Never Again A Bwvm Interracial Motorcycle Dark Romance:

On The Run (A BWWM Bad Boy Dark Romance Novel) (Interracial Romance) Charity Carter, I helped hide a criminal and now we're both on the run. A week-long vacation was what I thought I needed after my treacherous divorce that my ex dragged on for months, but I couldn't have been more wrong. Instead of unwinding and relaxing in the sun, I was under Storm's lock and key while he held me hostage until we had to pretend that we were a normal couple. But when we started pretending, the feelings became all too real for me. That's when I realized he wasn't a criminal; he was just what I needed. He was what I had always secretly wanted: muscles, attitude, and a raging beast hidden beneath his zipper. With the root of his problems staring us in the face, we're forced to test the strength of our relationship. I just hope that I can hold on to this bad boy long enough to make it to the end. Defying Gravity - An Enemies to Lovers BWWM Interracial Romance Novel A. M. Kusi, 2020-10-01. A Black nurse with a teenager to raise. A white cop hiding a tender heart. Do they have what it takes to indulge their forbidden passion? Caregiver Belle Jones always puts her own needs last on the list. As a busy nurse and sole provider for her teenage brother, she has no time for meaningless hookups. And when her younger sibling arrives home in the backseat of a police car, the fury she feels for his strutting uniformed escort far outweighs her spark of desire. Sheriff Bently Evans works hard to protect his town and keep his emotions locked away. When it comes to relationships, that means burying his real feelings behind crass humor and his flirtatious playboy reputation. But after driving a stranded African American teen home, he meets a stunning woman who makes it impossible to sustain his act. As Belle slowly falls for the rugged lawman's true gentle nature, she fears he's not the type to ever commit. And just as Bently is ready to be vulnerable, an ominous warning forces him to push the woman he desires away from a deadly risk. Will a judgmental society drive a wedge between them, or can they conquer all with their powerful love? Defying Gravity is the tantalizing third standalone novel in the Shattered Cove contemporary romance series.
