The Smoke Thief:

The Smoke Thief Shana Abé, 2006-09-26 For centuries they've lived in secret among northern England's green and misted hills. Creatures of extraordinary beauty, power, and sensuality, they possess the ability to shape-shift from human to dragon and back again. Now their secret and their survival is threatened by a temptation that will break every boundary. Dubbed the Smoke Thief, a daring jewel thief is confounding the London police. His wealthy victims claim the master burglar can walk through walls and vanish into thin air. But Christoff, the charismatic Marquess of Langford, knows the truth: the thief is no ordinary human, but a runner who's fled Darkfrith without permission. As Alpha leader of the dragon, it's Kit's duty to capture the fugitive before the secrets of the tribe are revealed to mortals. But not even Kit suspects that the Smoke Thief could be a woman. Clarissa Rue Hawthorne knew her dangerous exploits would attract the attention of the dragon. But she didn't expect Christoff himself to come to London, dangling the tribe's most valuable jewel, the Langford Diamond, as bait. For as long as she could remember, Rue had lived the life of a halfling: half dragon, half mortal, and an outcast in both worlds. She'd always loved the handsome and willful Kit from the only place it was safe from afar. But now she was no longer the shy, timid girl she'd once been. She was the first woman capable of making the Turn in four generations. So why did she still feel the same dizzying sense of vulnerability whenever he was near? From the moment he saw her, Kit knew that the alluring and powerful beauty was every bit his Alpha equal and destined to be his bride. And by the harsh laws of the dragon, Rue knew that she was the property of the marquess. But they will risk banishment and worse for a chance at something greater. For now Rue is his prisoner; the diamond has disappeared, and she's made the kind of dangerous proposition a man like Kit cannot resist. In this bewitching novel, Shana Abé transports us into a world of exhilarating romance and magic. **The Smoke**

Thieves Sally Green, 2018-05-03 The first book in the new historical fantasy series from the author of *Half Bad*. A princess, a traitor, a soldier, a hunter, and a thief. Five teenagers with the fate of the world in their hands. Five nations destined for conflict. In *Brigant*, Princess Catherine prepares for a political marriage arranged by her brutal and ambitious father, while her true love, Ambrose, faces the executioner's block. In *Calidor*, downtrodden servant March seeks revenge on the prince who betrayed his people. In *Pitoria*, feckless Edyon steals cheap baubles for cheaper thrills as he drifts from town to town. And in the barren northern territories, thirteen-year-old Tash is running for her life as she plays bait for the gruff demon hunter Gravell. As alliances shift and shatter and old certainties are overturned, our five heroes find their past lives transformed and their futures inextricably linked by the unpredictable tides of magic and war. Who will rise and who will fall? And who will claim the ultimate prize? The perfect new YA fantasy series for fans of *The Red Queen*, *Game of Thrones*, and Sarah J. Maas. **The Lord**

James Earl Ray, thief, counterfeiter and bank robber, became one of America's 10 Most Wanted when he was charged with murdering a young Arkansas policeman in 1976. After a daring escape from maximum security prison, he was recaptured and, whilst in solitary confinement, wrote a 60-page account of his escape and sent them to his friend Danny Lyon. After Ray's death in 1997, Lyon tracked down Dinkster Cassel, who was given a life sentence along with Ray for the murder. This is a gripping tale of two men, one alive, one dead, and an unparalleled portrayal of prison life.
