Obama In The Drudg Report:

The Obama Presidency Robert P. Watson, Jack Covarrubias, Douglas M. Brattebo, Tom Lansford, 2012-07-01 Lively and engaging essays covering President Obama's domestic and foreign policy governing style and character

The Obama Effect Heather E. Harris, Kimberly R. Moffitt, Catherine R. Squires, 2010-09-20 November 4 2008 ushered in a historic moment Illinois Senator Barack Obama was elected the forty fourth President of the United States of America In The Obama Effect editors Heather E Harris Kimberly R Moffitt and Catherine R Squires bring together works that place Barack Obama's candidacy and victory in the context of the American experience with race and the media Following Obama's victory optimists claimed that the campaign signaled the arrival of an era of postracism and postfeminism in the United States This collection of essays all presented at a national conference to discuss the meaning and impact of the nomination of the first presidential candidate of African descent remind the reader that reaching a point in U S history where a biracial man could be deemed electable is part of a still ongoing struggle It resists the temptation to dismiss the uncertainty hope and fear that characterized the events and discourse of the two year primary and general election cycle and brings together multidisciplinary approaches to assessing the Obama effect on public discourse and participation This volume provides readers with a means for recalling and mapping out the enduring issues that erupted during the campaign issues that will continue to shape how our society views itself and President Obama in the coming years

Barack Obama, the Political Phenomenon Didier Mumbata Ndongala, The aim of this book is to bring into focus the most exciting and complex presidential campaign which for the first time revealed to the world Barack Hussein Obama as an extraordinary politician This is not a biography of the man who became the 44th President of the United States of America On the contrary this book is the absolutely true story of the most remarkable leader of the electoral campaign a man whose intellectual and political gifts prevailed and set him apart as a political genius Barack Obama won the presidency even though unfavorable circumstances made him less likely to be president of the United States of America being an African American the son of a non American from Kenya Having a strange name for an American being married to a woman of slave ancestry having served only four years as a United States Senator Imagine that before his speech at the 2004 Democratic convention more than half of all Americans either didn't know him or had never heard of him This book explains explicitly how this African American survived and convinced all the peoples of the world that he was the one they were waiting for and why the American people chose him as President of the United States of America at a crucial moment of the financial crisis despite all the disadvantages that weighed on him Barack Obama has truly shaken up the world With this achievement he has definitely proved that anyone not just rich boys from the upper classes can become president Besides the book The Political Phenomenon is the most nuanced account of the most exciting presidential campaign in American history including not only the highlights but also how the campaign became truly dramatic with all the problems conflicts and achievements In general

the rest of the world doesn't pay too much attention to the primaries until the two main candidates have emerged. But this time it was different. From Paris to Kinshasa from Copenhagen to Melbourne people stayed up late already in the beginning of 2008 waiting for the results of the American presidential primary season. And finally this book captures the essence of one of the most extraordinary leaders of our time and the process by which he became without any doubt a political phenomenon.

The Obama Haters John Wright, 2011. On November 4, 2008, the election of Barack Hussein Obama as the forty-fourth president of the United States showed that the country had finally overcome its most hurtful, shameful, and enduring legacy: slavery. Though Obama's election showed progress, the John McCain-Sarah Palin campaign and the Republican Party used age-old smear campaign tactics. Their operators pulled out all the stops in an attempt to win and spread falsehoods about Obama that have only multiplied after the election. *The Obama Haters* seeks to answer the following questions: Who are these Obama haters? Why do they despise him? Why do various news organizations, commentators, and political entities treat the same facts differently? Why are these pundits so powerful? In order to do so, Wright first lays out the democratic principles and civility toward which Americans should strive. Next, he investigates the persistent expressions of hatred for President Obama, connecting historic antecedents of political mudslinging along with the background of virulent right-wing smear tactics over the past two decades. And finally, he shines a harsh spotlight on the haters and fearmongers and their tactics. While Americans have the right to criticize their political leadership, their reasons for disapproval should be based on facts. Those who invent and repeat lies to hurt the reputation of leaders weaken the democratic ideal. This book is for anyone who wishes to learn how to cut through the hypocrisy and propaganda to make informed decisions based on truth.

Obama and America's Political Future Theda Skocpol, 2012-09-04. Obama's 2008 victory, coming amid the greatest economic crisis since the 1930s, opened the door to major reforms. But he quickly faced skepticism from supporters and fierce opposition from Republicans. What happened? Skocpol surveys the political landscape to help us understand Obama's triumphs and setbacks and see where we might be headed next.

