Carrington,2024-07-30 I need a fake fianc for the next six months That shouldn t be too hard to find right Hopefully my blind date is in a good mood because I m about to put my desperation on full display by asking him to pose as my fianc for six months The cute cowboy not only agrees to my crazy plan to get my family to leave me alone until my brother s wedding but he s also so good at playing the part going above and beyond that it makes even me believe this whole charade is real When he turns all protective I start to wish we weren t pretending But fake or not Dallas makes me feel brave enough to stand up for myself During the six months the lines blur and as the end of our agreement approaches I m not sure we re pretending anymore And now that I ve grown a spine I m brave enough to admit I want the real thing with him But after the wedding Dallas acts like our deal is done and walks away dragging my happily ever after along with him If he can t trust me enough to talk about what changed his mind then we aren t meant to be Except I think we are Nobody s that good at faking love

More Than an Ex-Girlfriend Remi Carrington,2023-09-30 I ve been avoiding my ex More like hiding from him but that s just semantics But hiding isn t possible now that he s my new neighbor We dated all through high school but then the day after graduation I ended things which I know broke his heart But at the time I thought I was making the best choice Now I

regret it Actually I ve regretted it for a while Pretty much since the day we said goodbye As much as I want to apologize and make things right if that s even possible I m afraid to face him And telling him why I broke up with him will crush him Clinging to the old adage that the way to a man s heart is through his stomach I spend an entire night making him cookies Apologies go better with cookies I think At least I hope so
