SHERMAN'S MISSISSIPPI CAMPAIGN

Sherman S Mississippi Campaign

**Alexander Davidson (of
Springfield.), Bernard Stuvé**

Sherman S Mississippi Campaign:

Southern Cross Amanda Low Warren,2024-05-23 Lieutenant General Leonidas Polk was a distinguished West Point graduate the first Episcopal Bishop of Louisiana a university founder and a Confederate commander beloved by his troops esteemed by the public and killed on the field of battle In spite of his many accomplishments historians invariably disparage Polk s generalship and even his personal character but is their treatment fair or accurate This work employs a balanced perspective to shed new light on Polk s military leadership and reveal unexpected truths that explain his conflict with General Braxton Bragg A seemingly insignificant piece of correspondence along with an exploration of both men s writings coalesce into an understanding of the root cause of the command dysfunction and chronic failures of the Army of Tennessee

The History, Civil, Political and Military, of the Southern Rebellion Orville James Victor,1861 *Sherman's Mississippi Campaign* Buckley T. Foster,2006-10-15 Publisher description *War Upon the Land* Lisa M. Brady,2012 War upon the land is not merely an environmental history of the war Instead Brady s is a book about how the Civil War engaged with and forever altered a suite of nineteenth century American ideas about nature Thus it examines the place of wilderness in the history of the Civil War and as importantly the place of the Civil War in the history of wilderness Foreword *The Campaigns for Vicksburg 1862-63* Kevin Dougherty,2020-01-10 This study of the Battle of Vicksburg offers a thorough campaign history and 30 instructional leadership vignettes by a Citadel tactical officer Military Review Considered by many historians to be the truly decisive battle of the Civil War Vicksburg is fascinating on many levels A focal point of both western armies the campaign of maneuver that finally isolated the Confederates in the city was masterful The Navy s contribution to the Union victory was significant The human drama of Vicksburg s beleaguered civilian population is compelling and the Confederate cavalry dashes that first denied the Union victory are thrilling But the key to the federal victory at Vicksburg was simply better leadership It is this aspect of the campaign that *The Campaigns for Vicksburg 1862 1863* seeks to explore The first section of this book familiarizes the reader with the challenges characteristics and styles associated with leadership during the Civil War in general It also outlines the Vicksburg campaign from the failed attempts at capture to the brilliant maneuvers and logistics that allowed Grant to ultimately lay siege The second section of the book contains thirty leadership vignettes that span the actions of the most senior leaders down to those of individual soldiers Each vignette explains the action in terms of leadership lessons learned and concludes with a short list of take aways to crystallize the lessons for the reader This study covers many of the Civil War s most famous commanders who vied for the Rebel Gibraltar on the Mississippi and reveals important lessons on decision making that still apply to this day *The Vicksburg Campaign* Kevin Dougherty,2015-03-25 The Union victory at Gettysburg is widely considered the turning point of the Civil War but many scholars consider the capture of Vicksburg the decisive action Building on a well established body of literature including the author s previous work this book provides a comprehensive narrative and single volume reference work on the Vicksburg

Campaign The action is traced from Farragut's failed navy only efforts to bypass the city through Grant's botched series of canal schemes to his brilliant series of maneuvers that left Pemberton and his garrison besieged for more than 40 days Key Union and Confederate players are identified and the strategic circumstances that made Vicksburg the lynchpin of the Western Theater are described Appendices include information about Vicksburg National Military Park the Federal and Confederate Orders of Battle and the Medal of Honor at Vicksburg

The Life and Campaigns of Lieut.-Gen. U. S. Grant, from His Boyhood to the Surrender of Lee. Including an Accurate Account of Sherman's Great March from Chattanooga to Washington, and the Final Official Reports of Sheridan, Meade, Sherman, and Grant, Etc Phineas Camp Headley, 1866

The Summer of '63: Vicksburg & Tullahoma Chris Mackowski, Dan Welch, 2021-08-10 An important contribution to Civil War scholarship offering an engrossing portrait of these important campaigns this reviewer recommends it highly NYMAS Review The fall of Vicksburg in July 1863 fundamentally changed the strategic picture of the American Civil War though its outcome had been anything but certain Union general Ulysses S Grant tried for months to capture the Confederate Mississippi River bastion to no avail A bold running of the river batteries followed by a daring river crossing and audacious overland campaign finally allowed Grant to pen the Southern army inside the entrenched city The long and gritty siege that followed led to the

fall of the city the opening of the Mississippi to Union traffic and a severance of the Confederacy in two In Tennessee meanwhile the Union Army of the Cumberland brilliantly recaptured thousands of square miles while sustaining fewer than six hundred casualties Commander William Rosecrans worried the North would overlook so great an event because it is not written in letters of blood and history proved him right The Tullahoma campaign has stood nearly forgotten compared to events along the Mississippi and in south central Pennsylvania yet all three major Union armies scored significant victories that helped bring the war closer to an end The public historians writing for the popular Emerging Civil War blog speaking on its podcast or delivering talks at its annual Emerging Civil War Symposium in Virginia always present their work in ways that engage and animate audiences Their efforts entertain challenge and sometimes provoke with fresh perspectives and insights born from years of working at battlefields guiding tours and writing for the wider Civil War community The Summer of 63 Vicksburg and Tullahoma is a compilation of some of their favorites anthologized revised and updated together with several original pieces Each entry includes helpful illustrations This important study when read with its companion volume The Summer of 63 Gettysburg contextualizes the major 1863 campaigns in what arguably was the Civil War s turning point summer
