The Scarlet Gospels:

The Scarlet Gospels Clive Barker, 2015-05-21 The Scarlet Gospels takes readers back to the early days of two of Clive Barker's most iconic characters in a battle of good and evil as old as time. The gates to Hell are open and something beckons. The last of Earth's magicians are living in fear. A Cenobite Hell Priest known as Pinhead is killing them off, gorging on their knowledge to enhance his own magical powers as part of a quest to take over Hell. Meanwhile, Private Investigator Harry D'Amour is fulfilling the final wishes of the dead who communicate with his business associate, the blind medium Norma Paine. But while investigating one such case, Harry inadvertently opens up a portal between Hell and Earth. When Harry's nemesis Pinhead emerges through the portal, a vicious battle ensues. After failing to enlist Harry to pen his Scarlet Gospels, the epistles chronicling the Hell Priest's grand coup, Pinhead instead captures Norma. Harry realizes he must go through Hell literally to save her.

The Scarlet Gospels (Deluxe Edition) Clive Barker, 2015-09 *The Fearing: Water & Wind - Book Two* John F D Taff, 2021-12-03 John F D Taff's epic apocalypse of terror The Fearing continues in Book Two, Water Wind, when a group of battle-worn seniors pick up the pieces of their ravaged lives and grapple with survival after the end of the world. And for the first time, they begin to notice an ominous pattern in the deluge of fears now roaming the earth. Teenagers Kyle, Sarah, and Carli sift through the devastation of their lost lives to find anything resembling hope for a future. But when Carli goes missing, the stakes get higher as the search for her takes a diabolical turn. And the enigmatic Adam retains his tight-fisted grip on his submissive minion Jel'nik as a series of unspeakable horrors follow in their wake as the two men travel west toward their dark destiny. Praise for John F D Taff and The Fearing: Apocalyptic Thriller Series. The Fearing isn't only John F D Taff's best book to date; it's the kind you put on the shelf reserved for the ones that really did something to you emotionally, intellectually, physically. A modern master at play. Josh Malerman, Bram Stoker Award-nominated author of the New York Times bestselling Bird Box. Of the current breed of authors riding the wave of digital liberation, John Taff is a standout talent. Literary, affecting, chilling, and indicative of that old-school mentality meets new-school daring. Kealan Patrick Burke, Bram Stoker Award-winning author of The Turtle Boy, Kin, and Jack Jill. John F D Taff has rapidly become one of my favorite writers in the horror genre. His horror is grounded in our day-to-day lives, in our families, our work, our most private thoughts. His stories vibrate with emotion and life, and his prose is cathartic, deeply satisfying, like popping the bubbles in bubble wrap. Ray Garton, Grand Master of Horror and author of Live Girls and Ravenous. Proudly presented by Grey Matter Press, the multiple Bram Stoker Award-nominated independent publisher. Cowan,2022-05-17 Throughout history the religious imagination has attempted to control nothing so much as our bodies what they are and what they mean what we do with them with whom and under what circumstances how they may be displayed or more commonly how they must be hidden Religious belief and mandate affect how our bodies are used in ritual practice as well as how we use them to identify and marginalize threatening religious Others This book examines how horror culture treats religious bodies that have stepped or been pushed out of their proper place Unlike most books on religion and horror This book explores the dark spaces where sex sexual representation and the sexual body come together with religious belief and scary stories Because these intersections of sex horror and the religious imagination force us to question the nature of consensus reality supernatural horror especially as it concerns the body often shows us the religious imagination at work in real time It is important to note that the discussion in this book is not limited either to horror cinema or to popular fiction but considers a wide range of material including literary horror weird fiction graphic storytelling visual arts participative culture and aspects of real world religious fear It is less concerned with horror as a genre which is mainly a function of marketing and more with the horror mode a way of storytelling that finds expression across a number of genres a variety of media and even blurs the boundary between fiction and non fiction This expanded focus not only deepens the pool of potential examples but invites a much broader readership in for a swim **The Fearing: Fire & Rain - Book One** John

The Gospel According to Peter Walter Richard Cassels, 1894 Walter Richard Cassels superb explanation of the Gospel of Peter remains one of the best evaluations yet committed to paper This edition includes Cassel s original notes The original manuscript was discovered in Egypt in the late 19th century by French archaeologist Urbain Bouriant in a monk s grave which showed signs of a dignified burial The unearthing of a new document dating to the time of the New Testament caused a sensation among theologians who eagerly awaited its initial publication in 1892 Two years after The Gospel of Peter first appeared W R Cassels published this translation with a close reading and analysis The controversial elements among them Pontius Pilate being exonerated of condemning Jesus to death are discussed along with the unusually detailed descriptions of Jesus crucifixion and resurrection Cassels also makes comparative analyses of this document with the

canonical gospels of Matthew Mark Luke and John In the modern day the Gospel of Peter is considered by scholars to apocryphal the name it bears is likely not the true composer However given that it is referenced by the historian Eusebius it is likely that the paper dates to around the mid to late 2nd century The work s origins and its exact relation to the other Gospels of the New Testament remain a mystery and a source of fascination for Biblical scholars
