The background features a small, warmly lit wooden cabin with a chimney, surrounded by snow-covered trees and a starry night sky. The overall mood is intimate and romantic.

figuratively this statement describes one of the best known plots in world mythology and popular storytelling In a tour that runs from Shakespeare to Hollywood and from Abraham Lincoln to Casanova the erudite and irrepressible Wendy Doniger shows us the variety danger and allure of the bedtrick or what it means to wake up with a stranger The Bedtrick brings together hundreds of stories from all over the world from the earliest recorded Hindu and Hebrew texts to the latest item in the Weekly World News to show the hilariously convoluted sexual scrapes that people manage to get themselves into and out of Here you will find wives who accidentally commit adultery with their own husbands You will read Lincoln s truly terrible poem about a bedtrick You will learn that in Hong Kong the film The Crying Game was retitled Oh No My Girlfriend Has a Penis And that President Clinton was not the first man to be identified by an idiosyncratic organ At the bottom of these wonderful stories ancient myths and historical anecdotes lie the dynamics of sex and gender power and identity Why can t people tell the difference in the dark Can love always tell the difference between one lover and another And what kind of truth does sex tell Funny sexy and engaging The Bedtrick is a masterful work of energetic storytelling and dazzling scholarship Give it to your spouse and your lover **Sisters and the English Household** Anne D. Wallace, 2018-09-15

Sisters and the English Household revalues unmarried adult sisters in nineteenth century English literature as positive figures of legal and economic autonomy representing productive labor in the domestic space As a crucial site of contested values the adult unmarried sister carries the discursive weight of sustained public debates about ideals of domesticity in nineteenth century England Engaging scholarly histories of the family and providing a detailed account of the 70 year Marriage with a Deceased Wife s Sister controversy Anne Wallace traces an alternative domesticity anchored by adult sibling relations through Dorothy Wordsworth s journals William Wordsworth s poetry Mary Lamb s essay On Needle Work and novels by Jane Austen Elizabeth Gaskell Charles Dickens Dinah Mulock Craik and George Eliot Recognizing adult sibling relationships and the figure of the adult unmarried sibling in the household as primary and generative rather than contingent and dependent and recognizing material economy and law as fundamental sources of sibling identity Sisters and the English Household resets the conditions for literary critical discussions of sibling relations in nineteenth century England The Poetics of Fragmentation in Contemporary British and American Fiction Vanessa Guignery, Wojciech Drąg, 2019-12-02

The last decades have seen a revival of fragmentation in British and American works of fiction that deny linearity coherence and continuity in favour of disruption gaps and fissures Authors such as Ali Smith David Mitchell and David Shields have sought new ways of representing our global media saturated contemporary experience which differ from modernist and postmodernist experimentations from which the writers nevertheless draw inspiration This volume aims to investigate some of the most important contributions to fragmentary literature from British and American writers since the 1990s with a particular emphasis on texts released in the twenty first century The chapters within examine whether contemporary forms of literary fragmentation constitute a return to the modernist episteme or the fragmented literature of exhaustion of the

1960s mark a continuity with postmodernist aesthetics or signal a deviation from past models and an attempt to reflect today's accelerated culture of social media and over communication Contributors theorise and classify literary fragments examine the relationship between fragmentation and the Zeitgeist influenced by globalisation media saturation and social networks analyse the mechanics of multimodal and multimedial fictions and consider the capacity of literary fragmentation to represent personal or collective trauma and to address ethical concerns They also investigate the ways in which the architecture of the printed book is destabilised and how aesthetic processes involving fragmentation bricolage and or collage raise ontological ethical and epistemological questions about the globalised contemporary world we live in and its relation to the self and the other Besides the aforementioned authors the volume makes reference to the works of J G Ballard Julian Barnes Mark Z Danielewski David Markson Jonathan Safran Foer David Foster Wallace Jeanette Winterson and several others
