At first, I am surprised and flattered, the envy of my friends. Then, when our whirlwind romance escalates and he asks me to move in with him, it's like a dream come true. But as I get to really know my new boyfriend, my fairytale turns into a nightmare. Duncan is no Prince Charming. He is the Devil. Soon isolated from my friends and family, watched day and night, a prisoner in my own life, I know if I am going to survive, I need to escape. When a chance encounter with an old friend throws me a lifeline, I realise this is my live or die moment and I find a hiding place deep in the Norfolk countryside. I'm supposed to feel safe here, so why do I hear footsteps outside my hideaway late at night and sense that someone is watching me? Is it paranoia or has Duncan managed to find me?
