World War I in Irish Art and Literature Karen Hannel, 2022-11-16 Focusing on Ireland's literary and artistic response to World War I this book explores works from a range of perspectives that intervened in Irish political and cultural discourse Works such as Patrick MacGill's novel The Amateur Army 1915 John Lavery's Daylight Raid

from my Studio 1917 and Margaret Barrington's My Cousin Justin 1939 show how the war was fully examined by Irish authors but was disregarded with the beginning of World War II. Diverse voices challenged prevailing notions of Irish national identity from the bourgeois cosmopolitanism of Tom Kettle to the working class internationalism of Patrick MacGill to Pamela Hinkson's cynicism about imperial patriarchy.

Transnational Korean Cinema Dal Yong Jin, 2020 In Transnational Korean Cinema author Dal Yong Jin explores the interactions of local and global politics economics and culture to contextualize the development of Korean cinema and its current place in an era of neoliberal globalization and convergent digital technologies. The book emphasizes the economic and industrial aspects of the story looking at questions on the interaction of politics and economics including censorship and public funding and provides a better view of the big picture by laying bare the relationship between film industries the global market and government. Jin also sheds light on the operations and globalization strategies of Korean film industries alongside changing cultural policies in tandem with Hollywood's continuing influences in order to comprehend the power relations within cultural politics nationally and globally. This is the first book to offer a full overview of the nascent development of Korean cinema.

Strategic Environmental Assessment and Urban Planning Giovanni Campeol, 2020-07-06 This volume gathers a selection of research contributions on Strategic Environmental Assessment SEA including theoretical and methodological studies and real world case studies. It sheds new light on the respective steps in the procedure defined in the SEA Directive from theoretical and operational standpoints intended to enhance the sustainability of plans and programmes adopted by local regional and national authorities. Improving the legitimacy and transparency of decision making in the field of environmental management was one of the goals that led the European Commission EU to adopt Directive 2001/42/EC on the assessment of environmental programmes effects. This book provides a multidisciplinary approach to SEA and addresses the demand for policies and strategies to strengthen resilience through concrete measures to reduce energy consumption mitigate pollution promote social inclusion and create urban identity.

Framing the Penal Colony Sophie Fuggle, Charles Forsdick, Katharina Massing, 2023-02-20 This book examines the representation of penal colonies both historically and in contemporary culture across an array of media Exploring a range of geographies and historical instances of the penal colony it seeks to identify how the penal colony as a widespread phenomenon is as much imagined and creatively instrumentalized as it pertains to real sites and populations It concentrates on the range of media produced in and around penal colonies both during their operation and following their closures This approach emphasizes the role of cross disciplinary methods and approaches to examining the history and legacy of convict transportation prison islands and other sites of exile It develops a range of methodological tools for engaging with cultures and representations of incarceration detention and transportation The chapters draw on media discourse analysis critical cartography museum and heritage studies ethnography architectural history visual culture including film and comics studies and gaming studies It aims to disrupt the idea of adopting linear histories or isolated geographies in order to understand the impact and legacy of penal colonies The overall claim made by the collection is that understanding the cultural production associated with this global phenomenon is a necessary part of a wider examination of carceral imaginaries or penal spectatorship Brown 2009 past present and future It brings together historiography criminology media and cultural studies

Creating Wilderness Patrick Kupper, 2014-07-01 The history of the Swiss National Park from its creation in the years before the Great War to the present is told for the first time in this book Unlike Yellowstone Park which embodied close cooperation between state supported conservation and public recreation the Swiss park put in place an extraordinarily strong conservation program derived from a close alliance between the state and scientific research This deliberate reinterpretation of the American idea of the national park was innovative and radical but its consequences were not limited to Switzerland The Swiss park became the prime example of a scientific national park thereby influencing the course of national parks worldwide

Revolutionary Cuba Luis Martínez-Fernández, 2014-09-16 This is the first book in more than three decades to offer a complete and chronological history of revolutionary Cuba including the years of rebellion that led to the revolution Beginning with Batista's coup in 1952 which catalyzed the rebels and bringing the reader to the present day transformations initiated by Raúl Castro Luis Martínez-Fernández provides a balanced interpretive synthesis of the major topics of contemporary Cuban history Expertly weaving the myriad historic social and political forces that shaped the island nation during this period Martínez-Fernández examines the circumstances that allowed the revolution to consolidate in the early 1960s the Soviet influence throughout the latter part of the Cold War and the struggle to survive the catastrophic Special Period of the 1990s after the collapse of the U S S R He tackles the island's chronic dependence on sugar production which started with the plantations centuries ago and continues to shape culture and society He analyzes the revolutionary pendulum that continues to swing between idealism and pragmatism focusing on its effects on the everyday lives of the Cuban people and bucking established trends in Cuban scholarship Martínez

nez Fernandez systematically integrates the Cuban diaspora into the larger discourse of the revolution Concise well written and accessible this book is an indispensable survey of the history and themes of the socialist revolution that forever changed Cuba and the world

Land & Sea Transport Aviation Management Patrick Siegfried, 2021-07-09 Business concepts in the Transportation Management

