After years of frequent moves following her mother's death Chloe Saunders's life is finally settling down. She is attending art school pursuing her dreams of becoming a director, making friends, meeting boys. Her biggest concern is that she's not developing as fast as her friends are. But when puberty does hit it brings more than hormone surges. Chloe starts seeing ghosts everywhere demanding her attention. After she suffers a breakdown her devoted aunt Lauren gets her into a highly recommended group home. At first Lyle House seems a pretty okay place except for Chloe's small problem of fearing she might be facing a lifetime of mental illness. But as she gradually gets to know the other kids at the home: charming Simon and his ominous unsmiling brother Derek, obnoxious Tori and Rae who has a thing for fire, Chloe begins to realize that there is something that binds them all together and it isn't your usual problem kid behaviour. And together they discover that Lyle House is not your usual group home either. *The Darkest Powers* Kelley Armstrong, 2008 **Wolf's Bane** Kelley

Armstrong, 2019-10-15 Summer camp is a traditional teenage rite of passage but when you add supernatural powers to the typically high dosage of adolescent hormones you get an even more combustible mix. Sixteen year old werewolf twins Kate and Logan Danvers are none too thrilled at being shipped off to a supernatural youth leadership conference in West Virginia. From the moment they arrive at the camp the twins sense something is off and they react in their usual manner: Logan reserving judgement and surveying the setup while Kate charges forward determined to get answers. Kate and Logan quickly ascertain that most of the conference attendees have already formed hostile factions leaving the twins and a few other misfits to band together. What seems like teen hormones in overdrive becomes something much more dangerous even deadly. Add in a strange magic warded cabin in the woods and a local history rife with curses and macabre legends and it becomes clear this was a really really bad place to build a camp for teenage supernaturals. **Talking Book Topics**, 2012 *For Younger Readers*, 2008 [Read On...Speculative Fiction for Teens](#) Jamie Kallio, 2012-08-14 This guide offers exciting new reading paths for students who enjoy fantasy, science fiction and paranormal themes.
