

An illustration of a woman in a kimono, viewed from the side. She has dark hair styled in a bun and is wearing a dark, patterned kimono over a red garment. The background shows a window with a lattice pattern and a plant. The title 'the Shunga Tales' is written in a serif font over the woman's kimono.

the Shunga Tales

The Shunga Tales Short Fiction From Japan English Edition

Adam Kern

The Shunga Tales Short Fiction From Japan English Edition:

Tales of Idolized Boys Sachi Schmidt-Hori, 2021-06-30 In medieval Japan 14th 16th centuries it was customary for elite families to entrust their young sons to the care of renowned Buddhist priests from whom they received a premier education in Buddhist scriptures poetry music and dance When the boys reached adolescence some underwent coming of age rites others entered the priesthood and several extended their education becoming chigo or Buddhist acolytes Chigo served their masters as personal attendants and as sexual partners During religious ceremonies adorned in colorful robes their faces made up and hair styled in long ponytails they entertained local donors and pilgrims with music and dance Stories of acolytes chigo monogatari from the fourteenth to sixteenth centuries form the basis of the present volume an original and detailed literary analysis of six tales coupled with a thorough examination of the sociopolitical religious and cultural matrices that produced these texts Sachi Schmidt Hori begins by delineating various dimensions of chigo the chigo title personal names gender sexuality class politics and religiosity to show the complexity of this cultural construct the chigo as a triply liminal figure who is neither male nor female child nor adult human nor deity A modern reception history of chigo monogatari follows revealing not surprisingly that the tales have often been interpreted through cultural paradigms rooted in historical moments and worldviews far removed from the original From the 1950s to 1980s research on chigo was hindered by widespread homophobic prejudice More recently aversion to the age gap in historical master acolyte relations has prevented scholars from analyzing the religious and political messages underlying the genre Schmidt Hori s work calls for a shift in the hermeneutic strategies applied to chigo and chigo monogatari and puts forth both a nuanced historicization of social constructs such as gender sexuality age and agency and a mode of reading propelled by curiosity and introspection The Shyest Man in Japan Lawrence Knipfing, Manga from the Floating World Adam Kern, 2020-11-23 The first full length study in English of the kiby shi a genre of woodblock printed comicbook widely read in late eighteenth century Japan that became an influential form of political satire The volume is copiously illustrated with rare prints from Japanese archival collections Provided by publisher **A Cultural History of Postwar Japan** Oliviero Frattolillo, 2023-07-14 This book is a political and cultural history of the early postwar Japan aiming at exploring how the perception and cultural values of everyday life in the country changed along with the rise of the kasutori culture Such a process was closely tied with both a refusal of the samurai culture and the interwar debate on modernity and it resulted in a decadent way of life exemplified by intellectuals such as Sakaguchi Ango It depicts a short lived radical cultural and social alternative one that forced people to rethink their relationship to the kokutai modernity social roles daily practices and the production of knowledge The subjectivity and daily practices in those years were more important in shaping the cultural identities of the Japanese than the new public ideology of the nation This challenges some Euro American historical notions that the new private sphere has emerged in Japan as an effect of the country s Americanization rather than from within it This work not only looks at the

immediate aftermath of WWII from the perspective of Japan but also tries to rethink Westernization in the light of its global appropriation This volume is addressed to specialists of Japanese or Asian history but it will also attract historians of the United States and readers from political and intellectual history cultural studies and historiography in general □□□□□□□□ □□□□□□,1986 **The Censor's Library** Nicole Moore,2012 A history of book censorship in Australia what we couldn't read didn't read didn't know and why we didn't For much of the twentieth century Australia banned more books and more serious books than most other English speaking or Western countries from the Kama Sutra through to Huxley's Brave New World and Joyce's Ulysses Japan Frank Joseph Shulman,1989 **Two-in-one Special Edition of the International Authors and Writers Who's Who, International Who's who in Poetry** ,1982 *Manga from the Floating World* Adam L. Kern,2006 Manga from the Floating World is the first full length study in English of the kiby shi a genre of sophisticated pictorial fiction widely read in late eighteenth century Japan By combining analysis of the socioeconomic and historical milieus in which the genre was produced and consumed with three annotated translations of works by major author artist Sant Ky den 1761-1816 that closely reproduce the experience of encountering the originals Adam Kern offers a sustained close reading of the vibrant popular imagination of the mid Edo period The kiby shi Kern argues became an influential form of political satire that seemed poised to transform the uniquely Edoesque brand of urban commoner culture into something more perhaps even a national culture until the shogunal government intervened Based on extensive research using primary sources in their original Edo editions the volume is copiously illustrated with rare prints from Japanese archival collections It serves as an introduction not only to the kiby shi but also to the genre's readers and critics narratological conventions modes of visuality format and relationship to the modern Japanese comicbook manga and to the popular literature and wit of Edo Filled with graphic puns and caricatures these entertaining works will appeal to the general reader as well as to the more experienced student of Japanese cultural history **The International Authors and Writers Who's who** Ernest Kay,1986 The Greenwood Encyclopedia of Daily Life ,2004 *Ut pictura amor* Walter Melion,Michael Zell,Joanna Woodall,2017-11-06 *Ut pictura amor* The Reflexive Imagery of Love in Artistic Theory and Practice 1500-1700 examines the related themes of lovemaking and image making in the visual arts of Europe China Japan and Persia The term reflexive is here used to refer to images that invite reflection not only on their form function and meaning but also on their genesis and mode of production Early modern artists often fashioned reflexive images and effigies of this kind that appraise love by exploring the lineaments of the pictorial or sculptural image and complementarily appraise the pictorial or sculptural image by exploring the nature of love Hence the book's epigraph *ut pictura amor* as is a picture so is love Japan Review ,2013 **Tandai Sh?shin Roku** Ueda Akinari,2010-02-06 This is the first complete translation of Tandai sh shin roku which provides the best source for an understanding of the eighteenth century Japanese literary figure Ueda Akinari 1734-1809 a man of many talents and wide ranging interests haikai and waka poet writer of fiction commentator on Japanese classical

