Fried, Loretta Ross, Elena Gutiérrez**

The Story Of Jane The Legendary Underground Feminist Abortion Service:

The Story of Jane Laura Kaplan, 2019-03-13 An extraordinary history by one of its members this is the first account of Jane's evolution the conflicts within the group and the impact its work had both on the women it helped and the members themselves This book stands as a compelling testament to a woman's most essential freedom control over her own body and to the power of women helping women *Breaking the Wave: Women, Their Organizations, and Feminism, 1945-1985*

Kathleen A. Laughlin, Jacqueline Castledine, 2012-12-06 Breaking the Wave is the first anthology of original essays by both younger and established scholars that takes a long view of feminist activism by systematically examining the dynamics of movement persistence during moments of reaction and backlash Ranging from the civic feminism of white middle class organizers and the womanism of Harlem consumers in the immediate postwar period to the utopian feminism of Massachusetts lesbian softball league founders and environmentally minded feminists in the 1970s and 1980s Breaking the Wave documents a continuity of activism in both national and local organizing that creates a new discussion and a new paradigm for twentieth century women's history Contributors Jacqueline L Castledine Susan K Freeman Julie A Gallagher Marcia Gallo Sally J Kenney Rebecca M Kluchin Kathleen A Laughlin Lanethea Mathews Catherine E Rymph Julia Sandy Bailey Jennifer A Stevens Janet Weaver and Leandra Zarnow **The World the Sixties Made** Van Gosse, Richard R.

Moser, 2008 How can we make sense of the fact that after decades of right wing political mobilizing the major social changes wrought by the Sixties are more than ever part of American life The World the Sixties Made the first academic collection to treat the last quarter of the twentieth century as a distinct period of U S history rebuts popular accounts that emphasize a conservative ascendancy The essays in this volume survey a vast historical terrain to tease out the meaning of the not so long ago They trace the ways in which recent U S culture and politics continue to be shaped by the legacy of the New Left's social movements from feminism to gay liberation to black power Together these essays demonstrate that the America that emerged in the 1970s was a nation profoundly even radically democratized **The Oxford Handbook of Midwestern History**

Jon Lauck, 2025 The Midwest region holds a pivotal place in the tapestry of American history The Oxford Handbook of Midwestern History delves into this rich heritage with chapters on topics ranging from the early Native American and French Midwest to the impact of the Northwest Ordinance and the Great Lakes the emergence of Midwest regional consciousness after the Civil War and the role of the Midwest's natural resources in the region's economic success and later decline It presents the newest research on race ethnicity culture politics and economic development It also considers the role of religion organized labor the presence of a diverse population of Germans Irish Dutch and Latinos and the influence of sports nostalgia populism and isolationism This handbook moves beyond the examination of traditional topics in Midwestern history to provide significant attention to matters such as architecture literary realism visual culture and constitutionalism This treatment of Midwestern history marks a major turn towards the history of the American interior In many ways The

Oxford Handbook of Midwestern History marks the coming of age of what scholars and commentators are calling the New Midwestern History

Fierce Desires Rebecca L. Davis, 2024-09-03 One of the New Yorker's Best Books of 2024 A Washington Post Notable Book of 2024 A Kirkus Reviews Best Book of 2024 A 2025 finalist for the Lambda Literary Lammy Award in LGBTQ nonfiction From an esteemed scholar a richly textured authoritative history of sex and sexuality in America the first major account in three decades Our era is one of sexual upheaval Roe v Wade was overturned in the summer of 2022 school systems across the country are banning books with LGBTQ themes and the notion of a tradwife is gaining adherents on the right while polyamory wins converts on the left It may seem as though debates over sex are more intense than ever but as acclaimed historian Rebecca L Davis demonstrates in *Fierce Desires* we should not be too surprised because Americans have been arguing over which kinds of sex are acceptable and which are not since before the founding itself From the public floggings of fornicators in early New England to passionate same sex love affairs in the 1800s and the crackdown on abortion providers in the 1870s and from the movements for sexual liberation to the recent restrictions on access to gender affirming care Davis presents a sweeping engrossing illuminating four hundred year account of this nation's sexual past Drawing on a wealth of sources including legal records erotica and eighteenth century romance novels she recasts important episodes Anthony Comstock's crusade against smut among them and at the same time unearths stories of little remembered pioneers and iconoclasts such as an indentured servant in colonial Virginia named Thomas Thomasine Hall Gay Liberation Front cofounder Kiyoshi Kuromiya and postwar female pleasure activist Betty Dodson At the heart of the book is Davis's argument that the concept of sexual identity is relatively novel first appearing in the nineteenth century Over the centuries Americans have shifted from understanding sexual behaviors as reflections of personal preferences or values such as those rooted in faith or culture to defining sexuality as an essential part of what makes a person who they are And at every step legislators police activists and bureaucrats attempted to regulate new sexual behaviors transforming government in the process The most comprehensive account of America's sexual past since John D Emilio and Estelle Freedman's 1988 classic *Intimate Matters* Davis's magisterial work seeks to help us understand the turmoil of the present It demonstrates how fiercely we have always valued our desires and how far we are willing to go to defend them

