I started experimenting with different flavors of chicken stir fry when my life and metabolism changed, forcing me to cook and eat healthier. I found that the same chicken recipes with steamed vegetables were getting boring, and I wanted to try something tasty and new. I went out and bought an inexpensive wok, and then started to pour all of my ingredients into this new kitchen appliance. I thought I would end up making one or two and move on, but this method became my favorite way of cooking my meals. The taste and crispness of the vegetables after being cooked in a wok cannot be mimicked using any other type of cooking pot, and the taste is out of this world.

Illustrated's 25th anniversary we've gathered together our most extraordinary recipes and innovations from the past quarter century in this hands-on book packed with practical tips and techniques. These recipes tell the story of how *Cook's Illustrated* has changed American home cooking through its signature blend of rigorous testing, culinary research, science, and unorthodox approaches to developing foolproof recipes. As fans know, a big part of what makes the magazine so trustworthy and enjoyable to read is the essays that accompany each recipe, tracing from initial brainstorming to aha moments and the occasional catastrophe to final success. Rarely republished since they first appeared, these feature-length stories celebrate the art of food writing and the extensive work that goes into every recipe. In addition to the recipes, essays, and helpful sidebars, this book also features the trademark black and white illustrations that have become synonymous with *Cook's Illustrated*, creative use of the beloved front and back cover art, and a new addition: gorgeous full-color photographs of each dish. Featured recipes include Perfect corn on the cob that never gets boiled, ultracreamy tomato soup that's completely dairy-free, the fastest roast chicken recipe, oven-grilled London broil, and ingenious low-key approaches to traditionally high-fuss recipes such as risotto, French fries, pie crust, and many more.
