Darkness Falls Paul Teague, 2014-10-09 A Cold War bunker now used as a day trip destination for tourists A twin who died in mysterious circumstances A family lured to a special place at a particular time And then the darkness falls Separated from his family as the entire planet becomes surrounded by a deathly blackness Dan Tracy must figure out what's going on below ground The bunker is at the centre of a conspiracy to destroy the Earth but there's something special about Dan and his twin that could stop the terrorists dead in their tracks It's a race against time as the process of destruction has already begun Who will be left to hear Earth's final screams The Secret Bunker Darkness Falls is the first in a trilogy of books by author Paul Teague *The Secret Bunker 1* Paul Teague, 2018 *Darkness Falls* Paul Teague, 2019 A secret bunker A sinister darkness Can Dan Tracy put the pieces together before the whole world is lost On a family trip to a disused Cold War bunker Dan Tracy's family gets caught up in life threatening events which have cast a sudden and terrible darkness over the surface of the planet All known life has been put to sleep causing havoc throughout the world as planes drop from the skies vehicles career off the road and governments seem powerless to intervene 24 hours after the darkness descends the bunker undergoes a massive transformation and it emerges that the dusty old tunnels form a state of the art operations centre which has been hiding in open view for many decades but its present day purpose is unclear Dan soon realises that he and his family are part of something bigger than they could ever have imagined and the world is in perilous danger from a malevolent organisation based on earth and intent on destroying the planet Darkness Falls is the first book in a modern day sci fi dystopian thriller If you like fast paced apocalyptic action captivating characters and stories that keep you reading all night long then you'll love Paul Teague's Secret Bunker Trilogy The Secret Bunker Darkness Falls is the first in this action packed trilogy of books by author Paul Teague Buy Darkness Falls to join the fight to save humanity today What readers are saying The Secret Bunker set a quick pace towards a culmination of events with a meeting of all the main characters and left me gripped along the way It's not often I pre order the next book but I did in this case there's no way I'm missing what happens next I'm fascinated by the fact that Paul manages to provide an authentic teenage voice for his prime character all the way through Looking forward to seeing what comes in the second of the trilogy which I've already pre ordered need I say more Really enjoyed this adventure seen through the eyes of the teenage lead character his voice was so true and compelling I'm looking forward to reading the others and would rather like to go and visit the real bunker Thoroughly enjoyed this as it keeps you intrigued all the way through Must get on to part 2 now I really enjoyed this book and had a hard time putting it down I can't wait to see what happens next in book two 5 Stars I really enjoyed it the action is intense and lots of twists and turns abound until the last page is turned At the conclusion the reader is left wondering about many events that are still in progress Wow The characters are well defined plot is fantastic and the ending leaves us waiting for the next part Most highly recommended Note This book has a cliffhanger ending and is written in UK English [The Secret Bunker 1](#) Paul
