Night Terror Gareth Vaughn, 2018-08-18 Sequel to *Bad Seed* After tracking down a murderer Dane wants life to get back to normal But when an Order of Decryters representative shows in Dane's coffee shop he knows he's going to have to watch his step Reeling from a reprimand for his conduct and annoyed at having nothing better to do than make coffee Dane is relieved when he learns there's a problem monster on the loose Hunting down whatever is killing and eating cows sounds like the perfect cure for his moodiness Add in the company of his unlikely partner professor Sean Sanderson and Dane might just get over disciplinary action The problem is Dane can't figure out what kind of monster is on a killing spree And Sean doesn't seem to remember him anymore

Crypt Coffee Box Set Gareth Vaughn, 2024-03-09 Part of a secret organization tasked with responding to paranormal threats Dane is a loose cannon operating out of a niche coffee shop Crypt

Coffee When Sean a local professor addicted to Dane s pastries accidentally sees something he shouldn t have something impossible it starts the two of them on a dangerous and passionate affair full of sex secrets strange characters and murder This box set contains all five books in the series including Bad Seed Monster hunter Dane and professor Sean make an unlikely pair but teaming up together is the only chance they have at catching a killer that is if they don t get too distracted with each other first Night Terror Something in Bleu Falls is killing off cows and monster hunter Dane is ready to track it down with the help of his partner Sean The only problem is Sean doesn t remember him anymore Family Bonds When a violent werewolf ghost threatens to rip the delicate peace between the local packs apart it s up to Sean and Dane to step in and diffuse the situation Negotiating killer ghosts and shady secret organizations might be easier than dealing with a surprise visit from Dane s parents who have no idea about his real job and who are intent on spending some quality family time with their son Slim Chance A stable relationship is harder for Dane and Sean than dealing with monsters or murderers so when Sean sees something weird at work it s almost a welcome challenge Except that Sean s getting sick and Dane has to pose as a student to get to the bottom of things a role he hates Can they solve the mystery in time or are their chances for success and survival slim indeed Tipped Scales A series of attacks gets the summer off to a dangerous start as Sean and Dane investigate what s going on in Bleu Falls As the pieces click into place they find there s an awful lot of magical power at stake enough to change the world But the closer they get to answers the less likely it seems they will ever have a chance at a future together unless they can tip the scales in their favor **How To Beard A Lion In His Own Den** R.B.
