Security Protocols XVII Bruce Christianson, James A. Malcolm, Vashek Matyáš, Michael Roe, 2013-01-12 This book constitutes the thoroughly refereed post proceedings of the 17th International Workshop on Security Protocols SP 2009 held in Cambridge UK in April 2009 The 17 revised full papers presented together with edited transcriptions of some of the discussions following the presentations have gone through multiple rounds of reviewing revision and selection The theme of this workshop was Brief Encounters In the old days security protocols were typically run first as preliminaries to and later to maintain relatively stable continuing relationships between relatively unchanging individual entities Pervasive computing e bay and second life have shifted the ground we now frequently desire a secure commitment to a particular community of entities but relatively transient relationships with individual members of it and we are often more interested in validating attributes than identity The papers and discussions in this volume examine the theme from the standpoint of various different applications and adversaries The New Brewer ,1992 Pulp and Paper Magazine of Canada ,1918 **Eastern Europe in Crisis and the Way Out** Christopher Saunders, 2016-07-27 In this volume practitioners and theorists from East and West assess the results of four years of transformation in Eastern Europe In a general assessment of the stabilisation policies pursued some authors take a critical view of the conventional monetary and fiscal restrictive programmes which have helped to bring down inflation and to introduce elements of the market economy but have also left the economies concerned with heavily reduced output and real incomes An evolutionary strategy of structural transformation and demand management should play a primary role in recovery from the transformational recession Further issues discussed are the reform of the financial sector liberalisation of foreign trade privatisation and restructuring and the social aspects of transformation
