their brief tenures The result is a lot of policy and structural change in a short period including new cabinet departments new election rules and significantly increased spending and debt among other things For the most part these changes have occurred with little thought to what it all means for the functionality and stability of our democratic institutions and consequently our nation's capacity to address the needs as well as the aspirations of the American people The Bipartisan Policy Center's Tevi Troy has brought together a group of presidential scholars and political experts to address these important issues and to reflect on how the presidency has changed and what it might mean for the future Contributors include Elaine Kamarck former aide to President Clinton Jonathan Burks former chief of staff to Speaker Paul Ryan Kenneth Baer former aide to presidents Clinton and Obama and Kristen Soltis Anderson Republican pollster and radio host
