Stevenson, 2020-07-12 Robert Louis Stevenson is best known for his *The Strange Case of Doctor Jekyll and Mr Hyde* and his two novels that would now be classified as Young Adult literature *Treasure Island* and *Kidnapped* The Scottish author had an uncanny talent for both adventure tales and character development a combination so rare in literary history His Long John Silver remains the archetype of the kindly pirate including Captain Jack Sparrow of the immensely popular *Pirates of the Caribbean* movie series Stevenson was a sickly man and even as a child he spent much of his time in bed These hours were not wasted however as the young man read voraciously and developed a keen sense of literary style Stevenson went on to study law as a backup to his literary career and he soon began to publish essays short stories and poems in various journals Despite his poor health Stevenson also traveled widely enjoying a rather Bohemian life of the late Victorian world *The Suicide Club* was first published in *London Magazine* in 1878 and later in his first collection of stories *New Arabian Nights* It introduces Stevenson's detective Prince Florizel of Bohemia a reference to Shakespeare's play *A Winter's Tale* and his companion Colonel Geraldine The three stories in this collection revolve around Florizel's infiltration of the underground Suicide Club an institution for desperate men who want to end their lives but fear the consequences of suicide for their family and friends Each part has its own mystery and only in the last story does Florizel finally upend the treacherous group Written nine years before the first Sherlock Holmes story Stevenson helped to build the burgeoning detective genre in English Although Florizel is not as well known today as Arthur Conan Doyle's creation the contemporary genre owes as much to Stevenson as it does to Doyle himself Catalogue of English Prose Fiction & Juvenile Books ... The Nail in the Skull and Other Victorian Urban Legends Simon Young,2022-06-27 Winner of the 2023 Brian McConnell Book Award from the International Society for Contemporary Legend Research In the last fifty years folklorists have amassed an extraordinary corpus of contemporary legends including the Choking Doberman the Eaten Ticket and the Vanishing Hitchhiker But what about the urban legends of the past These legends and tales have rarely been collected and when they occasionally appear they do so as ancestors or precursors of the urban legends of today rather than as stories in their own right In *The Nail in the Skull and Other Victorian Urban Legends* Simon Young fills this gap for British folklore and for the wider English speaking world of the 1800s Young introduces seventy Victorian urban legends ranging from Beetle Eyes to the Shoplifter s Dilemma and from Hands in the Muff to the Suicide Club While a handful of these stories are already known the vast majority have never been identified and they have certainly never received scholarly treatment Young begins the volume with a lengthy introduction assessing

nineteenth century media emphasizing the importance of the written word to the perpetuation and preservation of these myths He draws on numerous nineteenth century books periodicals and ephemera including digitized newspaper archives particularly the British Newspaper Archive an exciting new hunting ground for folklorists The Nail in the Skull and Other Victorian Urban Legends will appeal to an academic audience as well as to anyone who is interested in urban legends
