## **Rosamond Lehmann A Life:**

Rosamond Lehmann Selina Hastings,2012-02-29 The life of Rosamond Lehmann was as romantic and harrowing as that of any of her fictional heroines Her first novel the shocking *Dusty Answer* became wildly successful launching her career as a novelist and just as her novels depicted the tempestuous lives of her heroines Rosamond's personal life would be full of heartbreaking affairs and lost loves Escaping from a disastrous early marriage Rosamond moved right into the heart of Bloomsbury society with Wogan Philipps Later on she would embark on the most important love affair of her life with the poet Cecil Day Lewis nine years later he abandoned her for a young actress a betrayal from which she would never recover Selina Hastings masterfully creates a portrait of a woman whose dramatic life work and relationships criss crossed the cultural literary and political landscape of England in the middle of the twentieth century **Rosamond Lehmann** Judy Simons,2011 This book locates Lehmann's fictional achievement in the context of her times and in particular describes its positioning within the turbulent period between two world wars and the changing aesthetic of modernity **A Study of Rosamond Lehmann's Life and Novels** Monique Banderet,1969 *Rosamond Lehmann, an Appreciation* Gillian Tindall,1985 Lehmann's novel *Dusty Answer* includes a lesbian seductress Geraldine Manners Summers p 387 Rosamond Lehmann Ruth Siegel,1989 Rosamond Lehmann the British novelist was born 1901 into the privileged upper middle class life of Edwardian England but came of age during the disillusioned years between the two world wars Intellectual discerning and poetic she was very much part of the Oxbridge trained generation of Auden Isherwood and Spender But her distinct point of view offered a feminine counterpart to their perceptions and made hers one of the outstanding female fictional voices of the time This study reintroduces Rosamond Lehmann to American readers exploring her life her novels and the social and psychological insights she found in her search for enduring values during a time of ferment The Encyclopedia of Twentieth-Century Fiction, 3 Volume Set Brian W. Shaffer,2011-01-18 This Encyclopedia offers an indispensable reference guide to twentieth century fiction in the English language With nearly 500 contributors and over one million words it is the most comprehensive and authoritative reference guide to twentieth century fiction in the English language Contains over 500 entries of 1000 3000 words written in lucid jargon free prose by an international cast of leading scholars Arranged in three volumes covering British and Irish Fiction American Fiction and World Fiction with each volume edited by a leading scholar in the field Entries cover major writers such as Saul Bellow Raymond Chandler John Steinbeck Virginia Woolf A S Byatt Samuel Beckett D H Lawrence Zadie Smith Salman Rushdie V S Naipaul Nadine Gordimer Alice Munro Chinua Achebe J M Coetzee and Ng g Wa Thiong o and their key works Examines the genres and sub genres of fiction in English across the twentieth century including crime fiction Sci Fi chick lit the noir novel and the avant garde novel as well as the major movements debates and rubrics within the field such as censorship globalization modernist fiction fiction and the film industry and the fiction of migration diaspora and exile **Looking for Mr. Nobody** Jenny Rees,2018-01-16 Goronwy Rees