Obama's Time Morton Keller, 2015. This pioneering attempt at a historical perspective on the Obama presidency examines Obama's presidential persona and governing style, his domestic and foreign policies, and his place in the larger context of modern American politics. It explores the reasons for the gap between what he sought and what he achieved and the larger political context in which this story unfolded.

Barack Obama and Leadership Joseph Andrews, 2012-07. How did Barack Obama so quickly squander the goodwill of the nation and the world? In *Barack Obama and Leadership: 10 Reasons the 44th President Squandered Unprecedented Goodwill*, Joseph Andrews offers an insightful scholarly response to this question, citing poignant facts, statistics, and incisive documentation. Andrews details both Barack Obama's election due to a campaign that promised hope and change, as well as a presidency that delivered little change and left the hopes of far too many Americans unrealized. Andrews pinpoints ten reasons why the Obama presidency has proven ineffective and deflated the confidence of the American people: Executive Inexperience, Lack of Appropriate Mentoring,

Questionable Integrity Misunderstood Mandate Aversion to Values Weak Governing Philosophy and more Strong leadership on the part of the President of the United States is important to Americans Barack Obama and Leadership 10 Reasons the 44th President Squandered Unprecedented Goodwill paints a revealing portrait of a president whose weakness and shortcomings not only cost him the faith and goodwill of the nation but of the world as well In these pages find an engaging read that shines a revealing light on the shaping influences defining decisions actions policies and ultimately the legacy of President Barack Obama Joseph Andrews is an alumnus of Jerry Jenkins Christian Writers Guild and a member of the Christian Authors Guild Woodstock Georgia He is a member of the general leadership of World Outreach Missions WOM a globally oriented leadership and missions ministry in Lawrenceville Georgia He has an executive background in both human resource management and marketing As a leadership resource person his interests are in transformational leadership and the principles that engender this in organizations and societies He lives in Lawrenceville Georgia with his wife Magdalene and their two children Joshua and Abigail

U.S. Media and Elections in Flux David A. Jones,2016-02-26 Paid earned and social media are all crucial elements of modern electioneering yet there is a scarcity of supplementary texts for campaigns and election courses that cover all types of media Equally media and politics courses cover election related topics yet there are few books that cover these subjects comprehensively This brief and accessible book bridges the gap by discussing media in the context of U S elections David A Jones divides the book into two parts with the first analyzing the wide array of media

outlets citizens use to inform themselves during elections Jones covers traditional mainstream news media and opinion entertainment based media as well as new media outlets such as talk shows blogs and late night comedy programs The second half of the book assesses how campaigns and candidates have adapted to the changing media environment These chapters focus on earned media strategies paid media strategies and social media strategies Written in a concise and accessible style while including recent scholarly research the book will appeal to students with its combination of academic rigor and readability U S Media and Elections in Flux will be a useful supplementary textbook for courses on campaigns and elections media and politics and American introductory politics **"At this Defining Moment"** Enid Lynette

Logan, 2011-10 Introduction the landscape of race in the 21st century Post race American triumphalism and the entrenchment of colorblind racial ideology Rooted in the Black community but not limited to it the perils and promises of the new politics of race Contesting gender and race in the 2008 democratic primary The trope of race in Obama's America Asian and Latino voters in the 2008 election the politics of color in the racial middle In defense of the white nation the modern conservative movement and the discourse of exclusionary nationalism Racial politics under the first Black president **The Harbinger** Jonathan Cahn, 2011-09-03 New York Times Best Seller for Over 100 Weeks Consecutively and Over 2 Million Copies Sold Amazon.com's top 100 best seller list for more than six months Over 79 weeks on USA Today's Top 150 Best Selling Books 7000 5 Star Reviews From the author that brought you The Book of Mysteries The Mystery of the Shemitah and The Paradigm Jonathan Cahn has come up with an understanding of a pattern in the Scripture for God's judgment on ancient Israel being played out in the United States of America now The Harbinger is the best explanation I've come across to understand the mystery of what's behind 9/11 the war in Iraq the crash of Wall Street and much more This end time revelation puts him in a new category Sid Roth Author and host of It's Supernatural and Messianic Vision The Harbinger is the most precise scriptural revelation of God's passion for America We must heed the warnings and turn back to the Christ who once greatly blessed America David Tyree Former New York Giants wide receiver Is it possible That there exists an ancient mystery that holds the secret of America's future That this mystery lies behind everything from 9/11 to the collapse of the global economy That ancient harbingers of judgment are now manifesting in America That God is sending America a prophetic message of what is yet to come Before its end as a nation there appeared in ancient Israel nine specific warnings and omens of national destruction These same nine Harbingers are now manifesting in America with profound ramifications for America's future and end time prophecy Hidden in an ancient biblical prophecy from Isaiah the mysteries revealed in The Harbinger are so precise that they foretell recent American events down to the exact days the 3 000 year old mystery that revealed the exact date of the stock market collapse of 2008 the ancient prophecy that was proclaimed from the floor of the US Senate and then came true and more The revelations are so specific that even the most hardened skeptic will find it hard to put down Though it sounds like the plot of a Hollywood thriller IT'S REAL The prophetic mysteries are factual but revealed

