**S. C. Gwynne**

## **Rebel Yell The Violence Passion And Redemption Of Stonewall Jackson:**

**Rebel Yell** S. C. Gwynne, 2014-09-30 Finalist for the National Book Critics Circle Award the epic New York Times bestselling account of how Civil War general Thomas Stonewall Jackson became a great and tragic national hero Stonewall Jackson has long been a figure of legend and romance As much as any person in the Confederate pantheon even Robert E Lee he embodies the romantic Southern notion of the virtuous lost cause Jackson is also considered without argument one of our country's greatest military figures In April 1862 however he was merely another Confederate general in an army fighting what seemed to be a losing cause But by June he had engineered perhaps the greatest military campaign in American history and was one of the most famous men in the Western world Jackson's strategic innovations shattered the conventional wisdom of how war was waged he was so far ahead of his time that his techniques would be studied generations into the future In his magnificent *Rebel Yell* S C Gwynne brings Jackson ferociously to life New York Newsday in a swiftly vivid narrative that is rich with battle lore biographical detail and intense conflict among historical figures Gwynne delves deep into Jackson's private life and traces Jackson's brilliant twenty-four month career in the Civil War the period that encompasses his rise from obscurity to fame and legend his stunning effect on the course of the war itself and his tragic death which caused both North and South to grieve the loss of a remarkable American hero

**Rebel Yell** S. C. Gwynne, 2014-09-30 An account of General Thomas Stonewall Jackson's rise to prominence during the Civil War *Provocative Eloquence* Laura L. Mielke, 2019-02-26 In the mid 19th century rhetoric surrounding slavery was permeated by violence Slavery's defenders often used brute force to suppress opponents and even those abolitionists dedicated to pacifism drew upon visions of widespread destruction *Provocative Eloquence* recounts how the theater long an arena for heightened eloquence and physical contest proved terribly relevant in the lead up to the Civil War As antislavery speech and open conflict intertwined the nation became a stage The book brings together notions of intertextuality and interperformativity to understand how the confluence of oratorical and theatrical practices in the antebellum period reflected the conflict over slavery and deeply influenced the language that barely contained that conflict The book draws on a wide range of work in performance studies theater history black performance theory oratorical studies and literature and law to provide a new narrative of the interaction of oratorical theatrical and literary histories of the nineteenth century U S

**Muskets and Applejack** Mark Will-Weber, 2017-09-05 I wish some of you would tell me the brand of whiskey that Grant drinks I would like to send a barrel of it to my other generals President Abraham Lincoln when confronted about General Ulysses Grant's excessive drinking Blood gunfire and whiskey they are the three things that defined Civil War battlefields In this fascinating booze-drenched history of the war that almost tore America apart historian Mark Will Weber author of *Mint Juleps* with Teddy Roosevelt weaves together lighthearted stories of drunken generals and out of control soldiers with the gritty reality of battlefields where whiskey was the only medicine and sometimes the only food *Muskets and Applejack* paints a full complex picture of the surprisingly large role

alcohol played in the Civil War how it helped heal physical and emotional wounds form friendships and cause strife  
 Interspersed between stories from the battlefield are authentic recipes of soldiers favorite drinks from both sides of the  
 Mason Dixon line     **The Battle of Glendale: Robert E. Lee's Lost Opportunity** Douglas Crenshaw,2017-01-09 By late  
 June 1862 the Union army under George B McClellan stood at the doorstep of Richmond In a desperate hour for the  
 Confederate capital Robert E Lee attacked McClellan and drove the Union army into a full retreat toward the safety of the  
 James River Lee recognized an opportunity to seal a decisive victory and commanded his Army of Northern Virginia to  
 prevent the Union forces from retreating A P Hill James Longstreet and Stonewall Jackson were among those who engaged in  
 the harrowing day of battle during the Seven Days Campaign Author Douglas Crenshaw details the dramatic Battle of  
 Glendale in the Civil War     **The Atlanta Daily Intelligencer Covers the Civil War** Stephen Davis,Bill  
 Hendrick,2023-02-10 Confederate newspapers were beset by troubles paper shortages high ink prices printers striking for  
 higher pay faulty telegraphic news service and subscription prices insufficient to support their operations But they also had  
 the potential to be politically powerful and their reporting of information accurate or biased shaped perceptions of the Civil  
 War and its trajectory The Atlanta Daily Intelligencer Covers the Civil War investigates how Atlanta s most important  
 newspaper reported the Civil War in its news articles editorial columns and related items in its issues from April 1861 to  
 April 1865 The authors show how The Intelligencer narrated the war s important events based on the news it received at  
 what points the paper and the Confederate press generally got the facts right or wrong based on the authors original  
 research on the literature and how the paper s editorial columns reflected on those events from an unabashedly pro  
 Confederate point of view While their book focuses on The Intelligencer Stephen Davis and Bill Hendrick also contribute to  
 the scholarship on Confederate newspapers emphasizing the papers role as voices of Confederate patriotism Southern  
 nationalism and contributors to wartime public morale Their well documented detailed study adds to our understanding of  
 the relationship between public opinion and misleading propaganda     **Decision Advantage** Jennifer E. Sims,2022 In  
 Decision Advantage Jennifer E Sims examines the role of intelligence in international conflict throughout history to show that  
 intelligence has been a measurable buildable and consequential form of power over centuries Diving deep into the history of  
 the 16th Century s Spanish Armada two Civil War battles the hunt for President Lincoln s assassin and key diplomatic crises  
 before the two World Wars Sims develops insights into how competitors have created and used intelligence power to their  
 advantage including winning against otherwise stronger opponents     **1,417 Days in Rebellion** Allan C. Payton,2024-01-10  
 The Civil War is the greatest tragedy ever experienced by our nation The repercussions of the war are still alive today almost  
 160 years after the final shots were fired in April 1865 Many books have been written on the battles the campaigns and  
 strategic troop movements 1 417 Days in Rebellion A History of the 19th Georgia Regiment provides a view of the war from  
 one regiment Follow the 19th Georgia from formation and training at Big Shanty now Kennesaw Georgia to the final