1909 1979 was one of the most gifted and promising figures in the constellation of British poets journalists and intellectuals of the 1930s that included Louis MacNeice W H Auden C Day Lewis Isaiah Berlin and Anthony Blunt Like many liberals of his generation he was shocked by the effects of the Depression and correspondingly sympathetic to the Communist regime in Russia Guy Burgess of the Cambridge spies Burgess Maclean Philby and Blunt admitted his espionage to Rees His association with Burgess was to blight the rest of Rees s life When Burgess defected in 1951 and Rees denounced him to MI5 Rees was viewed more as a spy out to save his own skin than as an honorable citizen His anonymous sensationalist articles in The People denouncing Burgess s political activities and all but naming names condemned him with the British intellectual community not for his politics but for his betrayal of a friend Colleagues and acquaintances accused him of trying to initiate a McCarthyite witch hunt He lost his job His academic career was ruined In Looking for Mr Nobody Jenny Rees deals with many of the old charges made against her father in her search for the answer to her own question Was he too a spy Had he joined up with Burgess and Blunt and passed secrets to the Soviet Union Her quest for the truth reveals a fascinating portrait of a brilliant but flawed man of letters handsome and seductively charming caught up in the radical political commitments of the 1930s Communist Party membership and his tortured relationship with the notorious Cambridge spies The Experience of a Lifetime Carolyn North,2006-06 This heartfelt book is about living fully up to the last moment and dying well when the time has come Carolyn North a healer and singer helps four terminally ill friends prepare for death as they decline physically and emerge spiritually The Experience of a Lifetime explores how we can learn to accept our own mortality and discover what it means to love Loving we may glimpse a many dimensioned world wherein life and death are part of the same glorious Whole **Censorship across Borders** Alberto Lázaro,Catherine O'Leary,2011-07-12 This volume brings together twelve essays which explore European censorship of English literature in the last century Taking into consideration the various social political and historical contexts in which literary controls were imposed and the extent to which they were determined by national and international concerns these essays comment on political and moral censorship self censorship and the role of the translator as censor Besides systematic state control other hidden and insidious forms of censorship are also surveyed in the essays This study considers why certain works and authors many of them now regarded as canonical were targeted in various states and often under opposing ideologies such as those dominated by conservative Catholic morality and those governed by communism or socialism The essays contain previously unpublished material cover a wide range of authors including Beckett Eliot Joyce and Orwell and analyse diverse censorship systems operating across Europe thus serving as a useful comparative resource Despite the variety of structures of suppression the study shows that certain common practices can be discerned across national borders and that general conclusions can be drawn about the complex and ambiguous nature of the state s relationship with culture and about the immediate and long term impact of censorship not only on the author and publisher but on society as a whole Finally the essays are also significant for what they tell us

about the survival of literature despite the best efforts of the censors      **Elizabeth Bowen** Patricia Laurence,2019-12-03 Elizabeth Bowen A Literary Life reinvents Bowen as a public intellectual propagandist spy cultural ambassador journalist and essayist as well as a writer of fiction Patricia Laurence counters the popular image of Bowen as a mannered reserved Anglo Irish writer and presents her as a bold independent woman who took risks and made her own rules in life and writing This biography distinguishes itself from others in the depth of research into the life experiences that fueled Bowen s writing her espionage for the British Ministry of Information in neutral Ireland 1940 1941 and the devoted circle of friends lovers intellectuals and writers whom she valued Isaiah Berlin William Plomer Maurice Bowra Stuart Hampshire Charles Ritchie Sean O Faolain Virginia Woolf Rosamond Lehmann and Eudora Welty among others The biography also demonstrates how her feelings of irresolution about national identity and gender roles were dispelled through her writing Her vivid fiction often about girls and women is laced with irony about smooth social surfaces rent by disruptive emotion the sadness of beleaguered adolescents the occurrence of cultural dislocation historical atmosphere as well as undercurrents of violence in small events and betrayal and disappointment in romance Her strong visual imagination so much a part of the texture of her writing traces places scenes landscapes and objects that subliminally reveal hidden aspects of her characters Though her reputation faltered in the 1960s 1970s given her political and social conservatism now readers are discovering her passionate and poetic temperament and writing as well as the historical consciousness behind her worldly exterior and writing      *The Swan In The Evening* Rosamond Lehmann,2013-03-07 ONE OF THE MOST REMARKABLE BRITISH WRITERS OF THE TWENTIETH CENTURY Full of her sensibility her funniness her own peculiar acumen ELIZABETH JANE HOWARD Lehmann legitimised a type of writing that took on deep personal themes ENGLISH PEN Combines something of the earthiness of Colette with the imaginative insight of Virginia Woolf CYRIL CONNOLLY Rosamond Lehmann one of the most distinguished British writers of this century published eight acclaimed works of fiction Her only autobiographical work *The Swan in the Evening* recreated first the child she was and the experiences that made her the woman she became moving on to tell the story of her beloved daughter Sally and the tragedy of her early death at the age of twenty four Then tentatively and persuasively Rosamond Lehmann relates the totally unexpected overwhelming and scrupulously recorded psychic and mystical experiences she underwent following that terrible loss The meaning of such events their messages of hope and comfort to others she then through a letter to her granddaughter passes to us      *Life Beyond Death* David Fontana,2016-07-19 A psychologist seeks to answer your burning questions about what happens after death from afterlife communication and human consciousness to out of body and near death experiences Most people in the world believe in some form of life after death but what exactly is the nature of the afterlife David Fontana examines all the extensive evidential material that has been accumulated over time including communication through mediums and accounts from those who had near death and out of body experiences and compares them to descriptions found in such mystical texts as The

