# The Social Sources Of Denominationalism

**David A. Roozen, James R. Nieman**

## **The Social Sources Of Denominationalism:**

The Social Sources of Denominationalism Helmut Richard Niebuhr, 1954      The Social Sources of Denominationalism H. Richard Niebuhr, 1975      **The Social Sources of Denominationalism** Helmut Richard Niebuhr, 1929      **American Mainline Religion** Wade Clark Roof, William McKinney, 1987 Wade Clark Roof and William McKinney argue that a new voluntarism is slowly eroding the old social and economic boundaries that once defined and separated religious groups and is opening new cleavages along moral and life style lines Nowhere has the impact of these changes been more profoundly felt than by the often overlooked religious communities of the American center or mainline Protestant Catholic and Jewish American Mainline Religion provides a new mapping of the families of American religion and the underlying social cultural and demographic forces that will reshape American religion in the century to come Going beyond the headlines in daily newspapers Roof and McKinney document the decline of the Protestant establishment the rise of a more assimilated and public minded Roman Catholicism the place of black Protestantism and Judaism and the resurgence of conservative Protestantism as a religious and cultural force      **Protestant--Catholic--Jew** Will Herberg, 1983-10-15 The most honored discussion of American religion in mid twentieth century times is Will Herberg s Protestant Catholic Jew It spoke precisely to the mid century condition and speaks in still applicable ways to the American condition and at its best the human condition Martin E Marty from the Introduction In Protestant Catholic Jew Will Herberg has written the most fascinating essay on the religious sociology of America that has appeared in decades He has digested all the relevant historical sociological and other analytical studies but the product is no mere summary of previous findings He has made these findings the basis of a new and creative approach to the American scene It throws as much light on American society as a whole as it does on the peculiarly religious aspects of American life Mr Herberg illumines many facets of the American reality and each chapter presents surprising and yet very compelling theses about the religious life of this country Of all these perhaps the most telling is his thesis that America is not so much a melting pot as three fairly separate melting pots Reinhold Niebuhr New Yorks Times Book Review      H. Richard Niebuhr Jon Diefenthaler, 1986      **Denominationalism** Russell E. Richey, 2010-10-01 With Protestantism now experiencing a decline in growth and expansion many people are concerned about the future of denominations Church budgets are being slashed and dissident groups are increasing in number on the denominational fringe To provide a better understanding of and respect for the potentials and limitations of denominations Dr Richey presents the varying perspectives of acknowledged authorities to explain first of all what denominationalism a basic form of the American church is How did denominationalism begin what is its essence and what is the denominational pattern of the Christian church Ten articles explore these questions from different viewpoints and give alternative explanations Dr Richey provides an introduction to each of the articles calling attention to its particular contributions and divergences from other interpretations while raising important critical questions The question What is the future of

denominations cannot be answered without a more explicit understanding of the phenomenon of denominationalism The articles presented here together with their introductions represent Russell Richey s attempt to penetrate both the vagueness that surrounds denominationalism and the causes of the current malaise afflicting individual denominations **The Re-Enchantment of the West** Christopher Partridge,2005-03-04 As a book about emergent spirituality in the contemporary West it focuses on the nature evolution and significance of new forms of religion and alternative spiritualities Part One of the book provides the theoretical background and guides the reader through some of the principal debates After an overview of the secularization thesis which argues that the West is becoming increasingly disenchanted the second chapter turns to the sociological analysis of new religions and alternative spiritualities Particular attention is given to the ideas of the sociologist of religion Ernst Troeltsch especially his enigmatic analysis of the emergence mystical religion which presciently provides helpful insights into understanding the contemporary alternative religious milieu Against sociologists such as Bryan Wilson and Steve Bruce this and the subsequent chapter argues that rather than being insignificant new forms of spirituality are actually proving to be a significant part of Western re enchantment Chapter 3 constructs a general theory of the re enchantment of the West Chris Partridge argues that Western Society is permeated by a broad occulture by which he means a reservoir of ideas beliefs theories and practices to which new religions unorthodox spiritualities film and popular music all draw attention This re enchantment of the West should not be seen as a superficial secondary development in the shadow of Christianity In many ways it is a religious phenomenon in its own right Partridge s arguments in this regard are well put and I warmly welcome this timely book Mikhael Rothstein University of Copenhagen Denmark **Denominationalism**

