Day, 2013-06-03 By examining the novels of critically and commercially successful authors such as Sarah Dessen *Someone Like You* Stephenie Meyer the *Twilight* series and Laurie R. King *Speak* *Reading Like a Girl* Narrative Intimacy in Contemporary American Young Adult Literature explores the use of narrative intimacy as a means of reflecting and reinforcing larger often contradictory cultural expectations regarding adolescent women interpersonal relationships and intimacy *Reading Like a Girl* explains the construction of narrator reader relationships in recent American novels written about adolescent women and marketed to adolescent women Sara K Day explains though that such levels of imagined friendship lead to contradictory cultural expectations for the young women so deeply obsessed with reading these novels Day coins the term narrative intimacy to refer to the implicit relationship between narrator and reader that depends on an imaginary disclosure and trust between the story's narrator and the reader Through critical examination the inherent contradictions between this enclosed imagined relationship and the real expectations for adolescent women's relations prove to be problematic In many novels for young women adolescent female narrators construct conceptions of the adolescent woman reader constructions that allow the narrator to understand the reader as a confidant a safe and appropriate location for disclosure At the same time such novels offer frequent warnings against the sort of unfettered confession the narrators perform Friendships are marked as potential sites of betrayal and rejection Romantic relationships are presented as inherently threatening to physical and emotional health And so the narrator turns to the reader for an ally who cannot judge The reader in turn may come to depend upon narrative intimacy in order to vicariously explore her own understanding of human expression and bonds **Library Journal**, 2008 **A New Dawn** Ellen Hopkins, 2009-11-01 Fans of the literary phenomenon known as the *Twilight* series can't help wanting more *A New Dawn* gives it to them inviting readers to join some of their favorite YA authors as they look at the

series with fresh eyes and fall in love with Edward Bella and the rest of Forks Wash all over again Edited by bestselling author Ellen Hopkins A New Dawn is packed with the same debates readers engage in with friends Should Bella have chosen Edward or Jacob How much control do Meyer s vampires and werewolves really have over their own lives The collection also goes further Is Edward a romantic or a really hot sociopath How do the Quileute werewolves compare to other Native American wolf myths What does the Twilight series have in common with Shakespeare With contributions from Megan McCafferty Cassandra Clare Rachel Caine and many more A New Dawn answers these questions and more for a teen and adult audience hungry for clever view changing commentary on their favorite series The Complete Jessica Darling Series
