Paul S Pisidian Antioch Speech Acts 13:

Paul's Pisidian Antioch Speech John Eifion Morgan-Wynne, 2014-12-25 After a review of scholarly work on the speeches in Acts particularly Paul's Pisidian Antioch speech Morgan Wynne sets Paul's speech in the context of the first missionary journey and of the rest of Luke Acts In this book he analyzes the structure of the speech asks whether Luke used sources for the speech and examines the main theological themes including the characterization of God and Jesus the use of the Old Testament the place of Israel and the portrait of Paul that emerges Finally the author looks at whether the speech sheds any light on the community for which Luke wrote and the problems which it may have been facing **Paul's Pisidian Antioch Speech (Acts 13)** John Eifion Morgan-Wynne, 2014-06-19 After a review of scholarly work on the speeches in Acts particularly Paul's Pisidian Antioch speech Morgan Wynne sets Paul's speech in the context of the first missionary journey and of the rest of Luke Acts In this book he analyzes the structure of the speech asks whether Luke used sources for the speech and examines the main theological themes including the characterization of God and Jesus the use of the OT the place of Israel and the portrait of Paul that emerges Finally the author looks at whether the speech sheds any light on the community for which Luke wrote and the problems which it may have been facing **Rhetorical Adaptation in the Greek** Historians, Josephus, and Acts vol II John M. Duncan, 2022-10-24 Greco Roman rhetorical theorists insist that speakers must adapt their speeches to their audiences in order to maximize persuasiveness and minimize alienation Ancient historians adorn their narratives with accounts of attempts at such rhetorical adaptation the outcomes of which decisively impact the subsequent course of events These depictions of speaker audience interactions moreover convey crucial didactic persuasive insights to the historians own audiences This monograph presents a detailed comparative analysis of the intra and extra textual functions of speeches and audience responses in Greek historiography Josephus and Acts with special emphasis on Luke s distinctive depiction of the apostles as adaptable yet frequently alienating orators. This is volume II of a set of two volumes Lucan Perspective on Paul Janusz Kucicki, 2022-06-16 Despite all scientific doubts regarding Acts Luke s writing was and still is an extremely important source for understanding the man who contributed the most directly or indirectly to the canon of the New Testament Luke is the first known to us person who recognized the importance of Paul s life and his mission activities as well as Paul's innovative interpretation of the whole Jewish tradition that can be compared only with Copernicus statement that resulted in a totally new concept of the relationship between mankind and God where the center of the relationship is Jesus of Nazareth the Resurrected Messiah for both Jews and Gentiles Although Luke did not save Paul for us because Paul produced many writings on his own he did however give us a very important look at Paul that balanced the rejection of Paul as the Jewish teacher with his indispensable contribution to transferring the Jewish concept of God into the Hellenistic religions systems Without the Acts of the Apostles we would have to create a picture of Paul based on his writings which is quite a challenging task If the letters of Paul gave us some accounts about Paul s attitude and thoughts in

particular situations then Luke's Acts supplies this particular perspective with a deeper evaluation of Paul by a second witness Luke definitely wants to present to the reader s his Paul who does not necessarily have to be unlike the historical Claiming Places Eric C. Moore, 2020-09-15 In this study Eric C Moore examines Acts of the Apostles against the Paul backdrop of colonization in the ancient Mediterranean world He shows how common cultural beliefs concerning the foundation of new communities shape Luke's account as well "Go Into All the World" A Study of the Great **Commission Texts** Dr. Daniel L. Butler, 2009-09-01 The Great Commission stands as the single most important aspect of New Testament mandates and without its realization Christianity would have died believers would have failed to pass Christian truths to others Obviously Jesus mandate to make disciples continues to impact the world and through this manuscript author Dr Daniel Butler has thoroughly examined the Great Commission texts Furthermore by considering the only history book of the church in the New Testament Acts the study examines the church's understanding implementation and fulfi llment of Jesus commissioning words Although the Great Commission may appear fl awed with discrepancy at fi rst blush the student of this material will walk with the author through each of Jesus commissioned texts in detail compare their similarities contrast any differences and emerge with a consolidated grasp of Jesus mandate to make disciples By reconciling every potential discrepancy distilling the commission elements into a summary and examining the disciples response in the book of Acts the student of this study will experience enlightenment and understanding through grasping Jesus most important words and observing the early church s fulfi llment Christian Mission Stanley E. Porter, Cynthia Long Westfall, 2010-09-01 How did a first generation Jewish messianic movement develop the momentum to become a dominant religious force in the Western world The essays here first investigate the roots of God's mission and the mission of his people in the Old Testament and Second Temple Judaism specifically in the Psalms Isaiah and Daniel The contributions then discuss the mission of Jesus and how it continued into the mission of the Twelve other Jewish believers in the Gospels General Epistles and Revelation and finally into Paul's ministry to the Gentiles documented in the book of Acts and his epistles These essays reach backward into the background of what was to become the Christian mission and forward through the New Testament to the continuing Christian mission and missions today The Great Betrayal Sheldon W. Liebman, 2018-11-27 In the view of many contemporary scholars both Jesus and Judaism have been misrepresented by the church for the past two thousand years Their main point is that Judaism was not a superficial rigid and outdated religion and Jesus did not reject it In fact along with his disciples he remained a Law abiding Jew his entire life However as Christianity developed from a Jewish sect in the first century AD to the official religion of the Roman Empire in the fourth century the church was transformed Jesus was redefined and both Jews and their religion were repudiated and marginalized In short both Christians and Jews were deeply affected by what many scholars now call the de Judaization of Jesus This book is an attempt to correct the traditional theological and scholarly misinterpretations of Jesus and Judaism that emerged over the first four centuries of the