**Illustrated and Explained** Russell E. Richey,2013-03-18 Evidence of mainstream denominational decline virtually throws itself in our faces growing religious pluralism in North America the decline over the last half century in the salience prestige power and vitality of Protestant denominational leadership slippage in mainline membership and corresponding growth vigor visibility and political prowess of conservative evangelical and fundamentalist bodies patterns of congregational independence including loosening of or removal of denominational identity particularly in signage and the related marginal loyalty of members emergence of megachurches with resources and the capacity to meet needs heretofore supplied by denominations training literature expertise growth within mainline denominations of caucuses and their alignment into broad progressive or conservative camps often with connections to similar camps in other denominations widespread suspicion of indeed hostility towards the centers and symbols of denominational identity the regional and national headquarters migration of individuals and families through various religious identities sometimes out of classic Christianity altogether Denominationalism looks doomed and is so proclaimed It may be However viewing the sweep of Anglo American history this volume suggests how much denominations and denominationalism have changed how resilient they have proved how significant these structures of religious belonging have been in providing order and direction to American society and how

such enduring purposes find ever new structural institutional expression      *Denominationalism- Its Sources and Implications* W. S. Vorster,1982      **Ford's The Modern Theologians** Rachel Muers,Ashley Cocksworth,2024-03-18

Captures the multiple voices of Christian theology in a diverse and interconnected world through in depth studies of representative figures and overviews of key movements Providing an unparalleled overview of the subject The Modern Theologians provides an indispensable guide to the diverse approaches and perspectives within Christian theology from the early twentieth century to the present Each chapter is written by a leading scholar and explores the development and trajectory of modern theology while presenting critical accounts of a broad range of relevant topics and representative thinkers The fourth edition of The Modern Theologians is fully updated to provide readers with a clear picture of the broad spectrum and core concerns of modern Christian theology worldwide It offers new perspectives on key twentieth century figures and movements from different geographical and ecclesial contexts There are expanded sections on theological dialogue with non Christian traditions and on Christian theology s engagement with the arts and sciences A new section explores theological responses to urgent global challenges such as nationalism racism and the environmental crisis Providing the next generation of theologians with the tools needed to take theological conversations forward The Modern Theologians Explores Christian theology s engagement with multiple ways of knowing across diverse approaches and traditions Combines introductions to key modern theologians and coverage of the major movements within contemporary theology Identifies common dynamics found across theologies to enable cross contextual comparisons Positions individual theologians in geographical regions trans local movements and ecclesial contexts Features new and revised chapters written by experts in particular movements topics and individuals Providing in depth critical evaluation and extensive references to further readings and research Ford s The Modern Theologians An Introduction to Christian Theology since 1918 Fourth Edition remains an ideal textbook for undergraduate and graduate courses in Theology and Religious Studies such as Introduction to Christian Theology Systematic Theology Modern Theology and Modern Theologians It is also an invaluable resource for researchers those involved in various forms of Christian ministry teachers of religious studies and general readers engaged in independent study      **The Political Crisis and Christian Ethics** Ronald H. Stone,2023-09-26 The Political Crisis and Christian Ethics addresses themes in political philosophy in the context of a crisis in democracy after the denial of the 2020 election by the Republican candidate for president The refusal to accept the results of the election divided the electorate and drove the president s followers to fail in their attempted coup attempt in January of 2020 Democracy is defended in Reinhold Niebuhr s writing on politics and in Barack Obama s use of the theologian s thought It is developed further in the political theory of Paul Tillich The themes of just peacemaking are reviewed in Paul Tillich s critique of John Foster Dulles work and in the author s critique of just peacemaking in the work of Glen Stassen Domestically the issues of race inequality ecology and healthcare are addressed from the perspective of prophetic realism The book concludes in terms of Alfred North Whitehead s

philosophy of education and religion and a vision of the good president In summary The Political Crisis and Christian Ethics is a volume of American Christian political theory in a period of overcoming the trauma of 2016 with Christian ethics and political philosophy

**Church, Identity, and Change** David A. Roozen, James R. Nieman, 2005-05-02 Since colonial days religious work in American has happened through denominations At least since the start of the twentieth century these religious bodies consisted of a fairly tight intra denominationally connected system of congregations regional judicatories and national offices This system was the product of more than two centuries of consolidation among American's historic immigrant and indigenous churches The vast majority of these structures are still in place retain some semblance of internal coherence have considerable social and religious significance and will be with us for the foreseeable future Nevertheless the stresses upon them today clearly indicate that they are entering an unsettled period of transition The purpose of this book is to examine the national structures of eight diverse Protestant denominations as a part of that shift The frame of this study is the relationship between the theological and organizational nature of national denominational structures as they adapt to the changing situation of the twenty first century

Reconciling Theology Paul Avis, 2022-02-28 In Reconciling Theology leading thinker on Anglicanism and ecumenism Paul Avis focuses on the perennial Christian issues of argument debate polemic and conflict on the one hand and dialogue search for common ground working for agreement and harmony on the other Exploring the tension and interaction between them in a range of contexts in modern theology and the Church Avis offers a rigorous but accessible vision of church which moves beyond the usual dichotomy of liberal or orthodox