New Handbook for a Post-Roe America Robin Marty, 2021-03-30 A completely new edition of Robin Marty's bestselling manual on what to do now that Roe v Wade has been overturned The *New Handbook for a Post Roe America* is a comprehensive and user friendly manual for understanding and preparing for the looming changes to reproductive rights law and getting the health care you need Activist and writer Robin Marty guides readers through various worst case scenarios of a post Roe America and offers ways to fight back including how to acquire financial support how to use existing networks and create new ones and how to when required work outside existing legal systems She details how to plan for your own emergencies how to start organizing now what to know about self managed abortion care with pills and or herbs and how to avoid surveillance The only

guidebook of its kind The New Handbook for a Post Roe America includes new chapters that cover the needs and tools available for pregnant people across the country This new edition features extensively updated information on abortion legality and access in the United States and approximately one hundred pages of new content covering such topics as independent alternatives to Planned Parenthood auntie networks taxpayer funded abortions and using social media wisely in the age of surveillance

Reproductive Rights as Human Rights Zakiya Luna,2020-09-01 Reveals both the promise and the pitfalls associated with a human rights approach to the women of color focused reproductive rights activism of SisterSong How did reproductive justice defined as the right to have children to not have children and to parent become recognized as a human rights issue In Reproductive Rights as Human Rights Zakiya Luna highlights the often forgotten activism of women of color who are largely responsible for creating what we now know as the modern day reproductive justice movement Focusing on SisterSong an intersectional reproductive justice organization Luna shows how and why women of color mobilized around reproductive rights in the domestic arena She examines their key role in re framing reproductive rights as human rights raising this set of issues as a priority in the United States a country hostile to the concept of human rights at home An indispensable read Reproductive Rights as Human Rights provides a much needed intersectional perspective on the modern day reproductive justice movement

Harvard Law Review: Volume 131, Number 6 - April 2018 Harvard Law Review,2018-04-08

Radical Sisters Anne M. Valk,2024-03-18 Radical Sisters offers a fresh exploration of the ways that 1960s political movements shaped local grassroots feminism in Washington D C Rejecting notions of a universal sisterhood Anne M Valk argues that activists periodically worked to bridge differences for the sake of alleviating women s plight even while maintaining distinct political bases While most historiography on the subject tends to portray the feminist movement as deeply divided over issues of race Valk presents a more nuanced account showing feminists of various backgrounds both coming together to promote a notion of sisterhood and being deeply divided along the lines of class race and sexuality

Reproduction Reconceived Sara Matthiesen,2021-10-26 The landmark case Roe v Wade helped cement a redefinition of family it is now commonplace for Americans to treat having children as a choice But the historic decision coincided with what would become a decades long trend of widening inequality ensuring that many families still struggle to obtain even basic necessities Reproduction Reconceived examines how family making actually became harder after the arrival of choice as different families confronted incarceration for profit and racist medical care disease poverty and a welfare state in retreat Drawing on diverse archival sources and interviews Sara Matthiesen illustrates how the last fifty years of state neglect have ensured that for most families meaningful choice is nowhere to be found

Handbook for a Post-Roe America Robin Marty,2019-01-15 The end of Roe v Wade is coming How will you prepare Handbook for a Post Roe America is a comprehensive and user friendly manual for understanding and preparing for the looming changes to reproductive rights law and getting the healthcare you need by any means necessary Activist and writer

