

To Kill a Mockingbird
Chapters 26- 31 Reading Guide Answers

Chapter 26

1. Scout is growing up. Explain her feelings now about:
 - a. their former cruel games concerning Boo Radley

She now feels somewhat remorseful for their tormenting him.

- b. her remaining desire to see Boo in person

She still imagines that someday she'll meet him and they will speak to each other as if they've known each other for a long time.

- c. Atticus' apparent knowledge of their previous activities

Atticus reveals that he knows about their games all along.

- d. "Current Events"

It's a good idea, but Scout thinks it's not practical in Maycomb County since the children have few newspapers and little concept of what a current event was.

2. What is the irony of Miss Gates' lecture on democracy when compared to her comments at the trial?

Miss Gates says that we do not believe in persecuting anyone in America; she states persecution only comes from people who are prejudiced. After the trial Scout had heard Miss Gates say, "It's time somebody taught 'em (Negroes) a lesson." She is a hypocrite.

3. When Scout tries to tell Jem about Miss Gates, why does he react so violently? Explain Atticus' answer to her about this.

Jem was totally disillusioned by the outcome of the trial and is still trying to come to terms with what it showed him about people. He's still too angry and trying to sort things