*Research in the Social Scientific Study of Religion, Volume 32*, 2022-05-16 The present volume brings together scholars from all over the world in an open section and three special sections that explore how lesser heard and unheard voices may be studied Special section 1 Religion in Higher Education interrogates lived experiences of religion in higher education contexts and how certain voices are marginalised and minoritised Special section 2 Cultural Blindness in Psychology explores how culture as a lived experience especially in its religious dimension is rendered invisible in psychological science Finally special section 3 entitled Religious Authority in Practice in Contemporary Evangelical Charismatic and Pentecostal Christianity outlines evangelicalism and introduces authority as a sociological concept from various theoretical perspectives Contributors are Kusha Anand Amin Al Astewani Amarina Ashar Ariyanto Ryan T Cragun Sariya Cheruvallil Contractor Abhijit Dasgupta Al Dueck Johan Eriksson Maren Freudenber Mathew Guest Gagan Hartana Tupah Brama Stephen Heap Ralph W Hood Joevarian Hudiyana Thomas Kern Tomas Lindgren Josefa Loebell Nina Monowski Jenny Morgans Laraib Niaz Insa Pruiken Martin Radermacher Asgar Halim Rajput Victoria Redclift Sebastian Schler Kundan Singh Hannes Sonnenschein Mohammad Soltani Renani Louise Sundarajan Nicole Lee Thung Tan Xiaoqi Tang Thomas Teo Amanda tho Seeth Rachel Sing Kiat Ting Min Min Tan Nicole Wagner Paul Weller Chee Khong Yap and YueYun Aw Yong

**Strangers in This Land** E. Allen Richardson, 2014-01-10 This updated revised version of the important 1988 first edition must reading for anyone seriously probing religious pluralism in

our society Theology Today examines the complex relationship between American ideals and increasing religious diversity In the past two decades American religion has become more pluralistic and the central dynamic of welcoming versus rejecting religious diversity is even more prominent and nuanced Explored here are two competing visions of the American Dream as it relates to religion America as a pluralistic society shaped by its diversity and America as an assimilative society in which people of all backgrounds become American **Politics and Religious Consciousness in America** Kelly,1984

Rediscovering the Religious Factor in American Politics David C. Leeger, Lyman A. Kellstedt, 2016-09-16 This text addresses whether and how religion and religious institutions affect American politics For some time analysts have argued that the conflicts of the New Deal era rendered cultural differences trivial and placed economic interests at the top of the political agenda The authors and their collaborators John C Green James L Guth Ted G Jelen Corwin E Smidt Kenneth D Wald Michael R Welch and Clyde Wilcox disagree They find that religious worldviews are still insinuated in American political institutions and religious institutions still are points of reference The book profits from the new religiosity measures employed in the 1990 National Election Studies Part 1 discusses the study of religion in the context of politics Part II examines religion as a source of group orientation Part III takes up religious practices and their political ramifications Part IV does the same for doctrinal and worldview considerations Part V explores the sources of religious socialisation In conclusion Part VI reviews the research on religion and political behaviour and looks ahead to where work should proceed

**Excavating Mormon Pasts** Newell C. Bringhurst, Lavina Fielding Anderson, 2004-08-31 Winner of the Special Book Award from the John Whitmer Historical Association Excavating Mormon Pasts assembles sixteen knowledgeable scholars from both LDS and the Community of Christ traditions who have long participated skillfully in this dialogue It presents their insightful and sometimes incisive surveys of where the New Mormon History has come from and which fields remain unexplored It is both a vital reference work and a stimulating picture of the New Mormon History in the early twenty first century **The Liberating Spirit** Eldin Villafane, 2021-03-23 This book takes a giant step both in theology and in social ethics It forces theologians to examine the worship and spirituality of Hispanic Pentecostals as a source of theological construction and pushes the Pentecostals themselves to see the broader social implications of their own faith expressions With both Hispanic peoples and Pentecostals forming a larger and larger portion of the American cultural and religious reality this is a vital book indeed an indispensable one for any person knowledgeable about our society to read and ponder Harvey Cox Harvard Divinity School Here is a pioneering book Villafane works a synthesis of the cultural and the spiritual and celebrates the capacity of Pentecostalism to appeal to Hispanic Americans The time is ripe for this important book which delves into the very passion of the human heart and offers an ethic of hope and liberation It should be read by anyone interested in the spiritual condition of Hispanics in a pluralistic society Jesse Miranda Azusa Pacific University The Liberating Spirit should be required reading for anyone interested in the study of social ethics Pentecostal theology or Hispanic

American theology Dr Villafane has broken the long standing bifurcation of the profane and the sacred so often associated with Pentecostal theology The Liberating Spirit introduces us to a new and liberating way of being Christians led by the spirit in the modern world Samuel Solivan Andover Newton Theological School Fully aware of the pitfalls and promises of oral theology Villafane approaches his topic from inside an Hispanic Pentecostal understanding of the Spirit vividly describing the pains and joys of an Hispanic Pentecostal in the United States After reading this book it is impossible to paint the whole Pentecostal movement with the brush of right wing theological and political conservatism Walter Hollenweger University of Birmingham England

The Top Books of the Year The Social Sources Of Denominationalism The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have charmed audiences this year. The Social Sources Of Denominationalism : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. The Social Sources Of Denominationalism : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
