Good Friday's Good News Eric W. Gritsch, 2014-07-23 This book is a collection of seven Good Friday homilies by the late Rev Dr Eric W Gritsch Due to the fact that this respected historian writer teacher and preacher rarely wrote his sermons this book of printed meditations will be a treasured addition to any library Here Gritsch captures the essence of Christian theology highlighting the concepts with his understanding of human history and human foibles The insights and wit for which this beloved teacher is known abound in this small volume In this collection the seven last words of Christ from the cross are made relevant for those in the twenty first century who live the daily experiences of their lives trying at all times to be faithful Christians Page by page the good news of Good Friday is made real [The Seven Last Words from the Cross](#) Fleming Rutledge, 2004 Heralded by congregations and peers alike as one of today s most compelling and powerful Christian voices Rutledge is also a bestselling author whose previous collections of sermons have touched readers deeply This new volume contains short readable reflections on the seven last words from the cross [The Folly of the Cross](#) Richard Viladesau, 2018 The Folly of the Cross is the fourth book in Richard Viladesau s series examining the aesthetics and theology of the cross through Christian history Previous volumes have brought the story up through the Baroque era This new book examines the reception of the message of the cross from the European Enlightenment to the turn of the twentieth century The opening chapters set the stage in the transition from the Baroque to the Classical eras describing the changing intellectual and cultural paradigms of the time Viladesau examines the theology of the cross in the eighteenth and nineteenth centuries and the aesthetic mediation of the cross in music and the visual arts He shows how in the post Enlightenment era the aesthetic treatment of the cross widely replaced the dogmatic treatment and how this thought was translated into popular spirituality piety and devotion The Folly of the Cross shows how classical theology responded to the critiques of modern science history Biblical scholarship and philosophy and how both classical and modern theology served as the occasions for new forms of representation of Christ s passion in the arts and music [The Living Church](#) , 1911

Celebrating Holy Week in a Post-Holocaust World Henry F. Knight, 2004-12-01 An ongoing issue for clergy as well as Christians in general is how to approach New Testament narratives about the crucifixion of Jesus in relation to Jews Judaism and the horrific events of the Holocaust The events of Holy Week pose particular challenges for clergy and congregations In this book Henry Knight helps us deal with Holy Week texts in light of our post Holocaust world and provides practical examples of prayers liturgies and resource material to help pastors prepare for and lead worship and teach during this important time in the life of a congregation [The Dying of Jesus](#) Owen F. Cummings, 2016-07-13 The liturgical season of Lent and Good Friday are very important for Christians as they meditate and reflect upon the dying of Jesus These are traditions that take us back to the very beginnings of the Christian tradition From early times pilgrims have made their way to the Holy Land especially Jerusalem to walk where Jesus walked and to remember his death on the cross Not everyone can

go to Jerusalem and we cannot stand at the foot of the cross of Jesus but the Stations of the Cross and the Seven Last Words may take us to Jerusalem and to Calvary imaginatively **28 Different Ways to Pray** , *Meditations Upon the Liturgical Gospels for the Minor Festivals of Christ* Edward Meyrick Goulburn,1886 *28 Different Ways to Pray* Spirituality Committee,2011 This little book aims to introduce a variety of prayer forms each one being an approach to prayer which various members of the Federal Association of the Order of Malta have found valuable The forms of prayer include centering prayer Liturgy of Hours stations of the cross and novenas *Encyclopedia of Easter Celebrations Worldwide* William D. Moore,2019-10-07 The story of the twentieth century Liturgical Movement is more than anything else about the rediscovery and renewed understanding of the fundamental reality of the Paschal Mystery and of the Paschal identity of the Church This identity is expressed and celebrated whenever the Body of Christ every member welcomes new members in the waters of baptism and feasts with them in the Eucharist especially as these are celebrated during Holy Week This book explores this rediscovery first in the Roman Catholic Church and then in the Episcopal Church and other Churches of the Anglican Communion and looks in particular at how both grassroots and official work played a role in renewing and restoring the liturgical celebrations of Holy Week *ThirdWay* ,1990-06 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture **The Scottish Guardian.
