Medinet Habu Temple one of the most completely preserved temples of Egypt and the great Papyrus Harris the largest 133 feet long and most sumptuous papyrus extant 95 percent of which Breasted was the first to study closely Together these documents present a detailed record of the reign and benefactions of Ramesses III whose reign lasted more than thirty years Volume 4 includes intriguing records of the harem conspiracy and legal documents that indicate the extent of robberies of royal tombs Records of the Nile levels at Karnak provide important chronological landmarks while the Stela of Piye Piankhi which documents the Nubian kingdom already in existence as a full fledged power provides information on the internal political climate of Egypt during a time when no aggressive monarch controlled the whole country Breasted also notes where these ancient Egyptian records intersect with accounts of the same events from other sources such as the mutiny of Psamtik I s troops as inscribed on the alabaster statue of Nesuhor and as narrated by Herodotus In effect Ancient Records of Egypt offers a valuable dual record On the one hand Breasted presents the events and personages of ancient Egypt as recorded in the documents On the other hand he presents a history of the documents themselves Fragmentary or partially destroyed carved on temple and tomb walls or written on fragile scrolls of leather or papyrus even inscribed on the coffins and temple linens of the royal and priestly mummy wrappings these records offer an irreplaceable primary source on a fascinating civilization

muggers The man and wolf stop in front of a building that is deep within this neighbourhood This building is similar to all the others dismal and grey It has a heavy steel door with a small window at face height covered by a shutter The man thumps on the door and the shutter is pulled back revealing two dark slanted eyes What do you want says the bouncer Where are your mistresses asks rnwulf with a heavy northern accent They are busy Who wants to know I was sent by Cleosius the warlord to purchase something which was stolen from him They are expecting me The shutter is slid shut and rnwulf hears muted discussions behind it The shutter slides open again You are early snaps the voice and the shutter slams closed rnwulf thumps on the door again his blows echoing inside The shutter is pulled back again Can I wait inside he asks The door opens revealing a seven and a half foot monstrosity which bends over inside the small front room its hairy frame fills up the doorway Bugbear thinks rnwulf staring at the hairy giant goblin which would tower over one of its smaller goblin or hobgoblin cousins Come inside it snarls but the wolf stays out there After re locking the door the bugbear leads rnwulf along a dimly lit corridor before arriving at a small room furnished only with a hard backed chair The mistresses are busy the bugbear growls but I will send someone to fetch them when they are um finished Would you like a drink while you are waiting rnwulf waves the bugbear away and sits on the chair In a moment he becomes completely motionless his keen eyes surveying every inch of the room He waits becoming tenser as he looks at the low ceiling and the walls After a short time he stands up goes to the door and tries the handle finding it locked H
