Yoshimoto, 2025 Conceived during the 2020 COVID-19 lockdown and the accompanying rise in anti-Asian bigotry, *Word of Mouth: Asian American Artists Sharing Recipes* is an artists' cookbook featuring stories and artwork from twenty-three Asian American and Asian diaspora artists from across the United States, with contributions that range from Los Angeles-based performance artist Kristina Wong's Recipe for Political Action to New Orleans-based painter Francis Wong's family recipe for stir-fried Szechuan alligator. *Word of Mouth* was first published as an online exhibition through the Virtual Asian American Art Museum. This print version features a new introduction by art historian Michelle Yee, expanded essays, and brand new

recipes Each contribution is accompanied by an original illustration and enriched by the artist s reflections on how their cuisine has been impacted by histories of war migration relocation labor or mixing A pandemic project turned illustrated cookbook this unique collection disrupts genre expectations to celebrate how artists use food to nurture and sustain their diverse communities and artistic practices as well as to build connection during times of isolation grief and loss Without Grain Hayley Barisa Ryczek,2015-09 Continue to eat amazing food while still taking control of your diet These 100 great grain free recipes will keep you on track and satisfied Keto Restaurant Favorites Maria Emmerich,2017-07-11 Eating ketogenic doesn t mean that you have to give up the dishes you love Instead Maria shows you how to re create those recipes keto style answering the demand for a one stop cookbook that allows you to replicate your favorite restaurant cuisine in your own kitchen Amazon com *The Blessings of Poverty* Diane Boone,2013-07-25 To being with please understand that I do realize how paradoxical the title of this work may seem In fact I can hear the astonished question you may be asking just now Poverty a blessing How can that be Well lets go to the dictionary and see if the definition of the word blessing can help answer that question In Websters New Collegiate Dictionary we find the following entry next to the word blessing a thing conducive to happiness or wellbeing Most of us are so focused on the happiness part of the definition that we only see Gods hand of blessing when were happy we forget that not everything conducive to our wellbeing makes us feel happy Just as a loving parent will bless their child with both comforts and discipline so God blesses us with both comforts and challenges As I look at the lives of my family and myself I can see how God has strengthened our walk with Him through our financial struggles Because of this fact I say with assurance that financial struggles can be used of the Lord to truly bless us Next I want to ask you to take my use of the word poverty with the proverbial grain of salt as my intent is to use the term in a very tongue in cheek manner Ive actually heard of individuals complaining because they have to choose between landscaping their newly built home or taking a second vacation this year or lamenting the fact that times are so hard they have to cut their annual vacation to Hawaii from the usual four weeks to only two weeks The truth is many many people sharing our world would be ecstatic to have the standard of living that most of us are enjoying So viewed from their perspective wouldnt it seem that if we have a roof over our heads proper clothing to wear and eat three meals a day were doing pretty well for ourselves Its also true that God has spread His children throughout the world in different cultures with different gifts and with different incomes There is nothing wrong with having a comfortable income or owning lovely things And there is certainly nothing wrong with working hard to provide for your family In fact many Godly people mentioned in scripture had a great deal of wealth Abraham Isaac Joseph Job King David and Joseph of Arimathia are just a few that spring to mind There are also many Godly people mentioned in scripture who had very little wealth Mary Joseph the beggar Lazarus the widow with her two mites and our Lord Himself There is nothing inherently more spiritual with one state or the other Those with wealth need to thank God most sincerely for what they do have and to beware of falling into the trap of pride look at me and

how successful I've been. And it's been very interesting for me to realize that those with modest incomes also need to thank God most sincerely for what they do have and to beware of falling into the trap of pride. Look at me getting along on a small income; must somehow make me more spiritual than the wealthy. Did you know that when the Lord was on earth one of His most frequent topics of discussion was money? He never condemned wealth. He condemned the preoccupation with wealth and the belief that a person's worth or security comes from amassing huge amounts of wealth. Regardless of whether we have a large amount of this world's goods or a small amount, it all belongs to God. We need to use whatever we do have to further God's kingdom and honor Him by caring for our families and reaching out to those in need. And all of us need to embrace the truths found in Matthew 6:25-34 and find our security in the wonderful care of our loving Heavenly Father. I myself was raised in a Christian home by parents who were quite well off financially. I just never realized it until I was almost finished with high school.
