Discovered inside the legendary Well of Miriam, a site named after the ancient prophetess who was the sister of Moses, the scrolls reveal a hidden history of the world and its religions, a series of shattering revelations that governments will do anything to suppress and that an enigmatic billionaire named Miles Havers will do anything to possess. But there is more: a seventh scroll that contains a secret of almost unimaginable power. It is a secret that may cost Catherine her life as she dodges government agents, Vatican operatives, and cyberspace perils in her race to translate the scrolls and release their powers to the world. Aided by two very different and compelling men, Dr. Julius Voss and Father Michael Garibaldi, Catherine finds herself caught up in the adventure of a lifetime and a struggle that she must win.

Revelation Through Old Testament Eyes Tremper Longman III, 2022-05-10. *Revelation Through Old Testament Eyes* is a new kind of commentary series that illuminates the Old Testament backgrounds, allusions, patterns, and references saturating the New Testament. This knowledge was second nature to the New Testament authors and their audiences, but often isn't the case for today's readers. Bible teachers, preachers, and students committed to understanding Scripture will gain insight through these rich Old Testament connections, which clarify puzzling passages and explain others in fresh ways. In *Revelation Through Old Testament Eyes*, Tremper Longman demonstrates that the confusion associated with the images throughout Revelation arises from unfamiliarity with symbolism that Revelation's first readers would have readily comprehended. Avoiding overly technical discussions and interpretive debates to concentrate on Old Testament influences, *Revelation Through Old Testament Eyes* combines rigorous, focused New Testament scholarship with deep respect for the entire biblical text. As an Old Testament scholar, I learned much from this excellent contribution by a seasoned and thoughtful colleague; as a Christian, my new understanding led to worship. This is a volume that pastors, scholars, and laypeople will find a valuable companion to reading and studying the canon's final book. Lissa M. Wray Beal, Providence Theological Seminary. There is no more sure-footed guide to this mysterious book than a premier Old Testament scholar like Tremper Longman. This exceptionally clear and cogent commentary will open your eyes to this capstone volume of the New Testament like never before. Mark L. Strauss, Bethel Seminary. In short, to really get into a place where one can understand John's Scripture-saturated mind, which involves many more allusions and echoes than Old Testament quotes, you need a guide who himself has a Scripture-saturated mind. Tremper Longman is your man, for he has labored long in the scriptural vineyard and always provides us with the good fruit of careful interpretation. Ben Witherington III, Asbury Theological Seminary.
