I. Book House,2020-02-13 Recipes for the most delicious homemade dishes are stored in recipe books In the world of modern technology it seems that gadgets can keep absolutely everything but only the pages of the favorite cookbook can save the magic of special dishes A recipe book is a wonderful gift for a hostess a chef

and anyone who can't imagine his or her life without making delicious culinary delights. This book is a place to write down your favorite recipes. The first couple pages have an index where you can write the name of the recipes and throughout the book the recipes are numbered so you can easily find them later. This recipe notebook is very organized. It has spaces for each recipe page has a spot for Servings, Prep Time, Cook Time, Ingredients, Directions, and then for any notes on that dish. Everything is spaced out to give you plenty of room to write. There's enough pages for 120 recipes as well as a few pages at the end for any generic notes. I suppose you could use those to write extra recipes if you have a lot, but the book is cheap enough. The cover is the very kitschy kitchen and quite nice to look at. The front and back cover has a nice design on them which is quite decent quality and has acceptable paper and binding. A recipe book is a wonderful gift for a hostess, a chef, and anyone who can't imagine his or her life without making delicious culinary delights. Custom recipe book is always a unique and useful present for any occasion: Mother's Day gift, Thanksgiving gift, Christmas gift, wedding gift, birthday gift, anniversary gift, housewarming gift, or gift for any other occasion.
