To Die Is Gain

Jonathan Parsons

To Die Is Gain:

To Live is Christ, to Die is Gain Jonathan Parsons,1771 *To Die Is Gain: A Theological (Re-)Introduction to the Sacrament of Anointing of the Sick for Clergy, Laity, Caregivers, and Everyone Else* Roger W. Nutt,2022-05-05 The Anointing of the Sick is possibly the most underappreciated and understudied sacrament In *To Die Is Gain* Roger Nutt seeks to bring greater attention to and appreciation for the Anointing of the Sick Beginning with an examination of cultural perceptions of dying death and burial *To Die Is Gain* exposes the ways in which contemporary atheism and physicalism mark a clear divergence from ancient attitudes In contrast to contemporary hopelessness the Anointing of the Sick is a powerful counter witness that highlights the great dignity of the human person and the depth of Christian hope Unlike the cures to particular ailments facilitated by modern medical science in Holy Anointing Jesus gives his dying followers the healing graces that they need to pass from this life to the next in loving union with Him As Nutt exposes the biblical and traditional foundations of this sacrament he corrects common misconceptions and malpractice of this sacrament especially the ways in which Vatican II is often misleadingly enlisted to support a broadening of the sacrament from end of life situations to non life threatening illnesses Finally Nutt carefully describes the graces and effects of the Anointing of the Sick and richly expounds the theological depth of the rite of the Anointing of the Sick The result is that readers can confidently say with St Paul that To die is gain Philippians 1 21 **To Die Is Gain** Jaye Pool,2025-05-06 The end of the road is only the beginning Luke Phillips has finally reached a breaking point at the age of forty three Living in Losanti Ohio he juggles a dead end job self medicated mental illness and the lingering shadow of an unfulfilled life Divorced and haunted by past mistakes particularly the heartbreak he caused decades ago he feels trapped by his overbearing parents and the haunting comparison to his successful brother Trey A lifeline emerges in the form of Paul Chu Luke s old friend whose own life has been shattered by past indiscretions After a phone call interrupts Luke s darkest moment their reunion sparks an impromptu road trip filled with laughter nostalgia and unexpected adventures Along the journey they confront their demons seek redemption and grapple with the painful realities of their pasts together However as their adventure unfolds fate delivers a harsh and cruel blow Facing adversity Luke must summon the courage to reclaim not just his life but also the love he lost In a tale of friendship redemption and self discovery he embarks on a quest to transform his life and finally break free from his demons Can Luke emerge from the shadows of his past to embrace a future filled with possibility *To Live Is Christ to Die Is Gain* Matt Chandler,Jared C. Wilson,2013-09-01 Using Paul s radical letter to the Philippians as his road map Matt Chandler forsakes the trendy to invite readers into authentic Christian maturity The short book of Philippians is one of the most quoted in the Bible yet Paul wrote it not for the popular sound bites but to paint a picture of a mature Christian faith While many give their lives to Jesus few then go on to live a life of truly vibrant faith In this disruptively inspiring book Chandler offers tangible ways to develop a faith of pursuing chasing knowing and loving Jesus Because if we clean up our lives but don t get Jesus we

ve lost So let the goal be Him To live is Christ to die is gain this is the message of the letter Therefore our lives should be
