Jeffers,2009-08-20 James S Jeffers provides an informative tour of the various facets of the Roman world class and status family and community work and leisure religion and organization city and country law and government death and taxes and the events of Roman history ACTS Ralph Robert Gomez,2023-01-11 This is a Precept Bible Study on the book of Acts which means you will be looking at the Bible one verse at a time in order to understand God s Word so that you can apply it to your daily life The four Gospels described Jesus s life and ended with His death and resurrection The book of Acts continues HIS story after the resurrection and follows the transition from the Old Covenant into the New Covenant where the Holy Spirit came to live in the heart of the believer This is a ten week study and is the second of three studies on the book of Acts Acts The Birth of the Church 12 week study Acts Paul s Three Missionary Journeys 10 week study Acts Paul s Arrest Trial and Imprisonment 8 week study The first study covered the first twelve chapters of the book of Acts which followed the birth of the church in Jerusalem and its growth into the surrounding areas outside of Judea The Holy Spirit used ordinary people like Peter Barnabas Paul Stephen and Philip to spread the good news and establish His church You will receive power when the Holy Spirit has come upon you and you shall be My witnesses both in Jerusalem and in all Judea and Samaria and as far as the remotest part of the earth Acts 1 8 NASB This second study begins with the church in Antioch sending Paul and Barnabas to Galatia to spread the good news of Jesus Christ The Galatians were so hungry for the word of God they begged Paul and Barnabas to stay Do you remember when you first accepted Jesus as your Savior How excited you were to read and hear the word of God That s how these Galatian believers felt too After Paul and Barnabas returned from Galatia the church in Antioch sent Paul on two more journeys that took him all the way to Europe and back as he evangelized most of the Mediterranean world Paul faced opposition from kings and magicians and demons and more and was beaten and thrown in jail on numerous occasions He was harassed by Judaizers who spread lies and followed him from city to city creating chaos They even hired thugs in Thessalonica to give false witness against him Then there were the Greek philosophers who threw Paul out of the Athenian Areopagus just for mentioning the

resurrection There were heroes too such as Lydia who started the first church in Europe Apollo who was a charismatic apologist and Aquila and Priscilla who were tentmakers and good friends with Paul Let s not forget Timothy and Titus whom Paul considered his spiritual sons and Doctor Luke who traveled with Paul on most of his journeys and wrote the book of Acts Paul performed many miracles like bringing Tabitha and Eutychus back to life and healing a crippled man in Lystra Then there were the men who tried to buy the Holy Spirit s power and the Seven Sons of Sceva who tried to cast out demons without the power of the Holy Spirit These men learned quickly that the Holy Spirit was not for sale The Holy Spirit is not for sale because its free to all who repent and call on the name of the Lord Hold on to your hat as we travel with Paul and his companions on his three iconic journeys courageously planting churches and sharing the Gospel throughout the Mediterranean region

Topical Bible Studies David Lendway,2019-08-19 This book is Volume 2 of three volumes and contains a different collection of Bible topics than each of the other two volumes These topics like the previous topics in the other two volumes will also allow the reader to easily identify and with little or no effort on their part to commit to memory exactly what God expects of them from within HIS written Word Although this will not necessarily bring about the reader s ability to remember precisely where each of these topics appears in the Bible s book chapter and verse it will after reading enough of these topics make their daily Bible reading much easier and so much more enjoyable due to their new found understanding The reader will also discover when studying topic by topic they will remember the subject matter much better than when these particular subjects flew by them at lightning speed while reading along in their Bible These self contained Bible studies work for everyone It doesn t matter where one stands in their faith or how much they know about the Bible these studies will work For those who are well rooted in the Word these studies will work for them as a review those who own an average understanding of God s Word will be able to use these studies not only as a review but also for learning something that God has said and they had previously missed Those who know very little about the Word of God will be able to learn a great deal from these topical studies since they are self contained and require no explanation because all commentary is backed up with book chapter and verse from the inspired Word of God Those who know nothing about the Word and are seeking to learn about God the Father God the Son God the Holy Spirit their salvation and the existence of this spiritual world they have heard so much about will now be able to learn straight from His Word right in the comfort of their living room whatever it is they want to know

Memoirs of an Unfinished Tale Mark F. Whitters,2017-06-21 What if Luke had to reteach the basic lessons of his history of the early church How would he communicate his point while livening up the details for someone who either was not present for the actual event or had not paid sufficient attention the first time he wrote Acts of the Apostles This is Luke s resume for a younger and still eager Theophilus He reenacts stories and replays events almost as a performance before the audience s eyes He knows that history is not a dry memorization of facts nor a chain of events but a compendium of vital lessons that guide growth and change History unfolds as episodes cohering around an intelligible

theme with drama and suspense Not unlike a play it requires imaginative performance to both entertain and provoke an audience to react This is a fresh way of presenting the Bible a method based on a rapidly growing movement in college and university classrooms called reacting It is in line with more traditional ways of understanding Scripture as performed in the context of liturgy At the same time this book challenges individuals with creative poems and illustrations and a built in system of application questions for daily readings Paul of Tarsus: Apostle to the Gentiles , *Archaeology and Bible History* Joseph P. Free,Howard Frederic Vos,1992 Using Bible history as the unifying element rather than a topical approach this book shows how archaeological discoveries in Bible lands have helped to confirm the accuracy of Scripture The authors also deal with issues of Biblical interpretation and criticism not strictly archaeological in nature Free s text has been updated and revised by Vos **The Harvest Handbook of Bible Lands** Steven Collins,Joseph M. Holden,2020-02-18 The scope of your learning will be unlimited and enhanced by leaps and bounds as you use this wonderful tool from the Foreword by Walter C Kaiser Jr New discoveries are constantly being made as archaeologists work to uncover the ancient history of the Bible lands to tell a more complete story of the people customs and events of that era Archaeologist Steven Collins and Bible scholar Joseph M Holden have spent decades making and researching those discoveries and now offer a wealth of information based on the latest findings This exciting addition to The Harvest Handbook™ series provides a textual and visual bird s eye view of ancient Near Eastern biblical geography culture history and chronology If you re looking for an accurate readable and user friendly resource to further your study of God s Word The Harvest Handbook™ of Bible Lands provides a valuable backdrop for biblical narratives and literature With the most up to date information from biblical and archaeological disciplines you will find your knowledge greatly enriched through well written narrative style text numerous maps instructive photographs illustrations and charts This must have tool will become your favorite resource as you study Scripture
