Subaltern Narratives in Fiji Hindi Literature Vijay Mishra,2024-02-13 Subaltern Narratives in Fiji Hindi Literature is the first comprehensive study of fiction written in Fiji Hindi that moves beyond the hegemonic and colonially implicated perspectives that have necessarily informed top down historical accounts Mishra makes this case using two extraordinary novels auk Pur n A Subaltern Tale 2001 and Fiji Maa Mother of a Thousand 2018 by the Fiji Indian writer Subramani They are massive novels respectively 500 and 1 000 pages long written in the devan gar Sanskrit script They are examples of subaltern writing that do not exist as a legitimization of the subaltern voice anywhere else in the world The novels constitute the silent underside of world literature whose canon they silently challenge For postcolonial diaspora and subaltern scholars they are defining indeed definitive texts without which their theories remain incomplete Theories require mastery of primary texts and these subaltern novels heroic compositions as they are in the vernacular offer a challenge to the theorist Writing Okinawa Davinder L.

Bhowmik,2008-08-18 Writing Okinawa is the first comprehensive study in English of Okinawan fiction from it s emergence in the early twentieth century through its most recent permutations It provides readings of major authors and texts set against a carefully researched presentation of the region s political and social history at the same time it thoughtfully engages with current critical perspective with perspectives on subaltern identity colonialism and post colonialism and the nature of regional minority and minor literatures Is Okinawan fiction replete with geographically specific themes such as language loss identity and war a regional literature distinct among Japanese letters for flourishes of local color that offer a reprieve for the urban weary or a minority literature that serves as a site for creative resistance and cultural renewal This question drives the book s argument making it interpretative rather than merely descriptive Not only does the book provide a critical introduction to the major works of Okinawan literature it also argues that Okinawa s writers consciously exploit to good effect the overlap that exists between regional and minority literature In so doing they produce a rich body of work a great deal of which challenges the notion of a unified nation that seamlessly rises from a single language and culture **The**

Monthly Review ,1826 *The Military Memoir and Romantic Literary Culture, 17801835* Neil Ramsey,2016-12-05 Examining the memoirs and autobiographies of British soldiers during the Romantic period Neil Ramsey explores the effect of these as cultural forms mediating warfare to the reading public during and immediately after the French Revolutionary and Napoleonic wars Forming a distinct and commercially successful genre that in turn inspired the military and nautical novels that flourished in the 1830s military memoirs profoundly shaped nineteenth century British culture s understanding of war as Romantic adventure establishing images of the nation s middle class soldier heroes that would be of enduring

significance through the nineteenth and twentieth centuries As Ramsey shows the military memoir achieved widespread acclaim and commercial success among the reading public of the late Romantic era Ramsey assesses their influence in relation to Romantic culture s wider understanding of war writing autobiography and authorship and to the shifting relationships between the individual the soldier and the nation The memoirs Ramsey argues participated in a sentimental response to the period s wars by transforming earlier impersonal traditions of military memoirs into stories of the soldier s personal suffering While the focus on suffering established in part a lasting strand of anti war writing in memoirs by private soldiers such stories also helped to foster a sympathetic bond between the soldier and the civilian that played an important role in developing ideas of a national war and functioned as a central component in a national commemoration of war

Quatre-Bras, Ligny and Waterloo. A Narrative of the Campaign in Belgium, 1815 Dorsey Gardner,2025-08-12 Reprint of the original first published in 1882 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Monthly Review; Or Literary Journal Enlarged** ,1826 Editors May 1749 Sept 1803 Ralph Griffiths Oct 1803 Apr 1825 G E Griffiths *The British Cheer* Paul Thompson,2024-04-04 This is a bold painstakingly researched and wide ranging assessment of the British Cheer in the Napoleonic era Reference to the Cheer in accounts of the time is virtually ubiquitous and repeatedly the claim was made for cheering as an integral part of British offensive operations However more recent historians have tended to overlook this evidence Based upon a vast range of contemporary sources this book suggests that the Cheer wielded genuine power as a true weapon of war This book first surveys the history of acclamations in battle worldwide and British battle cries from all periods before addressing the question of what the British Cheer actually sounded like Issues of acoustics physics and the psychology of battlefield morale are considered along with commentaries from significant military scholars throughout history Examination of the Napoleonic era Cheer then reveals the practically invincible recipe of volley cheer charge that propelled the British Army to victory upon victory Comparison is drawn with French and other national patterns of vocalizing along with analysis of those occasions when the Cheer might be suppressed Finally the attitude of the Duke of Wellington towards cheering is reconsidered with surprising results This study encompasses a vast canvas of place and time in pursuit of the elusive yet galvanizing Cheer from the Mahratta wars in India through campaigns in Egypt the Mediterranean Flanders the Caribbean and South America as well as the war of 1812 The Peninsular and Waterloo campaigns feature prominently as the Cheer is heard thrillingly from Vimeiro to Talavera Salamanca to Vitoria Orthez to Toulouse and the shocking siege of Badajoz to the charge of the Scots Greys on the ridge of Mont Saint Jean Anyone interested in the wars of Revolutionary France and Napoleon the British army the career of the Duke of Wellington or indeed the wider questions of the psychological motivations of combat will find this book illuminating and thought provoking **Peninsular Eyewitnesses** Charles Esdaile,2008-09-30 Many books have been written about the

British struggle against Napoleon in the Peninsula A few recent studies have given a broader view of the ebb and flow of a long war that had a shattering impact on Spain and Portugal and marked the history of all the nations involved But none of these books has concentrated on how these momentous events were perceived and understood by the people who experienced them Charles Esdaile has brought together a vivid selection of contemporary accounts of every aspect of the war to create a panoramic yet minutely detailed picture of those years of turmoil The story is told through memoirs letters and eyewitness testimony from all sides Instead of generals and statesmen we mostly hear from less well known figures junior officers and ordinary soldiers and civilians who recorded their immediate experience of the conflict *Narrative of the French Revolution in 1830 ... Accompanied with state papers and documents* France,1830 **British It-Narratives, 1750-1830, Volume 2** Mark Blackwell,Liz Bellamy,Christina Lupton,Heathe Keenleyside,2024-08-01 It narratives are prose fictions that take as their central characters animals or inanimate objects This four volume reset collection includes numerous examples of narratives in different forms including short stories excerpts from novels periodical fiction and serialized works *The Mariner's Chronicle: Containing Narratives of the Most Remarkable Disasters at Sea, Such as Shipwrecks, Storms, Fires, and Famines* ,1834 **The Texan Emigrant: Being a Narration of the Adventures of the Author in Texas, and a Description of ... that Country, Together with the Principal Incidents of Fifteen Years Revolution in Mexico, Etc** Edward STIFF,1840 [Narrative and Critical History of America](#) Justin Winsor,1888
