O Henry Literature Guide:

Guide to Life and Literature of the Southwest, with a Few Observations J. Frank Dobie, 2022-09-15 This guide book is a bibliography of books about the American West by various authors compiled by the literary critic J. Frank Dobie. The list is subdivided along themes associated with the different aspects of life in the West such as Native American culture, Spanish influences, French influences, Texas Rangers, Missionaries, Women pioneers, and Mountain men culture among others. Each aspect is preceded by a brief discussion of the topic before the list of books themed on the subject. [A Study Guide for O. Henry's "The Gift of the Magi"](#) Cengage Learning Gale, 2017-07-25 A study guide for O. Henry's *The Gift of the Magi* excerpted from Gale's acclaimed *Short Stories for Students* series. This concise study guide includes plot summary, character analysis, author biography, study questions, historical context, suggestions for further reading, and much more. For any literature project, trust *Short Stories for Students* for all of your research needs. [O. Henry's stories](#) O. Henry, 2015-07-27 O. Henry's stories frequently have surprise endings. In his day, he was called the American answer to Guy de Maupassant. While both authors wrote plot twist endings, O. Henry's stories were considerably more playful. His stories are also known for witty narration. Most of O. Henry's stories are set in his own time, the early 20th century. Many take place in New York City and deal for the most part with ordinary people: clerks, policemen, waitresses, etc. O. Henry's work is wide-ranging, and his characters can be found roaming the cattle lands of Texas, exploring the art of the con man, or investigating the tensions of class and wealth in turn-of-the-century New York. O. Henry had an inimitable hand for isolating some element of society and describing it with an incredible economy and grace of language. Some of his best and least known work is contained in *Cabbages and Kings*, a series of stories each of which explores some individual aspect of life in a paralytically sleepy Central American town while advancing some aspect of the larger plot and relating back one to another. [A Literary History of the American West](#) Western Literature Association (U.S.), 1987 Literary histories of course do not have a reason for being unless there exists the literature itself. This volume, perhaps more than others of its kind, is an expression of appreciation for the talented and dedicated literary artists who ignored the odds, avoided temptations to write for popularity or prestige, and chose to write honestly about the American West, believing that experiences long known to be of historical importance are also experiences that need and deserve a literature of importance. **How to Teach American Literature** Elizabeth McCallum Marlow, 2017-09 How does one keep classic books alive for young people today and teach them that literature is instructional and delightful? How does the teacher foster a classroom environment that encourages student participation and promotes enjoyment so that teenagers learn to appreciate literary study? More specifically, how can teachers cover centuries of American literature with students who don't appreciate why they should read material written centuries ago about people and issues that appear to be irrelevant to life today in a language that seems esoteric? The author of this series of high school teaching guides addresses these issues. *How to Teach American Literature: A Practical Teaching Guide* provides a detailed

resource for teachers or anyone interested in an in depth study of the subject This second book in the series covers American literature from the Puritan era to contemporary works Included are suggestions for cultivating a love for literature teaching techniques detailed analyses of each work questions for review and test questions with suggested responses essay topics audiovisual aids classroom handouts and recommended books that enhance teaching The author emphasizes two basic reasons for teaching literature it is instructional and delightful This book provides a comprehensive methodology for teaching the subject that a teacher could apply to one year s lesson plans without further investment in time Elizabeth McCallum Marlow has developed quality comprehensive guides for the teaching community based on her thirty five years of experience and her passion for literature Teaching professionals will find her tried and true practices to be invaluable Johnathan Arnold MBA M Ed D Ed Min Headmaster Covenant Christian Academy Cumming GA **Resources in Education** ,1996

Research in Education ,1974 **An Introduction to Literature for Students of English as a Foreign Language** K. Thomas Baby,2024-04-19 This textbook is the result of the author s long experience of teaching introductory English literature courses and the non availability of a suitable textbook for EFL English as a foreign language students The books currently available in the market are beyond the comprehension level of average EFL students In order to fill this gap and give a solid foundation to students the initial chapters of the book deal with important literary terms and a brief history of English literature In addition the book provides various types of comprehension questions focussing on the needs of EFL students Finally the book consists of carefully selected materials for the study of fiction poetry and drama from authors representing different ages of English literature This compact textbook can be considered as an excellent resource for all EFL students and teachers around the world **A Study Guide for O. Henry's "After Twenty Years"** Cengage Learning Gale,2017-07-25 A Study Guide for O Henry s After Twenty Years excerpted from Gale s acclaimed Short Stories for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Short Stories for Students for all of your research needs **Readers' Guide to Periodical Literature** ,1922 **A Portrait of the Artist as a Young Man (MAXNotes Literature Guides)** Matthew Mitchell,2013-01-01 REA s MAXnotes for James Joyce s A Portrait of the Artist as a Young Man MAXnotes offer a fresh look at masterpieces of literature presented in a lively and interesting fashion Written by literary experts who currently teach the subject MAXnotes will enhance your understanding and enjoyment of the work MAXnotes are designed to stimulate independent thought about the literary work by raising various issues and thought provoking ideas and questions MAXnotes cover the essentials of what one should know about each work including an overall summary character lists an explanation and discussion of the plot the work s historical context illustrations to convey the mood of the work and a biography of the author Each chapter is individually summarized and analyzed and has study questions and answers *Readers' Guide* ,1915 Dickens Dictionary (MAXNotes Literature Guides) Editors of REA,Alex

Phillips, 2013-01-01 REA's MAXnotes Dickens Dictionary The MAXNotes Dickens Dictionary is your key to the places and characters in the books of Charles Dickens This text includes synopses of each of Dickens's works both major and minor along with dictionary style entries referring to the body of work as a whole A must for any student of Dickens Houghton Mifflin Literature Series, 1965 *English American Literature (MJC-5) Language and Linguistics (MJC-6) British Poetry and Drama : 17th Century (MJC-7) B.
