

# LETTER OF RECOMMENDATION

To: (MR. or MRS ADDRESSEE)

Date: (January 1, 2010)

Scout: (SCOUT NAME)

of Boy Scout Troop 493

is a candidate for the rank of Eagle Scout. In qualifying for this award, he has completed the Scoutcraft skills and other necessary requirements leading to this highest award in Scouting. Another basic requirement is evidence of his putting into practice the principles of Scouting as determined by the Scout Oath and Law. This can best be ascertained by persons who come into contact with this young man in his daily activities at home, religious institutions and school.

Obviously the award of the Eagle Badge to a Boy Scout who knows within himself that he is not fully qualified, can do irreparable harm to the boy and completely negate the Scouting experience. Your appraisal of this young man's application of the Scouting principles in his daily life will be sincerely appreciated. The form on the reverse side of this letter has been prepared to assist you in making this appraisal of his qualifications for the Eagle Scout Award.

Please complete the reference and return it to the individual indicated below within two weeks of receipt. Thank you for your cooperation.

## THE SCOUT OATH

On my honor I will do my best  
To do my duty to God and my country  
And to obey the Scout Law;  
To help other people at all times;  
To keep myself physically strong,  
Mentally awake, and morally straight.

## THE SCOUT LAW

A Scout is:

Trustworthy	Obedient
Loyal	Cheerful
Helpful	Thrifty
Friendly	Brave
Courteous	Clean
Kind	Reverent

Free Exercise of Religion in the Liberal Polity Emily R. Gill, 2019-08-21 This book addresses the challenge of providing for the free exercise of religion without allowing religious exercise by some individuals and groups to impinge upon the conscientious convictions of others State neutrality toward religion is impossible because neutrality means inattention to religion for some but leveling the playing field through accommodations or exemptions for others Both formal and substantive neutrality have a place in addressing particular conflicts One such example is public funding for religiously affiliated social service programs for which neither type of neutrality is satisfactory and thus some restrictions are justifiable conversely private voluntary organizations that do not receive direct public funding should be allowed wide latitude regarding their practices This title also examines the expansive free exercise claims that are now made by those who argue that following the law impinges upon their beliefs as exemplified by the ministerial exception and the Hobby Lobby and Masterpiece Cakeshop Supreme Court cases It concludes by analyzing the relationship between neutrality and marriage as a civil status which impacts a variety of commitment types and plural marriage