surrender near Durham Station North Carolina From as far north as Sharpsburg Maryland to the sandy soil of north central Florida the 19th Georgia was in every major battle fought by the Army of Northern Virginia except Gettysburg Spotsylvania and The Wilderness **From the Mountains to the Bay** Ethan S. Rafuse,2022-12-09 From January to July of 1862 the armies and navies of the Union and Confederacy conducted an incredibly complex and remarkably diverse range of operations in the Commonwealth of Virginia Under the direction of leaders like Thomas Stonewall Jackson George McClellan Joseph E Johnston John Rodgers Robert E Lee Franklin Buchanan Irvin McDowell and Louis M Goldsborough men of the Union and Confederate armed forces marched over mountains and through shallow valleys maneuvered on and along great tidal rivers bridged and waded their tributaries battled malarial swamps dug trenches and constructed fortifications and advanced and retreated in search of operational and tactical advantage In the course of these operations the North demonstrated it had learned quite a bit from its setbacks of 1861 and was able to achieve significant operational and tactical success on both land and sea This enabled Union arms to bring a considerable portion of Virginia under Federal control in some cases temporarily and in others permanently Indeed at points during the spring and early summer of 1862 it appeared the North just might succeed in bringing about the defeat of the rebellion before the year was out A sweeping study of the operations on land and sea From the Mountains to the Bay is the only modern scholarly work that looks at the operations that took place in Virginia in early 1862 from the Romney Campaign that opened the year to the naval engagement between the Monitor and Merrimac to the movements and engagements fought by Union and Confederate forces in the Shenandoah Valley on the York James Peninsula and in northern Virginia as a single comprehensive campaign Rafuse draws from extensive research in primary sources to provide a fast paced complete account of operations throughout Virginia while also incorporating findings of recent scholarship on the factors that shaped these campaigns The work provides invaluable insights into the factors and individuals who shaped these operations how they influenced the course of the war the relationships between political leaders and men in uniform and how all these factors affected the development and execution of strategy operations and tactics Gettysburg Rebels Tom McMillan,2017-06-12 Gettysburg Rebels is the gripping true story of five young men who grew up in Gettysburg moved south to Virginia in the 1850s joined the Confederate army and returned home as foreign invaders for the great battle in July 1863 Drawing on rarely seen documents and family histories as well as military service records and contemporary accounts Tom McMillan delves into the backgrounds of Wesley Culp Henry Wentz and the three Hoffman brothers in a riveting tale of Civil War drama and intrigue **Bullets That Changed America** Peter Zablocki,2022-06-15 One gunshot by a single person could be powerful enough to move a whole nation Well known are the assassinations of Abraham Lincoln John F Kennedy William McKinley and Martin Luther King Jr and their long lasting consequences History however is littered with lesser known gunshots that have had equally echoing outcomes Some were small mistakes or misjudgments others intentional acts that sparked events documented in our history textbooks A

