Italian cookbooks quanto basta is typically represented as q b It translates to as much as is necessary and it appears when an ingredient is listed without an exact quantity It s essentially the Italian version of salt to taste but it has come to symbolize a shift in focus for me one that places simplicity and comfort first and always makes me ask Is this really necessary It took me decades to get here This book is meant as a ride along from red sauce to regional classics to the pastas I ve made my own At its core is a journey back to the home regions of some of my favorite pastas in an effort to understand them with new clarity to gain a deeper knowledge of not only how they are faring in a country undergoing constant culinary evolution but also of their sense of place Perhaps more than anything though this book is my love letter to pasta What has made pasta the cornerstone of Italian culinary culture for centuries an indelible part of so many Americans early food memories and a food so eminently alluring that even the gluten averse cannot resist its siren song is that it asks first and foremost something elemental of us that we enjoy it

information and how to photographs to ensure your success **South of Somewhere** Dale Gray,2023-09-05 NAMED A BEST COOKBOOK OF 2023 by TASTING TABLE and LOCAL PALATE A one of a kind recipe chronicle of Dale Gray s life in the south from South Africa to South Korea to the American South South of Somewhere is a unique culinary tour of beloved

food blogger Dale Gray's life to date. Her journey goes way back to South Africa on the outskirts of Cape Town. Dale grew up with a close knit family who has resided in her hometown for generations but it's almost impossible to encapsulate her heritage in a few words. She describes the people of South Africa as a product of centuries of colonization, enslavement, apartheid, and intermarriage between people from Asia, Africa, and Europe, now compromising a colorful blend of Eastern, Western, and African heritage. After growing up in South Africa, Dale taught English for six years in South Korea and she later moved to the American South where she resides now with her husband. The result of her travels is a one of a kind cookbook with dishes including Porch Party Shrimp with Mississippi Comeback Sauce, Salmon Ssam Feast, and Garlic Peri Peri Roast Chicken. Dale Gray is best known for creating delicious dinner recipes for her blog and Instagram that look as good as they taste, but this book delves far deeper into her story and food with delicious creations like these and more which you'll return to time and time again.
