The Street Smart Psychics Guide To Getting A Good Reading:

The Street-Smart Psychic's Guide to Getting a Good Reading Lisa Barretta, 2009 What's the dish on getting a fabulous psychic reading Who better to ask than the Street Smart Psychic Lisa Barretta offers insider advice from the other side of the tarot cards crystal ball and tea leaves Sassy candid and spot on Lisa Barretta's guidance will help you choose the psychic that's right for you astrologer medium tarot reader or phone line psychic and steer clear of charlatans True stories from Barretta's colorful career as a psychic reader reveal what to do and what not to do to build rapport with your psychic and get the best possible reading A great guide to help you make a discerning choice when you're seeking someone to weigh in on your what's next Debbie Nigro author and New York radio talk show host **Tea Leaf Reading for Beginners** Caroline Dow, 2011 Indulge in the age old custom of reading tea leaves **God's Reflections** Ronald Ian Phillips, Ernest Schmidt, David Grotzke, Seth Grotzke, 2022-04-07 Using a unique and ground breaking approach that combines religion with American history these four authors masterfully present a thoroughly researched and captivating account of fifty two inspirational stories of America's exceptionalism intricately woven with God's truths Each story connects the life giving honesty of the American people with a life shaping application from the gospel Individuals interested in the history of the United States or Christianity and looking for an overarching account of what unites us as Americans and believers will be enthralled by these inspiring stories of struggles and triumphs We are not the light just the reflection if we stand close enough to the Source The further we move away from God's will for our lives the more we stumble in the dark But as believers we know there is an all powerful force that will lift us up and help us to walk in the light The goal of God's Reflections Biblical Insight from America's Story is to draw Christians closer to the light source so they can radiate brighter in their service to God and their country and be part of the greatest rescue mission of all making disciples for Jesus Christ *Teaching the I Ching (Book of Changes)* Geoffrey Redmond, Tze-Ki Hon, 2014-09-01 Chinese traditional culture cannot be understood without some familiarity with the I Ching yet it is one of the most difficult of the world's ancient classics Assembled from fragments with many obscure allusions it was the subject of ingenious but often conflicting interpretations over nearly three thousand years Teaching the I Ching Book of Changes offers a comprehensive study at a time when interest in Asian philosophy and the culture of China is on the rise Still widely read in China it has become a countercultural classic in the West Recent scholarship has radically altered our understanding of this foundational work Geoffrey Redmond and Tze Ki Hon present an up to date survey of recent studies including reconstruction of the early meanings excavated manuscripts the New Culture Movement and the Cultural Revolution To facilitate introducing the classic to students the necessary background is provided for university teachers and students even non China specialists The teaching approaches described will foreground the otherness of the classic yet engage the interests of twenty first century students Rather than dismissing the text's popular association with divination they explain why this mode of human thought has persisted for millennia Thus Redmond and Hon mediate between the two

extreme views of the classic a source of timeless ancient wisdom on the one hand and a historical curiosity on the other Teaching the I Ching Book of Changes makes this important classic accessible to a broad readership thus providing a crucial service for those interested in China early civilization and world religion Now anyone with a serious interest can understand a text that continues to have a decisive influence on Chinese and world culture three thousand years after its original composition

The Book of Transformation Lisa Barretta,2012-05-22 We live in a universe of infinite possibilities Right now a wave of frequency is lifting the veil and opening the portal for us to experience a higher consciousness We are evolving into the lighter more sentient psychic and authentic existence for which we were originally designed We have the ability to transcend the limits of the time space paradigm and go through a transformation that will redefine reality itself The Book of Transformation guides you through the phases of your awakening and shows you what you can expect as you evolve into a world defined by frequency and light In this revolutionary book you will Discover how to successfully hack into the nonverbal universal language of synchronicities and number patterns See how the Indigo Crystal and Rainbow Children are the precursors to our evolutionary upgrade Understand how the chakra centers are the hub for your extrasensory psychic system Recognize that birthmarks are signs of past life traumas Learn how to prepare yourself to welcome visitors from other star systems
