*Never Too Late* Amber Portwood, 2017-04-11 MTV reality star Amber Portwood's autobiography describes her shocking downward spiral and recovery after prison. When Amber Portwood debuted on MTV's hit reality series *16 Pregnant*, no one could have predicted that the teenager from Anderson, Indiana, with the dry sense of humor, would go on to become one of the most controversial young celebrities in reality TV history. But soon after Amber stepped into the public eye, her life spiraled into chaos. From her struggles with anxiety, depression, and addiction to her brutal onscreen fights with her boyfriend, Amber seemed a troubled young woman destined to destroy herself. And that was all before she shocked everyone by sending herself to prison for seventeen months. But behind Amber Portwood's shocking behavior is a story the cameras never captured. It's a story of hardship and hope, of relationships torn apart by tragedy and addiction and put back together with strength, love, and determination. After years of losing herself in a daze of sex, drugs, and depression, Amber made the decision to stand up and do whatever it took to save her life, her family, and herself. With her trademark honesty, Amber tells the real story of how she learned to deal with the demons that nearly destroyed her. *Never Too Late* sends a powerful message that no matter how far down a person might fall, it's never too late to get back up and change the future.