single bullet serves as the catalyst for each of the stories in this book We may or may not know who fired it but we know each bullet s end point and the effects it had on America s trajectory the wars social movements and political and economic paradigm shifts The names of those involved may not to many be recognizable but the events their acts precipitated are etched in American history     The Civil War Diaries of Cassie Fennell Whitney A. Snow,2024-01-12 Born near Guntersville Alabama Catherine Cassie Fennell was nineteen when the Civil War began Starting with her time at a female academy in Washington DC the diaries continue through the war s end and discuss civilian experiences in Alabama and the Tennessee Valley Fennell believed that by keeping a diary she made a small contribution to the war effort and history itself Fennell was fairly well off and highly educated moving easily in very elite social circles Most of her relatives were staunch Confederates and the war took its toll with multiple members of her family killed or captured As Fennell recounts the consequences of war the downward spiral of the family fortune the withering of hope at news from the battlefield and the general uncertainty of civilian life in the South her diaries constitute one of the few contemporaneous records of north Alabama including the shelling and burning of Guntersville which has been poorly documented in the historiography of the Civil War While the first diary is written as a private reflection the war journals are well researched and rely on extensive familiarity with local newspapers and seem like they are intended for the eyes of later generations Ultimately these diaries amount to a social history of the war years in a specific region where scholars have recovered relatively few firsthand accounts and editor Whitney Snow s compilation adds to the now growing genre of women s Civil War diaries Insightful and engrossing The Civil War Diaries of Cassie Fennell is a compelling portrait of a privileged young woman who suffered devastating losses for her ardent support of a Confederate nation     Hymns of the Republic S. C. Gwynne,2020-10-06 From the New York Times bestselling and award winning author of Empire of the Summer Moon and Rebel Yell comes a masterwork of history Lawrence Wright author of God Save Texas the spellbinding epic account of the last year of the Civil War The fourth and final year of the Civil War offers one of the most compelling narratives and one of history s great turning points Now Pulitzer Prize finalist S C Gwynne breathes new life into the epic battle between Robert E Lee and Ulysses S Grant the advent of 180 000 black soldiers in the Union army William Tecumseh Sherman s March to the Sea the rise of Clara Barton the election of 1864 which Lincoln nearly lost the wild and violent guerrilla war in Missouri and the dramatic final events of the war including Lee s surrender at Appomattox and the murder of Abraham Lincoln A must read for Civil War enthusiasts Publishers Weekly Hymns of the Republic offers many surprising angles and insights Robert E Lee known as a great general and Southern hero is presented here as a man dealing with frustration failure and loss Ulysses S Grant is known for his prowess as a field commander but in the final year of the war he largely fails at that His most amazing accomplishments actually began the moment he stopped fighting William Tecumseh Sherman Gwynne argues was a lousy general but probably the single most brilliant man in the war We also meet a different Clara Barton one of the greatest and most compelling characters who

redefined the idea of medical care in wartime And proper attention is paid to the role played by large numbers of black union soldiers most of them former slaves Popular history at its best Hymns of the Republic reveals the creation that arose from destruction in this engrossing riveting Kirkus Reviews starred review read [Seven Games of Life](#) Richard Smoley, 2023-05-16 An eclectic spicy smorgasbord of philosophical food for thought KIRKUS REVIEWS Life can seem to be a serious business We could also look at it as a game or a series of games They include survival love power pleasure courage creativity and the Master Game In this insightful book Richard Smoley gives a lively but profound account of these games He talks about how we play them the mistakes we make and how we can play them best The culmination is the Master Game Richard explores practices from the great spiritual traditions to show how to reach this mastery If you play this game you will reach new heights of wisdom courage kindness and performance Richard the author of thirteen books including *G D s* Introduction to the Occult interweaves ideas from great thinkers and traditions with his own dry and irreverent wisdom gleaned from forty years of study and practice to show how to play the most important game of all There is only one question what are we to make of this life Most books that aim to help with that central question fail because they amount to lists eat this pray to that think about the other thing follow one truth carry this thing amabob Richard Smoley offers something better It is like a conversation with a wise friend who trusts you talking about this reality so you're better able to relate to the ones beyond