Tibetan Book of the Dead and The Egyptian Book of the Dead He explores the whole area of human consciousness and considers the question if the body and the brain perish at death what remains to survive From the various ideas of paradise to the very meaning of existence this is a journey through infinite possibilities *Tales From the Afterlife* Fiona Bowie,2011-03-16 *Tales From the Afterlife* takes the reader on an imaginative journey through death to the life that awaits us all on the other side Our beliefs thoughts and expectations have a powerful influence on the ease with which we make that transition although help and guidance is always on hand The ten scenarios presented here present a coherent and remarkably consistent picture of the non physical world The result is a powerful affirmation that consciousness survives the death of the physical body and that the meaning and purpose of life is to grow in love **Decadent Women** Jad Adams,2023-10-01 The never before told story of the extraordinary women behind a trailblazing British magazine During the 1890s British women for the first time began to leave their family homes to seek work accommodation and financial and sexual freedom *Decadent Women* is an account of some of these women who wrote for the innovative art and literary journal *The Yellow Book* For the first time and drawing on original research Jad Adams describes the lives and work of these vibrant and passionate women from well connected and fashionable aristocrats to the desperately poor He narrates the challenges they faced in a literary marketplace and within a society that overwhelmingly favored men showing how they were pioneers of a new style living lives of lurid adventure and romance as well as experiencing poverty squalor disease and unwanted pregnancy **Sex, Sects and Society** Russell Davies,2018-03-28 This book will provide an educational and entertaining read It will explain the contradictions and complexities of the Welsh national identity This book will reveal the hardships and horrors of some people s lives It will reveal how religion and superstition ebbed and flowed together Literature as History Simon Barker,Jo Gill,2010-01-26 New essays by a range of leading theorists on the interdisciplinary study of literature and history **Henry Green** Nick Shepley,2016 Henry Green *Class Style and the Everyday* combines biography social historical context and close readings of all of Green s novels to provide a clearer vantage point from which to see into the challenges and pleasures awaiting the reader of Green s fiction **Annual Obituary, 1990** Deborah Andrews,[Anonymus AC00335808],1991 **The Nine Lives of Annie Besant** Clare Paterson,2025-08-28 On Thursday 5 April 1877 police charged 30 year old Annie Besant and her colleague Charles Bradlaugh with breaching the Obscene Publications Act 1857 The reason was the scandalous sale of a slim book called *The Fruits of Philosophy* a book that advocated for birth control in an era when parents were encouraged to keep their daughters ignorant and fearful The publication of this guide which the prosecutor in the trial referred to as a dirty filthy book made Annie famous But this was not Annie s first or last battle against Victorian social mores She was a good Christian wife who became an atheist a liberal campaigner who became a prominent socialist activist in the strikes and protests of the 1880s a Theosophical High Priestess who became heavily involved in the Indian nationalist movement Viewed as a dangerous threat to imperial government and authority she was a fearless and

formidable freedom fighter Annie Besant lived an extraordinary and inspiring life and yet because of her complexities and seeming contradictions she has been sidelined by history From politics to the occult from Christianity to Theosophy and from the London suburbs to a pyre on the banks of an Indian river The Nine Lives of Annie Besant tells the complete story of a woman who broke all the rules     A Note in Music Rosamond Lehmann, 1982-02-15 Grace Fairfax lives with her dull conventional husband Tom in a grey manufacturing town in the north of England At thirty four she finds that her external life of dreary routine fails to match up to her lush wistful and dreamy internal life Norah her energetic and chaotic friend is equally settled in her own marriage to an irritable university professor Then Hugh Miller and his sister Claire descend upon the quiet town On all four the hypnotic charm of these two visitors exerts an enchanting spell And after their departure life having been violently disrupted will never be quite the same again
