Microtravel Charles Forsdick, Zoë Kinsley, Kate Walchester, 2024-06-04. The 2020 COVID-19 pandemic imposed immobility on large sectors of the world's population, with confinement becoming an everyday reality. The lives of those who previously enjoyed the privileges of being fast-travelers ground to a halt, while at the same time the displacement of more vulnerable populations along well-established migration corridors has been radically reduced. The result has been a recalibration of the scale of journeying, with travellers slowing down their journeys and readjusting their relationship to the proximate and nearby. This situation has provided an opportunity for those who study travel and travel writing to rethink their objects of study and approaches to them. This volume explores and historicizes the phenomenon of microtravel, designating slower journeys within a limited radius which allow and sometimes necessitate new forms of experiencing the world.

Walking with Beth Marilyn Simonds, 2025-09-23. Marilyn Simonds's *Walking with Beth* allows us to eavesdrop on two women, one already a centenarian, talking frankly about what scares us all: growing old. It's a book with a unique take on longevity, full of wisdom, tenderness, joy, and the passions that sustain a very long life. In the spring of 2021, Marilyn Simonds asked her friend Beth Robinson if she'd like to go for a walk. Simonds had just turned 70, still active, still writing, but entering what struck her as a mysterious, even frightening stage of life. Beth, a smart, vibrant woman who'd held a job until she was 99, lived on her own and was as awake to the world as a person half her age. Who better to ask what might come next? During three years of weekly walks, the conversation between the two women only deepened as they opened up about their heart-felt passions, the lingering influence of their pasts, and their hopes and fears for the future. In *Walking with Beth*, Simonds shares these intimate exchanges, delving into corners of older women's lives that are rarely seen or spoken about so openly. As Simonds looks forward into a future that seems unknowable, Beth looks back, offering her experience in surviving the later-life blows that batter us all, and more importantly, her wisdom about how to enrich every passing day.