texts doctor of Confucian medicine keen student of history and botany tea connoisseur and amateur potter In this highly personal work dating from his last year when he was almost blind and in poor health Akinari allows his writing brush to wander at will giving his unvarnished opinions on contemporary and historical people and events commenting on various social customs criticizing friend and foe alike defending the existence of the supernatural and sharing his love of nature Akinari's candour humour curiosity of mind and impressive erudition make Tandai sh shin roku an unusual and interesting text that has long deserved to be better known

The Continuum Complete International Encyclopedia of Sexuality

Robert T. Francoeur, Raymond J. Noonan, 2004-01-01 A completely updated one volume edition of the 4 volume International Encyclopedia of Sexuality Includes nearly 60 countries and places 12 not previously covered by more than 200 authorities It is the only reference work of its kind in any language

Book Review Index, 1977 Every 3rd issue is a quarterly cumulation

The Oxford Illustrated History of the Book James Raven, 2020-07-31 In 14 original essays The Oxford Illustrated History of the Book reveals the history of books in all their various forms from the ancient world to the digital present Leading international scholars offer an original and richly illustrated narrative that is global in scope The history of the book is the history of millions of written printed and illustrated texts their manufacture distribution and reception Here are different types of production from clay tablets to scrolls from inscribed codices to printed books pamphlets magazines and newspapers from written parchment to digital texts The history of the book is a history of different methods of circulation and dissemination all dependent on innovations in transport from coastal and transoceanic shipping to roads trains planes and the internet It is a history of different modes of reading and reception from learned debate and individual study to public instruction and entertainment It is a history of manufacture craftsmanship dissemination reading and debate Yet the history of books is not simply a question of material form nor indeed of the history of reading and reception The larger question is of the effect of textual production distribution and reception of how books themselves made history To this end each chapter of this volume succinctly bounded by period and geography offers incisive and stimulating insights into the relationship between books and the story of their times

Beautiful Fighting Girl Saito Tamaki, 2013-11-30 From Cutie Honey and Sailor

Moon to Nausica of the Valley of the Wind the worlds of Japanese anime and manga teem with prepubescent girls toting deadly weapons Sometimes overtly sexual always intensely cute the beautiful fighting girl has been both hailed as a feminist icon and condemned as a symptom of the objectification of young women in Japanese society In *Beautiful Fighting Girl* Saito Tamaki offers a far more sophisticated and convincing interpretation of this alluring and capable figure For Saito the beautiful fighting girl is a complex sexual fantasy that paradoxically lends reality to the fictional spaces she inhabits As an object of desire for male otaku obsessive fans of anime and manga she saturates these worlds with meaning even as her fictional status demands her ceaseless proliferation and reproduction Rejecting simplistic moralizing Saito understands the otaku's ability to eroticize and even fall in love with the beautiful fighting girl not as a sign of immaturity or maladaptation but as a

result of a heightened sensitivity to the multiple layers of mediation and fictional context that constitute life in our hypermediated world a logical outcome of the media they consume Featuring extensive interviews with Japanese and American otaku a comprehensive genealogy of the beautiful fighting girl and an analysis of the American outsider artist Henry Darger whose baroque imagination Sait sees as an important antecedent of otaku culture Beautiful Fighting Girl was hugely influential when first published in Japan and it remains a key text in the study of manga anime and otaku culture Now available in English for the first time this book will spark new debates about the role played by desire in the production and consumption of popular culture

Above the Clouds Takie Sugiyama Lebra, 1993-01-29 This latest work from Japanese born anthropologist Takie Sugiyama Lebra is the first ethnographic study of the modern Japanese aristocracy Established as a class at the beginning of the Meiji period the kazoku ranked directly below the emperor and his family Officially dissolved in 1947 this group of social elites is still generally perceived as nobility Lebra gained entry into this tightly knit circle and conducted more than one hundred interviews with its members She has woven together a reconstructive ethnography from their life histories to create an intimate portrait of a remote and archaic world As Lebra explores the culture of the kazoku she places each subject in its historical context She analyzes the evolution of status boundaries and the indispensable role played by outsiders But this book is not simply about the elite It is also about commoners and how each stratum mirrors the other Revealing previously unobserved complexities in Japanese society it also sheds light on the universal problem of social stratification

Shunga, Images of Spring Charles Grosbois, 1964 This is a book of what Japanese call Shunga images of spring These are erotic sensual pictures that form a part of the treasury of Japanese art

This is likewise one of the factors by obtaining the soft documents of this **The Shunga Tales Short Fiction From Japan English Edition** by online.
