SCHULMAN, 2021-10-07** Benjamin sees the shape of his two brothers trying to kill each other It's no worthy finale but perhaps it's also no surprise How else had they expected this to end Three brothers return to the family cottage by the lake where more than two decades earlier a catastrophe changed the course of their lives Now they are here to scatter their mother's ashes Benjamin the middle son drives the three of them down the old gravel road to the house through a familiar landscape but also through time Here they are as boys tanned legs and hungry eyes children left to themselves by remote parents here they are as young men estranged but bound together by the history that defines them their lives spent competing for their father's favour and their mother's love in a household more like a minefield than a home In the intervening years Benjamin has grown increasingly untethered from reality frozen in place as life carries on around him And between the three brothers hums a dangerous current What

really happened that summer day when everything was blown to pieces *The Survivors* is the tale of a family falling apart and a chronicle of a mind unravelling in the wake of a tragedy both a coming of age novel and a reckoning with a deeply buried past Written with singular elegance and the drive of a suspense novel its ending will leave you marvelling at what the best fiction can achieve *The Survivors* Dori Teeple,2000-06-01 ***The Survivors*** Alex Schulman,2021-11-02

INTERNATIONAL BEST SELLER A gripping tour de force in which three estranged brothers return to the Swedish lakeside cottage where more than two decades before an unspeakable accident forever altered their family and changed the course of their lives Takes you deep into an emotional labyrinth where you ll cry for these brothers For the men they became for the boys they were for the innocence they lost Brilliant haunting and unforgettable Fredrik Backman author of *A Man Called Ove* There is Nils the oldest who couldn t escape his suffocating home soon enough and Pierre the youngest easily bullied and quick to lash out And then there is Benjamin always the family s nerve center perpetually on the lookout for triggers and trap doors in a volatile home where the children were left to fend for themselves competing for their father s favor and their mother s elusive love But as the years have unfolded Benjamin has grown increasingly untethered from reality frozen in place while life carries on around him And among the brothers a dangerous current now vibrates What really happened that summer day when everything was blown to pieces In a thrillingly fast paced narrative *The Survivors* mixes the emotional acuity of Edward St Aubyn the literary verve of Ian McEwan and the heart of Shuggie Bain By brilliantly dissecting a mind unravelling in the wake of tragedy Alex Schulman reveals the ways in which our deepest loyalties leave us open to the greatest betrayals *Writing the Survivor* Robin E. Field,2020-07-15 *Writing the Survivor The Rape Novel in Late Twentieth Century American Fiction* identifies a new genre of American fiction the rape novel that recenters narratives of sexual violence on the survivors of violence and abuse rather than the perpetrators The rape novel arose during the women s liberation movement as women writers collectively challenged the traditional erasure of female subjectivity and agency found in earlier representations of sexual violence in American fiction The rape novel not only foregrounds survivors and their stories in a textual centering that affirms their dignity and self worth but also develops new narratological strategies for portraying violent disturbing subject matter In bringing together many key women s texts of the last decades of the 20th century the rape novel demonstrates the centrality of sexual assault to women s fiction of this era The rape novels of the 21st century continue the political activism inherent in the genre educating readers offering community to survivors and encouraging social activism as the stories of male survivors are increasingly told A radical reconsideration of late twentieth century American novels *Writing the Survivor* underscores the importance of women s activism upon the novel s form and content and reveals the portrayal of rape as rape to be an interethnic imperative ***The Survivors*** Amanda Havard,2012-06-10 *The Survivors* Alex Schulman,2021-10-05 In the vein of *The Dinner* and *Atonement* an instant international sensation sold in over 30 countries in which three brothers confront the shattering childhood event that
