

The First Defier

— (A.K.A. JF BRINK) —

The background of the book cover features a dramatic illustration. On the left, a large, dark, rectangular object, possibly a coffin or a chest, is partially visible. A large, ornate, and menacing sword with a dark hilt and a broad, dark blade is positioned diagonally across the center. The blade is decorated with intricate, glowing blue patterns. In the background, a figure in dark, ornate armor stands with a sword raised, set against a swirling, red, and fiery backdrop. The overall tone is dark and intense, with a focus on the sword and the figure in the background.

Elizabeth Lennox

The Sheiks Defiant Fiancee English Edition:

The Sheik's Defiant Fiancée Elizabeth Lennox, 2013-11-27 Laila knew in her heart that marriage should be for love not for duty Her union with Sheik Jabril would help improve and maintain political stability in her country as well as bring the people of her province honor and pride And Jabril was certainly easy on the eyes He was tall built like an Olympian and exuded power and masculinity But the man was a player of the worst sort with mistresses all over the world She realizes that she cannot say no to the Sheik of Surisia so she respectfully requests that they treat their marriage like the business arrangement that it is His response He kisses her Through that kiss he demonstrates that he will not accept anything less than her full acquiescence but she also discovers that his passion and physical presence stir something within her that she cannot control Their first public event together convinces Jabril that he made an excellent choice for a wife She is not only stunningly beautiful but smart and socially adept She will be a worthy partner to rule his kingdom and to share his bed Her trembling response to his touch excites him but her suggestion that they essentially live separate lives confounds and amuses him There is no way he will allow that The intensity of their first kiss lingers in his memory and he will not relent until he has experienced all she can give He wants her in his bed every night And he will have her

The Sheik's Defiant Lover Harriet Pope, 2019-10-09 She didn't like him Sure he was tall dark and handsome but there was something dangerous in the way he looked at her She hadn't met him yet he was still standing on the other side of the room but he was staring at her Just standing there nursing his drink and staring at her as if she was going to be his next conquest Well he could forget that Belinda didn't do dangerous men She liked to control her relationships Men usually fell all over themselves trying to please her and that was how she liked it No she had a feeling that he wouldn't need much encouragement and she certainly wasn't planning on giving him any That was one man she was definitely staying away from