life of the church New Testament Rhetoric, Second Edition Ben Witherington, Jason A. Myers, 2022-09-28 Witherington and Myers provide a much needed introduction to the ancient art of persuasion and its use within the various New Testament documents More than just an exploration of the use of the ancient rhetorical tools and devices this guide introduces the reader to all that went into convincing an audience about some subject Witherington and Myers make the case that rhetorical criticism is a more fruitful approach to the NT epistles than the oft employed approaches of literary and discourse criticism Familiarity with the art of rhetoric also helps the reader explore non epistolary genres In addition to the general introduction to rhetorical criticism the book guides readers through the many and varied uses of rhetoric in most NT documents not only telling readers about rhetoric in the NT but showing them the way it was employed This brief guide book is intended to provide the reader with an entrance into understanding the rhetorical analysis of various parts of the NT the value such studies bring for understanding what is being proclaimed and defended in the NT and how Christ is presented in <u>Jesus and the Heritage of Israel David P.</u> ways that would be considered persuasive in antiquity from the introduction Moessner, 1999-11-01 Seventeen leading international scholars collaborate in forming an emerging new consensus at the dawn of the millenium that Luke is the interpreter of Israel **The Apostolic Fathers** Joseph Barber Lightfoot, 1890

The Westminster Dictionary of New Testament and Early Christian Literature and Rhetoric David Edward Aune, 2003-01-01 The Westminster Dictionary of New Testament and Early Christian Literature and Rhetoric details the variety of literary and rhetorical forms found in the New Testament and in the literature of the early Christian church This authoritative reference source is a treasury for understanding the methods employed by New Testament and early Christian writers Aune's extensive study will be of immense value to scholars and all those interested in the ways literary and rhetorical forms were used and how they functioned in the early Christian world This unique and encyclopedic study will serve generations of scholars and students by illuminating the ways words shaped the consciousness of those who encountered Christian teachings **Contextualization of the Gospel** Andrew James Prince, 2017-06-07 There has been heightened interest and prolific publication by missiologists about contextualization since the term was first coined in 1972 There has been ongoing debate particularly amongst evangelicals themselves regarding which of these meanings methods and models of contextualization are acceptable to use Much of the debate has been carried out by academics and practitioners whose observations and conclusions have been largely shaped by the social sciences and practical theology In contrast the disciplines of biblical studies and Christian thought have not featured significantly in the debate The purpose of this research is to establish that biblical studies and Christian thought in general and Scripture and the church fathers in particular have an essential contribution to make in the contextualization debate and should form part of an evangelical approach to contextualization of the gospel alongside the social sciences and practical theology Following a review of the literature on contextualization over the past forty years the research examines the book of Acts as representative of Scripture

and the work of John Chrysostom as a representative church father Contextual principles that are consistent with an evangelical approach to contextualization of the gospel are drawn from each work establishing the value of biblical studies and Christian thought in contextualization The Story of Jesus Continues Douglas S. Huffman, 2025-04-15 A unique introduction to the Acts of the Apostles focusing on the book of Acts as an extension of the Jesus story With full color photographs maps and sidebars about history ancient literature and archaeological finds Douglas Huffman takes readers through different introductory and interpretive issues in the study of Acts including the genre purpose history culture and geographical setting of the story Equipped with these behind the scenes details in broad strokes the author traces Luke s well told recounting of the ongoing story of Jesus Sensitive to the purposes Luke had for his text as well as its connection to the Gospel of Luke Huffman concludes by demonstrating how the Jesus story is intended to continue into the present Specifically designed as a textbook the volume includes chapter overviews and summaries discussion questions and assignments lists of key terms and a glossary The Word Leaps the Gap J.
