**Passport to Life** Dennis Coughlin, 2012-12-06 When I split with my wife ten years ago my antidote for the resulting feeling of loss and the negative emotions that a marriage breakup engenders was to be dramatically life altering At the age of fifty five I planned to teach English in Asia and South America However the road from plan to realization was littered with mental and physical obstacles some of which almost proved fatal Somehow surviving these setbacks I completed my quest by backpacking through Laos Thailand Cambodia South America Central America and Burma This is a tale about my physical emotional and psychological journey *Passport Series: North America* Deborah Kopka, 2011-09-01 Issue your students a

passport to travel the globe with this incredible new series Eight jam packed **The Complete Guide to Offshore**

**Residency, Dual Citizenship and Second Passports** Robert Bauman, Robert E. Bauman, 2007 *My Hard Life Lived Well* K. Alexander Kardos, 2025-08-08 This book is the second Volume of the memoirs story of Maria Banfi Kardos This volume gives an insight into the experiences Challenges and hardships that the Kardos family faces on their legal immigration to America They arrived in New York in 1956 just like many foreigners that Wanted to have an opportunity to achieve The American Dream We were sponsored by a farmer in Patton Missouri but decided to go off on our own The Lutheran Organization had flight tickets ready for us but we respectively declined With our eyes wide open and out hopes running high we ventured out into New York City being disappointed on few levels The first one had me actually had me thinking of reversing course and if we had the money we would have returned to Europe The other was our contact person family in New Jersey that came to see somehow conspicuously fell through Yes come see us when you arrive in the states Not to be deterred by these setbacks we had no choice but to push forward And the New York taxi driver that drove us all around the city only to take Eighty Dollars of the One Hundred Dollars we were given by the US Customs By Gods saving grace we found a contact who spoke Hungarian in massive New York that My Karl met in the displaced persons camp in Austria and stated in his apartment We rode the train to Philadelphia and then boarded one to Cleveland By chance we ran into a man who spoke Slovenian and coincidentally he was traveling to Cleveland We arrived in Cleveland Ohop with mere few dollars to our name and three very sleepy and exhausted children Noe our lives really start no practice runs no going back this is where we make our successes and chart our destiny with the help of God Almighty **A Passport to America** Rene' B. Vesery, 2011-07-01 A Passport to America begins in October of 1914 and encompasses a five year journey from Jacques home in Switzerland to the Ukraine and eventually to America Jacques family business was importing wheat from the Ukraine and after the death of his father Jacques was obliged to travel to Kiev on business While in Kiev he met Irena a Georgian girl with azure blue eyes Because of his attraction to her he extended his stay in Kiev and that placed him there at the beginning of the Russian Revolution The chaos forced him to travel many kilometers and put him in numerous situations of danger before he could escape Russia and immigrate to America *The Passport in America* Craig Robertson, 2010-07-02 In today s world of

constant identification checks it s difficult to recall that there was ever a time when proof of identity was not a part of everyday life And as anyone knows who has ever lost a passport or let one expire on the eve of international travel the passport has become an indispensable document But how and why did this form of identification take on such a crucial role In the first history of the passport in the United States Craig Robertson offers an illuminating account of how this document above all others came to be considered a reliable answer to the question who are you Historically the passport originated as an official letter of introduction addressed to foreign governments on behalf of American travelers but as Robertson shows it became entangled in contemporary negotiations over citizenship and other forms of identity documentation Prior to World War I passports were not required to cross American borders and while some people struggled to understand how a passport could accurately identify a person others took advantage of this new document to advance claims for citizenship From the strategic use of passport applications by freed slaves and a campaign to allow married women to get passports in their maiden names to the passport nuisance of the 1920s and the contested addition of photographs and other identification technologies on the passport Robertson sheds new light on issues of individual and national identity in modern U S history In this age of heightened security especially at international borders Robertson s *The Passport in America* provides anyone interested in questions of identification and surveillance with a richly detailed and often surprising history of this uniquely important document

**Passport to the Best of Cape Town, South Africa** Carrie Hampton,2004 *Passport to the best of Cape Town South Africa* is relevant not just to the first time traveller to this city but the second and third time visitor too serving travellers from around the world as well as fellow South Africans [Passport Series: Central and South America](#)
