The Secret Legacy of Jesus Jeffrey J. Bütz,2009-12-21 Shows how the true teachings of Jesus were passed down through the centuries and shaped the vision of the Founding Fathers Reveals for the first time the hidden link that connects James the Brother Islam the Cathars the Knights Templar and Freemasonry Shows how the Founding Fathers used these teachings enshrined in Masonic principles to build a new nation With the success of Paul s desire to impose his vision for the Church the true teachings of Jesus as preserved by his family and disciples were forced into hiding This clandestine movement was evidenced by such early groups as the Nazarenes Ebionites

and Elkesaites but is generally thought to have died out when the Church of Paul branded these groups as heretics. However, despite the ongoing persecution by the Roman Catholic orthodoxy, this underground Jewish strain of Christianity was able to survive and resist incorporation into its more powerful rival. Jeffrey B. Tz, author of *The Brother of Jesus and the Lost Teachings of Christianity*, reveals for the first time the hidden theological link that connects James the Brother of Jesus and the Ebionites with the religion of Islam, the Cathars, the Knights Templar, and Freemasonry. In *The Secret Legacy of Jesus*, B. Tz demonstrates how this centuries-old underground stream of Christ's original teachings remained alive and how it surfaced again in Colonial America where the Founding Fathers used Masonic principles rooted in Jewish Christian teachings to establish what they believed would be a New Jerusalem. With the rise of a fundamentalist Christianity, this potent spiritual vision was lost, but B. Tz contends it can be recovered and used to bring about the reconciliation of Christians, Jews, and Muslims throughout the world.

I Married A Secret Double Agent William J. Smith, 2017-11-30 Susan Smith was a typical middle class American mother of three children working as a secretary for a major corporation, but what her husband, the narrator, and family doesn't know is she is also a secret double agent for the CIA who goes on a mission to bring in drug smugglers and terrorists, but she must leave her life behind and take her sons to complete her disguise as a single mother of two young sons, leaving her six-month-old daughter Carol Ann with her husband, leaving her husband guessing if she will ever be back and why she ran off.

CRACKING THE SPIRITUAL CODE: Unveiling The Secret For Living Life Abundantly, **The Secret Murder of Brian Jones** Richard Gilbride, 2024-12-06 Brian Jones, the founder of the Rolling Stones, was sinisterly murdered only three weeks after he was fired from the band. Allegedly drowned in the swimming pool at his Cotchford estate, corroborating witnesses said otherwise but were suppressed. With 100 photographs, *The Secret Murder of Brian Jones* reexamines the facts, personalities, and conflicting accounts related to his death. A crime investigation, it goes beyond all previous efforts, finally connecting the dots and penetrating the dark heart of rock n roll. About the Author: Richard Gilbride has written two previous true crime books about President Kennedy and has maintained a website of independent essays about the assassination for ten years. He grew up in Boston in the sixties and has played guitar for fifty years. After formal education in philosophy and chemistry, Richard opted for a career in the building trade, which has honed his problem-solving and common sense.

Hailey Walker and the Secret of the Freedom Trail E. J. Montgomery, 2011-04 Hailey Walker's predictable life of school, track, and home is about to be turned upside down when her father accepts a job that sends the whole family south for the summer. Along with her best friend Alison and the rest of the Walker family, Hailey heads to North Carolina for a summer full of horseback riding, swimming, and, oh yes, solving the Mystery of the Freedom Trail. While helping at a church yard sale, Hailey finds a notebook that was written by a dead man. It contains riddles that promise to lead to treasure. Will Hailey and her friends be able to decode the clues and find the treasure? Where is the Freedom Trail? What secrets and dangers does it hold? The story, as well as the trail, has many twists and turns. They not only find adventure but

also learn that there is more to the mystery than just a treasure much more **The Secret History of the Soul** Richard Sugg, 2014-08-11 What would Christianity be like without the soul While most people would expect the Christian bible to reveal a highly traditional opposition of matter and spirit the spirit forces of the Old and New Testaments are often surprisingly physical dynamic and practical a matter of energy as much as ethics The Secret History of the Soul examines the forgotten or suppressed models of body soul and human consciousness found in the literature philosophy and scripture of the ancient and classical worlds It shows how the spirit forces of Homer Plato Aristotle and the Old and New Testaments tended to be quantities not entities and to be closely bound up with the dynamic physical flux of the human body rather than cleanly abstracted in some absolute immaterial realm Forces such as *menos* and *thymos* *nephesh* *pneuma* and *dynamis* not only blurred the line between body and soul but were potent and transferable being used in New Testament culture to effect magical cures or bestow magical power Related to this surprising lack of body soul dualism is a lack of dualistic afterlife in either Homer or Hebrew scripture where Hades and Sheol are the sole post mortem destinations The Secret History of the Soul restores the living strangeness of a spirit world filled with potent energy and practical magic in cultures which had not yet glimpsed the abstracted soul of later Christianity **Ten Years in Wall Street** William Worthington Fowler, 1870
