that it avoids the present impasse between social constructionist and biological essentialist paradigms His emphasis is on love as identity forming This fresh holistic approach makes an important contribution to the literature and will benefit scholars and students alike Foreword by Beth Felker Jones **Theatre in Transformation** Wolfgang Schneider, Lebogang L. Nawa, 2019-01-23 Are artists seismographs during processes of transformation Is theatre a mirror of society And how does it influence society offstage To address these questions this collection brings together analyses of cultural policy in post apartheid South Africa and actors of the performing arts discussing political theatre and cultural activism Case studies grant inside views of the State Theatre in Pretoria the Market Theatre in Johannesburg and the Baxter Theatre in Cape Town followed by a documentation of panel discussions on the Soweto Theatre The texts collected here bring to the surface new faces and voices who advance the performing arts with their images and lexicons revolving around topics such as patriarchy femicide and xenophobia Revelation and Reason in Christian Theology Christopher C. Green, David I. Starling, 2018-07-11 Do revelation and reason contradict Throughout the church s history Christians have been tempted to make revelation and reason mutually exclusive But both are essential to a true understanding of the faith The inaugural Theology Connect conference held in Sydney in July 2016 was dedicated to surveying the intersection of revelation and reason In Revelation and Reason in Christian Theology Christopher C Green and David I Starling draw together the fruit of this conference to provoke sustained deep reflection on this relationship The essays filtered through epistemological biblical historical and dogmatic lenses critically and constructively contribute to this important and developing aspect of theology Each essayist approaches revelation and reason according to the psalmist s words In your light we see light Ps 36 9 The light of faith does not obscure truth rather it enables us to see truth Invitation to Biblical Theology Jeremy M. Kimble, Ched Spellman, 2020-06-30 Invitation to Biblical Theology provides a thorough overview of biblical theology that is accessible for those new to the topic but substantial enough for advanced study Defining biblical theology as the study of the whole Bible on its own terms Jeremy Kimble and Ched Spellman begin with a brief history of the discipline followed by a survey of contemporary approaches They then lay out their own approach built on the framework of the canon the covenants and Christ Taking God s plan of redemption in Christ as the uniting theme of Scripture Kimble and Spellman survey the grand storyline of the Bible from Genesis to Revelation showing how each division of the canon moves the overarching story forward The following ten chapters survey central and recurring themes of Scripture including kingdom worship Messiah and atonement God s glory and mission The authors conclude with reflections on how biblical theology can serve the church as well as the academy
