The Secret Of Cct English Edition:

Life, Death, and Growing Up on the Western Front Anthony Fletcher, 2013-10-28 This book was inspired by the author's discovery of an extraordinary cache of letters from a soldier who was killed on the Western Front during the First World War. The soldier was his grandfather and the letters had been tucked away unread and unmentioned for many decades. Intrigued by the heartbreak and history of these family letters, Fletcher sought out the correspondence of other British soldiers who had volunteered for the fight against Germany. This resulting volume offers a vivid account of the physical and emotional experiences of seventeen British soldiers whose letters survive. Drawn from different regiments, social backgrounds, and areas of England and Scotland, they include twelve officers and five ordinary Tommies. The book explores the training journey to France, fear, shellshock, and life in the trenches, as well as the leisure, love, and home leave the soldiers dreamed of. Fletcher discusses the psychological responses of 17 and 18 year old men facing appalling realities and considers the particular pressures on those who survived their fallen comrades. While acknowledging the horror and futility the soldiers of the Great War experienced, the author shows another side to the story, focusing new attention on the loyal comradeship, robust humor, and strong morale that uplifted the men at the Front and created a powerful bond among them. *U.S. Air Force Special Tactics* Combat Control School Heritage Foundation, 2022-11-08 The CCT The Eye of the Storm series chronicles the exploits of Air Force Special Warfare Combat Control Teams (CCT). It is told in the form of short stories, many etched by a cocktail of blood, sweat, and tears. The Combat Control story began in the de facto Volume I with the appearance of the first CCTs, i.e., command and control teams cobbled together by the WWII U.S. Army Air Force (USAAF) for Operation Varsity. The CCT story continued in Volume II, detailing the 21st Century fight in the Global War on Terrorism (GWOT). Included are two humanitarian missions, operations of epic proportion in Haiti and Japan. In this third volume, subtitled Medal of Honor (MOH), the CCT story is expanded, incorporating the two previously self-published volumes and adding hundreds of new stories from around the globe. But with a concentration on operations in southwest Asia, including Afghanistan, now America's longest war. This volume is an all-inclusive compilation presented as a single premium publication. The diversity of feature stories, subjects, and styles present a well-rounded, unbiased look at the CCT's view at the eye of the storm. Each published PA reporter and volunteer contributor has a byline in the book. Thanks to all for their remarkable journalistic work. The book is expected to engage a wider-ranging audience of American and allied military elements, families, historians, and enthusiasts. More importantly, Medal of Honor celebrates the first ever award of the Air Force Medal of Honor to a Combat Control patriot and hero. On April 20, 2018, after more than fifteen years of technical review and Air Staff deliberation, the Medal of Honor for TSgt John Chapman was approved by President Donald Trump. The MOH award ceremonies and associated events are covered in detail near the end of this book. In preparing CCT The Eye of the Storm Medal of Honor, the goal was to collect stories from hundreds of sources written by an even larger band of vetted professionals selected to observe, record, and report.