through a riveting narrative the reader will find hard to put down The Harbinger opens with the appearance of a man burdened with a message he has received from a mysterious figure called The Prophet The Prophet has given him nine seals each containing a message about America's future As he tells of his encounters with the Prophet from a skyscraper in New York City to a rural mountaintop to Capitol Hill to Ground Zero the mystery behind each seal is revealed As the story unfolds each revelation becomes another piece in a larger and larger puzzle the ramifications of which are even now altering the course of America and the world

Yes We Can? Adia Harvey Wingfield, Joe R. Feagin, 2013 In this second edition the authors extend that analysis to Obama's service in the presidency and to his second campaign to hold that presidency Elaborating on the concept of the white racial frame Harvey Wingfield and Feagin assess in detail the ways white racial framing was deployed by the principal characters in the electoral campaigns and during Obama's presidency

Culture Wars Roger Chapman, 2015-03-17 The term culture wars refers to the political and sociological polarisation that has characterised American society the past several decades This new edition provides an enlightening and comprehensive A to Z ready reference now with supporting primary documents on major topics of contemporary importance for students teachers and the general reader It aims to promote understanding and clarification on pertinent topics that too often are not adequately explained or discussed in a balanced context With approximately 640 entries plus more than 120 primary documents supporting both sides of key issues this is a unique and defining work indispensable to informed discussions of the most timely and critical issues facing America today

The Brief Against Obama Hugh Hewitt, 2012-06-26 Voters can do nothing until they have the facts the hard cold true facts and that is what Hugh Hewitt provides in THE BRIEF AGAINST OBAMA The Rise Fall Epic Fail of the Hope Change Presidency Hugh makes the case that Obama's has been a disastrous presidency a fiasco in fact and reveals the president to be a wholly unprepared and incapable of learning ideologue whose nearly every move has been wrong and whose almost every decision has been ill conceived and poorly executed But for the SEALs dispatch of bin Laden and the military's removal of al Awalki and other terrorists whom the president still seeks to remove from Gitmo to domestic courts in the United States Obama would be wholly without anything to claim as an achievement of his time in the Oval Office In addition to the monumental failures of Obamacare the soaring unemployment rate the 2009 stimulus and the massive debt Hugh Hewitt examines the scores and scores of broken promises and fraudulent forecasts dozens of dodges and hundreds of disastrous innovations that President Obama has inflicted on America It has been a reign of incompetency not before seen in the country ever According to Hewitt President Obama is not just a failed president but the most spectacularly failed president of modern times and Hewitt's precise and lawyerly indictment is made to help the American people see what has happened and what desperately needs to be done in the upcoming election The path for the American people is clear and urgent Barack Obama mustn't be allowed to run the country into the ground as the Commander in Chief for four more years

Barack H. Obama Webster Griffin Tarpley, 2008 Written by the author of the

legendary 1992 expose of Bush the elder this book works from a New Deal point of view Obama is exposed as a foundation operative and agent of Wall Street finance capital controlled by Zbigniew Brzezinski George Soros and Goldman Sachs Obama's mother was an official of the Ford Foundation the World Bank and US AID By all indications Obama was identified for future political use by Brzezinski at Columbia in 1981 1983 during Obama's secret lost years Obama has worked for the Gamaliel Foundation the Joyce Foundation the Woods Fund and the Annenberg Foundation as a community organizer a poverty pimp a cynical opportunist who uses suffering people as a political commodity The foundation strategy is divide and conquer pitting blacks against whites against Hispanics against Asians to prevent any challenge to Wall Street Racist provocateurs like Wright and Pfleger along with Weatherman terrorist bombers Ayers and Dohrn Obama's best friends are cast in this mold Rezko Auchin and Al Sammarrae represent the cesspool of Chicago graft and corruption in which Obama cavorts Schooled in Nietzsche and Fanon Obama qualifies as a postmodern fascist An Obama administration would strive for brutal economic sacrifice and austerity to finance Wall Street bailouts and for imperialist confrontation with Russia and China