Robin Marty guides readers through various worst case scenarios of a post Roe America and offers ways to fight back including how to acquire financial support how to use existing networks and create new ones and how to when required work outside existing legal systems She details how to plan for your own emergencies how to start organizing now what to know about self managed abortion care with pills and or herbs and how to avoid surveillance The only guidebook of its kind Handbook for a Post Roe America includes an extensive detailed resource guide for all pregnant people whether cis trans or non binary of clinics action groups abortion funds and practical support groups in each state so wherever you live you can get involved With a newly right wing Supreme Court and a Republican Senate Roe is under threat Robin Marty observes When we say abortion will be illegal in half the states in the nation we are no longer talking about some hypothetical future we are talking about just years down the road We have to act now to secure what access remains shore up the networks supporting those who need care and decide what risks we are willing to take to ensure that any person who wants a termination can still end that pregnancy with or without the government s permission Organising for Change Silke Roth,Clare Saunders,2025-02-11 Based on decades of research this book explores global social change processes through the concepts of social change organisations SCOs and social change makers SCMs the individuals working within and alongside SCOs The book delves into a vast array of compelling social justice issues from tackling inequality to championing human rights bridging the realms of social movement and third sector research Inspiring and empowering this is essential reading for scholars students NGOs and activists alike The Estrogen Elixir Elizabeth Siegel Watkins,2007-04-16 In the first complete history of hormone replacement therapy HRT Elizabeth Siegel Watkins illuminates the complex and changing relationship between the medical treatment of menopause and cultural conceptions of aging Describing the development spread and shifting role of HRT in America from the early twentieth century to the present Watkins explores how the interplay between science and society shaped the dissemination and reception of HRT and how the medicalization and subsequent efforts toward the demedicalization of menopause and aging affected the role of estrogen as a medical therapy Telling the story from multiple perspectives physicians pharmaceutical manufacturers government regulators feminist health activists and the media as well as women as patients and consumers she reveals the striking parallels between estrogen s history as a medical therapy and broad shifts in the role of medicine in an aging society Today information about HRT is almost always accompanied by a laundry list of health risks While physicians and pharmaceutical companies have striven to develop the safest possible treatment for the symptoms of menopause and aging many specialists question whether HRT should be prescribed at all Drawing from a wide range of scholarly research archival records and interviews The Estrogen Elixir provides valuable historical context for one of the most pressing debates in contemporary medicine Teaching to Transcend Cheryl L. Sattler,2000-07-27 Teaching to Transcend explores a particular kind of safe space for the education of women domestic violence shelters Women in shelters are literally taught concepts from self worth to financial management

parenting and feminist values of equality and rights They also learn more subtly through counseling interaction and affirmation of their own stories and survival The ways in which women in shelters are educated are based upon the concepts of feminist pedagogy such as intent listening empowering voice and radical social action Teaching to Transcend expands both the concept of feminist spaces and feminist pedagogy and our understanding of the connections between education and politics particularly the political economy of social knowledge and non school based education spaces

Re-reading Jose Martí (1853-1895) Julio Rodriguez-Luis, 1999-06-24 Re evaluates Jose Marti s contribution to Latin America s literature and political evolution

The Moral Property of Women Linda Gordon, 2002-09-15 Now in paperback The Moral Property of Women is a thoroughly updated and revised version of the award winning historian Linda Gordon s classic study Woman s Body Woman s Right 1976 It is the only book to cover the entire history of the intense controversies about reproductive rights that have raged in the United States for more than 150 years Arguing that reproduction control has always been central to women s status Gordon shows how opposition to it has long been part of the entrenched opposition to gender equality

Undivided Rights Jael Silliman, Marlene Gerber Fried, Loretta Ross, Elena Gutiérrez, 2016-04-18 Undivided Rights captures the evolving and largely unknown activist history of women of color organizing for reproductive justice on their own behalf Undivided Rights presents a textured understanding of the reproductive rights movement by placing the experiences priorities and activism of women of color in the foreground Using historical research original organizational case studies and personal interviews the authors illuminate how women of color have led the fight to control their own bodies and reproductive destinies Undivided Rights shows how women of color starting within their own Latina African American Native American and Asian American communities have resisted coercion of their reproductive abilities Projected against the backdrop of the mainstream pro choice movement and radical right agendas these dynamic case studies feature the groundbreaking work being done by health and reproductive rights organizations led by women of color The book details how and why these women have defined and implemented expansive reproductive health agendas that reject legalistic remedies and seek instead to address the wider needs of their communities It stresses the urgency for innovative strategies that push beyond the traditional base and goals of the mainstream pro choice movement strategies that are broadly inclusive while being specific strategies that speak to all women by speaking to each woman While the authors raise tough questions about inclusion identity politics and the future of women s organizing they also offer a way out of the limiting focus on choice Undivided Rights articulates a holistic vision for reproductive freedom It refuses to allow our human rights to be divvied up and parceled out into isolated boxes that people are then forced to pick and choose among

