

The background of the slide features a dense, overlapping pattern of DNA base pair letters: Adenine (A), Guanine (G), Cytosine (C), and Thymine (T). These letters are rendered in various colors including orange, yellow, green, blue, and purple, creating a vibrant, multi-colored effect. Superimposed on this pattern are two white silhouettes of human figures, one on the left and one on the right, facing each other. The central text is overlaid on the space between these silhouettes.