Quentin Hardy Head of Editorial Google Cloud *His Majesty's Airship* S. C. Gwynne, 2023-05-02 From historian and bestselling author of the Pulitzer Prize finalist *Empire of the Summer Moon* comes a captivating thoroughly researched The New York Times Book Review tale of the rise and fall of the world's largest airship and the doomed love story between an ambitious British officer and a married Romanian princess at its heart The tragic fate of the British airship R101 which went down in a spectacular fireball in 1930 killing more people than died in the Hindenburg disaster seven years later has been largely forgotten In *His Majesty's Airship* S C Gwynne resurrects it in vivid detail telling the epic story of great ambition gone terribly wrong Airships those airborne leviathans that occupied center stage in the world in the first half of the 20th century were a symbol of the future R101 was not just the largest aircraft ever to have flown and the product of the world's most advanced engineering she was also the lynchpin of an imperial British scheme to link by air the far flung areas of its empire from Australia to India South Africa Canada Egypt and Singapore No one had ever conceived of anything like this and R101 captivated the world There was just one problem beyond the hype and technological wonders these big steel framed hydrogen filled airships were a dangerously bad idea Gwynne's chronicle features a cast of remarkable and tragically flawed characters including Lord Christopher Thomson the man who dreamed up the Imperial Airship Scheme and then relentlessly pushed R101 to her destruction Princess Marthe Bibesco the celebrated writer and glamorous socialite with whom he had a long affair and George Herbert Scott a national hero who was the first person to cross the Atlantic twice in any aircraft in 1919 eight years before Lindbergh's famous flight but who devolved into drink and ruin These historical figures and the ship

they built flew and crashed come together in a Promethean tale of unlimited ambitions and technical limitations airy dreams and explosive endings *The Wall Street Journal* ***Tar Heels in Gray*** John B. Cameron, 2021-09-22 The 30th North Carolina Infantry was involved in most of the major battles in Virginia from the Seven Days through the surrender at Appomattox and saw some of the bloodiest fighting of the American Civil War Two thirds of these men volunteered early the others were enlisted at the point of a bayonet Their casualty rate was high the rate of death from disease was higher and the desertion and AWOL rate was higher still What was the war actually like for these men What was their economic status To what extent were they involved in the institution of slavery What were their lives like in the Army What did they believe they were fighting for and did those views change over time This book answers those questions and depicts Civil War soldiers as they were rather than as appendages to famous generals or symbols of myth It focuses on the realities of the men themselves not their battles In addition to the author's personal collection of letters and other contemporary records it draws upon newly discovered letters diaries memoirs census records and published works ***Geronimo*** Mike Leach, Buddy Levy, 2015-02-24 An overview of the history of Apache chief Geronimo with a look at the timeless strategies we can learn from his life from football coach Mike Leach ***Typhoid Fever*** Richard Adler, Elise Mara, 2016-02-22 In the 21st century typhoid fever afflicts more than 21 million people each year primarily in underdeveloped countries In the age before sanitation and antibiotics the infection was even more devastating crippling entire armies and claiming the lives of both rich and poor The story of typhoid is in many ways the story of modern medicine itself with early efforts at treatment and prevention paving the way for our understanding of infectious disease in general Many sought to understand and control the disease including Robert Koch and Walter Reed There were unsung heroes as well Pierre Louis and William Gerhard among the first to identify the disease's unique nature William Budd whose studies demonstrated its transmission through feces and Georges Widal whose test for the disease continues to be used in some areas This book chronicles the fight against typhoid in the words of these and other medical pioneers showing how far we have come and how far we have yet to go ***The Longest Siege*** Russell W. Blount, Jr., 2021-08-26 During the Civil War control of the Mississippi River was hotly contested by both the Union and Confederate armies By late 1862 the South held only a 110 mile stretch of this vital waterway Determined to defend this critical span the Confederacy built two fortresses to defend it Vicksburg on the north end Port Hudson on the south Drawing on the letters and memoirs of soldiers and officers on both sides this book chronicles the brutal struggle for Port Hudson Louisiana beginning with Admiral Farragut's costly naval attack by the Union fleet through the furious infantry assaults ordered by General Nathaniel Banks including the first charge made by black troops in the Civil War and finally to the 48 day siege itself Among the most tragic campaigns of the war it is recognized by historians as the longest siege in American military history

***We Hold These Truths*** Stephen M. Maurer, 2023-12-21 Madison designed his Constitution to promote consensus This book explains why it also rewards polarization and how to fix it

Thank you unconditionally much for downloading **Rebel Yell The Violence Passion And Redemption Of Stonewall Jackson**. Most likely you have knowledge that, people have look numerous times for their favorite books when this Rebel Yell The Violence Passion And Redemption Of Stonewall Jackson, but end going on in harmful downloads.

Rather than enjoying a good book considering a cup of coffee in the afternoon, on the other hand they juggled in the same way as some harmful virus inside their computer. **Rebel Yell The Violence Passion And Redemption Of Stonewall Jackson** is simple in our digital library an online admission to it is set as public correspondingly you can download it instantly. Our digital library saves in combination countries, allowing you to get the most less latency era to download any of our books with this one. Merely said, the Rebel Yell The Violence Passion And Redemption Of Stonewall Jackson is universally compatible behind any devices to read.
