**The Seabound Coast** William Johnston, William G.P. Rawling, Richard H. Gimblett, John MacFarlane, 2011-01-14 Based on extensive archival research it traces the story of the navy from its beginnings as Lauriers tinpot navy and includes the interwar years *RCN in Retrospect, 1910-1968* James A. Boutilier, 2011-11-01 This tribute to a proud service surveys the history of the Royal Canadian Navy from its inception in 1910 to its demise in 1968 Although established as a declaration of Canada's independence from the imperial fleet the RCN was the child of the Royal Navy Its first ships were RN cast offs and for the next forty years officers trained in the British fleet their big ship time From these modest beginnings the book deals with such related issues as the problem of imperial defense the development of a naval service with a Canadian identity and the evolution of a Canadian naval engineering capacity Expanding dramatically during World War II the RCN gave convoy protection which proved crucial to the Allied victory at sea New documentation on Canada's role in the Battle of the Atlantic highlights such critical factors as the contribution of radio intelligence to anti submarine warfare against the deadly German wolfpacks the wartime operational relationship of the RCN to the Royal Navy and the United States Navy and the heroic role of Canadian sailors who served under fire Demobilization and the paying off of ships marked the postwar decline of the RCN This decline was intensified by a series of mutinies which demonstrated the need for a less rigid more democratic relationship between officers and ratings Despite these difficulties the RCN served effectively in coastal operations during the Korean War and in the establishment of Canada's presence in the Arctic The last chapter records the reaction of the RCN's senior officers to government policy during the Unification Crisis of the 1960s and their unsuccessful attempts to maintain the independent identity of the RCN It is ironic that on the eve of achieving its greatest measure of autonomy the RCN was overwhelmed by the forces of nationalism the same force which had

acted as a catalyst in its formation Originally presented in 1980 at a conference on the history of the RCN the papers in this book range from the first hand recollections of ex RCN personnel to the examination of previously classified documents from German and Allied archives The RCN in Retrospect will serve to introduce many to Canada s naval heritage and will provide valuable new insights to all readers with an interest in naval history and lore [The Year's Best Military & Adventure SF 2015](#) David Ashfarirad,2016-06-07 The year s best military SF space opera and adventure SF stories The second of a new series featuring the best stories of the year from the top magazines and online venues with a military and adventure science fiction theme The new Golden Age of short science fiction has arrived Selected from the premier print and online markets in the field here are stories to challenge provoke thrill and entertain Stories of future military men and women space opera on a grand scale and edge of your seat adventure science fiction in the grand pulp tradition The second volume in an on going series The Year s Best Military and Adventure Science Fiction features stories by giants of the genre and the hottest new voices Plus you be the judge INTERACTIVE READER VOTING One story from this anthology will be chosen via proctored online voting for The Best Military and Adventure Science Fiction Reader s Choice Award presented at DragonCon in Summer 2016 For more information go to Baen com At the publisher s request this title is sold without DRM Digital Rights Management About The Year s Best Military and Adventure Science Fiction 2015 Baen s fan guided anthology series roars into its second year with a collection of stories just as eclectic as the first Afsharirad has put together a refreshing military and SF anthology that will be enjoyed by a wide range of readers Publishers Weekly starred review About The Year s Best Military SF and Space Opera Volume 1 This intriguing anthology explores the human race s violent potential but also bends toward exploration and the triumph of the human spirit with brave tales that take the reader on a fascinating thought provoking enjoyable journey Publishers Weekly starred review A nice eclectic mix of magazines hardcopy and digital and original anthologies Afsharirad seems to have cast his nets admirably wide The variety of styles and topics and themes and the high level of craft in this assemblage prove that this subgenre is flourishing The collection should be welcome by raw recruits and veterans alike Locus [Becoming a No-Fail Mission: The Origins of Search and Rescue in Canada](#) James Pierotti,2018-09-27 The Royal Canadian Air Force s RCAF s involvement with the search and rescue SAR mandate in Canada dates to 1947 The RCAF s Air Sea Rescue predecessor capability from the Second World War dates back to 1942 How and why did the RCAF become involved with both of those capabilities and is there historical rationale for the continued involvement of the RCAF in the domestic SAR service today Amplified with operational examples of the rescue system in action this previously untold history aims to describe the origins of SAR history in Canada and to further the debate on the continued use of military resources for domestic responsibilities [Betrayed](#) Richard O.
