conventionality that masked the disillusionment experienced by many in America As the first American to win the Nobel Prize in Literature in 1930 Lewis s works resonate with unflinching honesty and a commitment to critique societal norms resulting in a legacy that remains relevant today For readers seeking a profound understanding of American society and its contradictions the Sinclair Lewis Ultimate Collection is an essential addition to their literary repertoire Its exploration of enduring themes makes this anthology not only a reflection on past injustices but also a mirror for contemporary audiences to examine their own lives Engage with Lewis s incisive wit and poignant reflections and discover why his works continue to inspire critical thought and evoke empathy in readers worldwide *Arrowsmith* Sinclair Lewis,2023-03-23 Martin

Arrowsmith the titular protagonist grows up in a small Midwestern town where he wants to become a doctor At medical school he meets an abrasive but brilliant professor Gottlieb who becomes his mentor As *Arrowsmith* completes his training he begins a career practicing medicine But echoing Lewis s *Main Street* small town life becomes too insular and restricting his interest in research and not people makes him unpopular and he decides to work in a research laboratory instead From there *Arrowsmith* begins a career that hits all of the ethical quandaries that scientists and those in the medical profession encounter everything from the ethical problem of research protocol strictness versus saving lives to doing research for the betterment of mankind versus for turning a profit to the politics of institutions to the social problems of wealth and poverty *Arrowsmith* struggles with these dilemmas because like all of us he isn t perfect Despite his interest in helping humanity he has little interest in people aside from his serial womanizing and this makes the path of his career an even harder one to walk He s surrounded on all sides by icons of nobility icons of pride and icons of rapaciousness each one distracting him from his calling Though the book isn t strictly a satire few escape Lewis s biting pen He skewers everyone indiscriminately small town rubes big city blowhards aspiring politicians doctors of both the noble and greedy variety hapless ivory towered researchers holier than thou neighbors tedious gilded age socialites and even lazy and backwards islanders In some ways *Arrowsmith* rivals *Main Street* in its often bleak view of human nature though unlike *Main Street* the good to humanity that science offers is an ultimate light at the end of the tunnel The novel s publication in 1925 made it one of the first serious science novels exploring all aspects of the life and career of a modern scientist Lewis was aided in the novel s preparation by Paul de Kruif a microbiologist and writer whose medically accurate contributions greatly enhance the text s realist flavor In 1926 *Arrowsmith* was awarded the Pulitzer Prize but Lewis famously declined it In his refusal letter he claimed a disinterest in prizes of any kind but the New York Times reported that those close to him say he was still angered over the Pulitzer s last minute snatching of the 1921 prize from *Main Street* in favor of giving it to *The Age of Innocence* *The Collected Works of Sinclair Lewis* Sinclair Lewis,2022-01-17 This edition includes the complete novels and the iconic short stories of the great Sinclair Lewis _x000D_ *Novels* _x000D_ *Babbitt* _x000D_ *Free Air* _x000D_ *Main Street* _x000D_ *The Trail of the Hawk* _x000D_ *The Innocents* _x000D_ *The Job* _x000D_ *Our Mr Wrenn* _x000D_ *Arrowsmith* _x000D_ *Mantrap* _x000D_ *Elmer Gantry* _x000D_