The Draw of the Alps Richard McClelland, 2023-10-24 The Alps have exerted a hold over the German cultural imagination throughout the modern period enthralling writers artists philosophers scientists and tourists alike The Draw of the Alps interrogates the dynamics of this fascination Though philosophical and aesthetic responses to Alpine space have shifted over time the Alps continue to captivate at an individual and collective level This has resulted in myriad cultural engagements with Alpine space as this interdisciplinary volume attests Literature photography and philosophy continue to engage with the Alps as a place in which humans pursue their cognitive and aesthetic limits At the same time individuals engage physically with the alpine environment whether as visitors through the well established leisure industry as enthusiasts of extreme sports or as residents who feel the acute end of social and environmental change Taking a transnational view of Alpine space the volume demonstrates that the Alps are not geographically peripheral to the nation state but are a vibrant locus of modern cultural production As The Draw of the Alps attests the Alps are nothing less than a crucible in which understandings of what it means to be human have been forged

The Gateway to the Pacific Meredith Oda, 2019-01-03 In the decades following World War II municipal leaders and ordinary citizens embraced San Francisco's identity as the Gateway to the Pacific using it to reimagine and rebuild the city The city became a cosmopolitan center on account of its newfound celebration of its Japanese and other Asian American residents its economy linked with Asia and its favorable location for transpacific partnerships The most conspicuous testament to San Francisco's postwar transpacific connections is the Japanese Cultural and Trade Center in the city's redeveloped Japanese American enclave Focusing on the development of the Center Meredith Oda shows how this multilayered story was embedded within a larger story of the changing institutions and ideas that were shaping the city During these formative decades Oda argues San Francisco's relations with and ideas about Japan were being forged within the intimate local sites of civic and community life This shift took many forms including changes in city leadership new municipal institutions and especially transformations in the built environment Newly friendly relations between Japan and the United States also meant that Japanese Americans found fresh if highly constrained job and community prospects just as the city's African Americans struggled against rising barriers San Francisco's story is an inherently local one but it also a broader story of a city collectively if not cooperatively reimagining its place in a global economy

The Borders of Privilege Kara Cebulko, 2025-01-07 Because whiteness is not a given for Brazilians in the U S some immigrants actively construct it as a protective mechanism against the stigma normally associated with illegality In The Borders of Privilege Kara Cebulko tells the stories of a group of 1.5 generation Brazilians to show how their ability to be perceived as white their power without papers shapes their everyday interactions By

strategically creating boundaries with other racialized groups these immigrants navigate life course rituals like college work and marriage without legal documentation Few identify as white in the U S even as they benefit from the privileges of whiteness The legal exclusion they feel as undocumented immigrants from Latin America makes them feel a world apart from their white citizen peers However their constructed whiteness benefits them when it comes to interactions with law enforcement and professional advancement challenging narratives that frame legality as a master status Understanding these experiences requires us to explore interlocking systems of power including white supremacy and capitalism as well as global histories of domination Cebulko traces the experiences of her interviewees across various stages of life applying a power without paper lens and making the case for integrating this perspective into future scholarship collective broad based movements for social justice and public policy

Performing Flight Scott Magelssen, 2020-01-01 *Performing Flight* sheds new light on moments in the history of US aviation and spaceflight through the lens of performance studies From pioneering aviator Bessie Coleman to the emerging industry of space tourism performance has consistently shaped public perception of the enterprise of flight and has guaranteed its success as a mode of entertainment travel research and warfare The book reveals fundamental connections between performance and human aviation and space travel over the past 100 years beginning with the early aerial entertainers known as barnstormers named after itinerant 19th century theater troupes to the performative history of the Enola Gay and its pilot Paul Tibbets who dropped the bomb on Hiroshima thus ushering in the atomic age The book also explores the phenomenon of the pilot voice the creation of the American Astronaut on whose performative success the Cold War the Space Race and funding of the US Space Program all depended and the performative strategies employed to cement notions of space tourism as both manifest destiny and an escape route from a failed planet A final chapter addresses the four hijacked flights of 9 11 and their representations in discourse and in memorials *Performing Flight* effectively and imaginatively demonstrates the ways in which performance and flight in the United States have been inextricably linked for more than a century

A New Chapter in US-Cuba Relations Eric Hershberg, William M. LeoGrande, 2016-05-18 This book explores the diverse consequences of Presidents Obama and Castro brokering a rapprochement between the United States and Cuba after more than half a century of estrangement Economic political social and cultural dynamics are analyzed in accessible fashion by leading experts from Cuba the United States Europe and Latin America What opportunities arise through the opening of diplomatic relations and what issues may be obstacles to normalization What are the implications for the Cuban economy for its political system and for ties with members of the Cuban diaspora What are the implications for US relations elsewhere in Latin America This up to date account addresses these and other questions about this new direction in US Cuban relations

Just Past? Raz Kletter, 2014-12-05 The land of Israel is rich in history and material culture and has long been the location of extensive archaeological excavation *Just Past* examines the origins of Israeli archaeology in the 1950s and 1960s Drawing on previously unpublished documentary material

the study offers a history of intriguing finds failures and dreams Just Past covers a range of topics from the 1948 war to the Israel Department of Antiquities and Museums issues of foreign aid and the political circumstances behind the decision to start excavations at Masada Highlighting the centrality of politics to archaeology in Israel Palestine Just Past presents an assessment of the origins of Israeli archaeology which will be invaluable to students and scholars of history and archaeology