Selfie Democracy Elizabeth Losh, 2022-09-06 How politicians' digital strategies appeal to the same fantasies of digital connection access and participation peddled by Silicon Valley Smartphones and other digital devices seem to give us a direct line to politicians But is interacting with presidential tweets really a manifestation of digital democracy In Selfie Democracy Elizabeth Losh examines the unintended consequences of politicians' digital strategies from the Obama campaign's pioneering construction of an online community to Trump's Twitter dominance She finds that politicians who use digital media appeal to the same fantasies of digital connection access and participation peddled by Silicon Valley Meanwhile smartphones and social media don't enable participatory democracy so much as they incentivize citizens to perform attention getting acts of political expression Losh explores presidential rhetoric casting digital media as tools of democracy describes the conflation of gender and technology that contributed to Hillary Clinton's defeat in 2016 chronicles the Biden campaign's early digital stumbles in 2020 and recounts the TikTok campaign that may have spoiled a Trump rally She shows that although Obama and Trump may seem diametrically opposed in both style and substance they both used mobile digital media in ways that reshaped the presidency and promised a new kind of digital democracy Obama used data and digital media to connect to citizens without intermediaries Trump followed this strategy to its most extreme conclusion What were the January 6 insurrectionists doing as they livestreamed themselves and their cohorts attacking the Capitol but practicing their own brand of selfie democracy

Demonizing a President Martin A. Parlett, 2014-08-28 This groundbreaking political exposé scrutinizes the motivations behind the unparalleled attacks on President Barack Obama that attempted to undermine his eligibility to lead the country The ascendancy of the first Black president was a watershed moment in American history In response Obama's adversaries engaged in relentless and systematic mudslinging throughout his campaign and well into his presidency othering him as a foreign and dangerous political figure Never before has a presidential candidate been so

maligned by so many in such a variety of ways and yet won This provocative study investigates the unrest behind the Obama campaign and election and the controversial political machine that caused it Martin A Parlett himself a former campaigner for Barack Obama examines the role identity politics and racialization played in the anti Obama movement shows how foreignization is the latest tool for political dissent and discusses the ways in which Obama successfully used the outsider label to his own advantage The book questions the popular and often contradictory notions of Obama as illegitimate Muslim Marxist Communist socialist Kenyan terrorist and angry African American Additionally chapters trace political marginalization and race throughout history from slavery to Reconstruction to the Civil Rights Movement concluding with the culture of distrust in the American political psyche since the events of September 11 2001 [Collision 2012](#) Dan Balz, 2014-08-26 From the bestselling author of *The Battle for America 2008* and longtime Washington Post correspondent an inside view and analysis of the Obama Romney presidential race In 2008 a bright young candidate triumphed on a theme of change and hope Four years later an embattled President struggled against an apocalyptically divided and divisive Congress a war that won't end and an economy that casts a dark penumbra over every spark of good news His opponent a well heeled businessman who couldn't seem to stand on his own business record withstood unexpected and extreme opposition to capture the nomination of a party whose main platform and principles with which he was historically and fundamentally at odds The 2012 Election once predicted to be a boring run at a popular President took on a new urgency with the infamous 2010 midterm shellacking and equally infamous Citizen United ruling and delivered drama and tension as the Republicans tried to reconcile the factions at war within their party and Democrats faced the tsunami of super Pac money flooding local and regional elections As with his last book *The Battle for America 2008* Washington Post correspondent Dan Balz uses a combination of superb sources and long deep reporting experience to take us both deep inside and far beyond Campaign HQs in Chicago and Boston He tracks the nuances of Beltway politics and the thinking behind the scenes to show how Obama regained his footing and to speculate about whether this election actually did anything to change the toxically poisonous atmosphere inside the Beltway the increasing hostility and disenchantment with politicians outside and the frightening effect of the torrent of money being poured out by special interest groups beholden to no voter or law Will there be anything in this election that will heal the political process in America Special highlights include two much talked about post election interviews with Romney and Christie which have been making headlines as well as a new afterword