All You Have to Do Is Call Kerri Maher, 2024-08-27 A powerful thought provoking novel not only important and timely but deeply humanizing Good Morning America Remarkable The Washington Post Powerful Dramatic Insightful It s not only a timely novel but storytelling at its finest a must read NPR An NPR Books We Love selection for 2023 A gripping and uplifting novel based on the true

story of the Jane Collective and the brave women who worked in the shadows for our right to choose from the USA Today bestselling author of *The Paris Bookseller* Chicago early 1970s Who does a woman call when she needs help Jane The best known secret in the city Jane is an underground health clinic composed entirely of women helping women empowering them to embrace their futures by offering reproductive counseling and safe illegal abortions Veronica Jane's founder prides herself on the services she has provided to thousands of women yet the price of others' freedom is that she leads a double life When she's not at Jane Veronica plays the role of a conventional housewife a juggling act that becomes even more difficult during her own high risk pregnancy Two more women in Veronica's neighborhood are grappling with similar disconnects Margaret a young professor at the University of Chicago secretly volunteers at Jane as she falls in love with a man whose attitude toward his ex wife increasingly disturbs her Patty who's long been content as a devoted wife and mother has begun to sense that something essential is missing from her life When her runaway younger sister Eliza shows up unexpectedly Patty must come to terms with what it really means to love and support a sister In this historic moment when the personal was nothing if not political Veronica Margaret and Patty risk it all to help mothers daughters sisters and friends With an awe inspiring story and appealing characters *All You Have to Do Is Call* celebrates the power of women coming together in the face of seemingly insurmountable odds

Companion to Women's and Gender Studies Nancy A. Naples, 2020-06-08 A comprehensive overview of the interdisciplinary field of Women's and Gender Studies featuring original contributions from leading experts from around the world The *Companion to Women's and Gender Studies* is a comprehensive resource for students and scholars alike exploring the central concepts theories themes debates and events in this dynamic field Contributions from leading scholars and researchers cover a wide range of topics while providing diverse international postcolonial intersectional and interdisciplinary insights In depth yet accessible chapters discuss the social construction and reproduction of gender and inequalities in various cultural social economic and political contexts Thematically organized chapters explore the development of Women's and Gender Studies as an academic discipline changes in the field research directions and significant scholarship in specific interrelated disciplines such as science health psychology and economics Original essays offer fresh perspectives on the mechanisms by which gender intersects with other systems of power and privilege the relation of androcentric approaches to science and gender bias in research how feminist activists use media to challenge misrepresentations and inequalities disparity between men and women in the labor market how social movements continue to change Women's and Gender Studies and more Filling a significant gap in contemporary literature in the field this volume Features a broad interdisciplinary and international range of essays Engages with both individual and collective approaches to agency and resistance Addresses topics of intense current interest and debate such as transgender movements gender based violence and gender discrimination policy Includes an overview of shifts in naming theoretical approaches and central topics in contemporary Women's and Gender Studies *Companion to Women's and Gender Studies* is an ideal text for

instructors teaching courses in gender sexuality and feminist studies or related disciplines such as psychology history education political science sociology and cultural studies as well as practitioners and policy makers working on issues related to gender and sexuality Ourselves Unborn Sara Dubow, 2010-12-15 During the past several decades the fetus has been diversely represented in political debates medical textbooks and journals personal memoirs and autobiographies museum exhibits and mass media and civil and criminal law Ourselves Unborn argues that the meanings people attribute to the fetus are not based simply on biological fact or theological truth but are in fact strongly influenced by competing definitions of personhood and identity beliefs about knowledge and authority and assumptions about gender roles and sexuality In addition these meanings can be shaped by dramatic historical change over the course of the twentieth century medical and technological changes made fetal development more comprehensible while political and social changes made the fetus a subject of public controversy Moreover since the late nineteenth century questions about how fetal life develops and should be valued have frequently intersected with debates about the authority of science and religion and the relationship between the individual and society In examining the contested history of fetal meanings Sara Dubow brings a fresh perspective to these vital debates

Unveiling the Energy of Verbal Art: An Emotional Sojourn through **The Story Of Jane The Legendary Underground Feminist Abortion Service**
